Directors' Report

The Directors present their report and the unaudited financial statements for the year ended 31 December 2022.

INTRODUCTION AND OVERVIEW

Countrywide Group Holdings Limited is a private limited Company incorporated in England & Wales; registered number 01837522.

The principal activity of the Company is a holding company.

During 2022 the Company realised a profit before tax of £29.8 million (2021: £166.2 million).

DIRECTORS

The Directors who held office during the year and up to the date of signing the financial statements were as follows:

Richard Twigg David Livesey

DIVIDENDS

An interim dividend of £28.8 million (2021: £112.0 million) was paid during the financial year ended 31 December 2022. The Directors do not recommend the payment of a final dividend (2021: £nil).

CHARITABLE AND POLITICAL DONATIONS

The Company made no charitable or political donations in 2022 (2021: £nil).

GOING CONCERN

The Directors have undertaken a thorough assessment of the Company's financial forecasts to 30 June 2024, including the continuing economic uncertainty.

The Company Is funded by dividends from its subsidiaries and the repayment of intercompany debt. The Company has an outstanding loan due from its parent company of £56.7 million (2021: £53.7 million). There is, however, parent guarantee in place from Connells Limited.

The Directors have reviewed the financial strength of Connells Limited, its financial forecasts and the stress testing of those forecasts, concluding that it is appropriate to prepare the Company's financial statements on a going concern basis.

As a result of the above, the outputs of financial modelling and following careful consideration, and having received assurances from the immediate parent company of support, the Directors continue to adopt the going concern basis of accounting in preparing the annual financial statements.

AUDITOR

The Directors have relied upon the exemption from the obligation to appoint auditors permitted under section 479A of the Companies Act 2006 in submitting these unaudited financial statements. There is a parent guarantee in place from Connells Limited.

The Company has taken advantage of the small companies' exemptions in presenting this Directors' Report.

Statement of Directors' Responsibilities in Respect the Directors' Report and the Financial Statements

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom accounting standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 "Reduced Disclosure Framework".

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements the Directors are required to:

- select suitable accounting policies and then apply them consistently
- · make judgements and accounting estimates that are reasonable and prudent
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable, and understandable information
- provide additional disclosures when compliance with the specific requirements in FRS 101 is insufficient to enable users to
 understand the impact of particular transactions, other events and conditions on the Company financial position and financial
 performance
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is appropriate to presume that the Company will not
 continue in business

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Company financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Under applicable law and regulations, the Directors are also responsible for preparing a Directors' Report that complies with that law and those regulations. The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website.

The Directors confirm, to the best of their knowledge:

- that the financial statements, prepared in accordance with UK Accounting Standards in conformity with the requirements of the Companies Act 2006, give a true and fair view of the assets, liabilities, financial position and profit of the Company
- that the annual report, includes a fair review of the development and performance of the business and the position of the Company, together with a description of the principal risks and uncertainties that they face; and
- that they consider the annual report, taken as a whole, is fair, balanced, and understandable and provides the information necessary for shareholders to assess the Company's position, performance, business model and strategy

Notes to the financial statements

1. Accounting policies

Countrywide Group Holdings Limited ('the company') is a private company incorporated and domiciled in the UK. The address of its registered office is Greenwood House, 1st Floor, 91-99 New London Road, Chelmsford, Essex CM2 0PP, United Kingdom.

a) Basis of preparation

The Company's financial statements have been prepared in accordance with Financial Reporting Standard 101 "Reduced Disclosure Framework" in conformity with the requirements of the Companies Act 2006.

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 2.

Financial standard 101 - reduced disclosure exemptions

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- a) The requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134 to 136 of IAS 1 Presentation of Financial Statements.
- The requirements of IAS 7 Statement of Cash Flows.
- c) The requirements of paragraphs 17 and 18A of IAS 24 Related Party Disclosures.
- d) The requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is a wholly owned member of the group.
- e) The requirements of IFRS 7 Financial Instruments: Disclosures
- f) The requirements of the second sentence of paragraph 110 and paragraphs 113(a), 114, 115, 118, 119(a) to (c), 120 to 127 and 129 of IFRS 15
- g) The requirements in paragraph 38 of IAS 1 Presentation of Financial Statements to present comparative information in respect of
 - paragraph 73(e) in respect of IAS 16 Property, Plant and Equipment

Exemption from preparation of consolidated financial statements

The financial statements contain information about Countrywide Group Holdings Limited as an individual company and do not contain consolidated financial information as the parent of a group. The Company has taken advantage of the exemption conferred by \$400 of the Companies Act 2006 not to produce consolidated financial statements as it is included in the UK consolidated accounts of Connells Limited and the consolidated innancial statements of Skipton Building Society (the Company's ultimate parent undertaking) as at 31 December 2022. Those accounts are available online at www.skipton.co.uk/about-us or on request from The Secretary, Skipton Building Society, The Bailey, Skipton, North Yorkshire, BD23 1DN.

Adoption of new and revised UK Financial Reporting Standards

The Company adopted during the year the following amendments to existing accounting standards, which did not have a material impact to these financial statements:

- Onerous contracts -Costs of Fulfilling a Contract (Amendments to IAS 37)
- Property, Plant and Equipment: Proceeds before Intended Use (Amendments to IAS 16)
- Reference to the Conceptual framework (Amendments to IFRS 3); and
- Fees in the '10 per cent test' for derecognition of financial liabilities (Amendments to IFRS 9)

Standards issued but not yet effective

A number of new and amended accounting standards and interpretations will be effective for future reporting periods, none of which has been early adopted by the Company in preparing these financial statements. These new and amended standards and interpretations, details of which are set out below, are not expected to have a material impact on the Company's financial statements:

- IFRS 17 Insurance Contracts (effective from 1 January 2023);
- Classification of Liabilities as Current or Non-current (Amendments to IAS 1 effective from 1 January 2024);
- Definition of Accounting Estimates (Amendments to IAS 8 effective from 1 January 2023);
- Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statement 2, effective from 1 January 2023);
- Lease Liability in a Sale and Leaseback (Amendments to IFRS 16, effective from 1 January 2024).

These amendments have had no material impact on these Financial Statements.

- 1. Accounting policies (continued)
- a) Basis of preparation (continued)
 - Deferred Tax Related to Assets and Liabilities Arising from a Single Transaction (Amendments to IAS 12, effective 1 January 2023);

In May 2021, the Board issued amendments to IAS 12, which narrow the scope of the initial recognition exception under IAS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences. The amendments should be applied to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, at the beginning of the earliest comparative period presented, a deferred tax asset (provided that sufficient taxable profit is available) and a deferred tax liability should also be recognised for all deductible and taxable temporary differences associated with leases and decommissioning obligations. The company is currently assessing the impact of the amendment.

Going concern

The Directors have undertaken a thorough assessment of the Company's financial forecasts to 30 June 2024, including the continuing economic uncertainty.

The Company is funded by dividends from its subsidiaries and the repayment of intercompany debt. The Company has an outstanding loan due from its parent company of £56.7 million (2021: £53.7 million). There is, however, parent guarantee in place from Connells Limited.

The Directors have reviewed the financial strength of Connells Limited, its financial forecasts and the stress testing of those forecasts, concluding that it is appropriate to prepare the Company's financial statements on a going concern basis.

As a result of the above, the outputs of financial modelling and following careful consideration, and having received assurances from the immediate parent company of support, the Directors continue to adopt the going concern basis of accounting in preparing the annual financial statements.

(b) Investments

Investments in subsidiaries are held at historical cost less provision for impairment. The carrying values of investments are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable or for reversal of prior impairment when events of changes in circumstances indicate there is an increase in estimated service potential of assets since recognition of the last impairment loss of asset value.

(c) Joint venture

Investments in joint ventures are held at historical cost less provision for impairment. The carrying values of investments are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

(d) Tangible fixed assets

Items of property, plant and equipment are stated at cost or deemed cost less accumulated depreciation and impairment losses. Cost includes the original purchase price of the asset and the costs attributable to bringing the asset to its working condition for its intended use.

Depreciation

Depreciation is charged to profit or loss on a straight line basis over the estimated useful lives of each part of an item of property, plant and equipment. The estimated useful lives are as follows:

· Land and buildings - 50 years

The residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

Notes to the financial statements (continued)

2. Accounting policies (continued)

(e) Financial assets

Classification

The Company classifies its financial assets as financial assets at amortised cost and financial assets at fair value through profit or loss. The classification depends on the purpose and business model for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition.

Financial assets at amortised cost

Financial assets at amortised cost are non-derivative financial assets with fixed or determinable payments that arise principally through the provision of intra-group funding. They are initially recognised at fair value and are subsequently stated at amortised cost using the effective interest method. They are included in current assets, except for maturities greater than 12 months after the end of the reporting period. Financial assets at amortised cost comprise mainly cash and cash equivalents and intercompany receivables.

Recognition and measurement

Regular purchases and sales of financial assets are recognised on the trade date: the date on which the Company commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the investments have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership.

Impairment

The Company applies the IFRS 9 simplified approach to measuring expected credit losses. In determining the expected credit losses for the intercompany receivables, the Company has taken into account the financial position of the counterparty, and the likely timing of receipts against balances that are technically repayable on demand, in estimating the discounting across these financial assets occurring within their repayment assessment time horizon.

(f) Income tax

Income tax on the profit or loss for the year comprises current and deferred tax. Income tax is recognised in profit or loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the date of the Statement of Financial Position, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the date of the Statement of Financial Position.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

(g) Dividend income

Dividend income is recognised in profit or loss on the date on which the Company's right to receive payment is established.

(h) Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in share premium as a deduction from the proceeds.

Notes to the financial statements (continued)

1. Accounting policies (continued)

2. Critical accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements requires the Directors to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities. Estimates and judgements are continually evaluated and are based on historical experience and other factors including expectation of future events that are believed to be reasonable under the circumstances. Actual results may differ from these estimates, given the uncertainty surrounding the assumptions and conditions upon which the estimates are based.

Critical judgements in applying the Company's accounting policies

The Directors consider that there are no critical judgements, apart from those involving estimations (which are dealt with separately below), that are likely to have a significant effect on the amounts recognised in the Company's financial statements.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below.

Impairment of investment in subsidiaries and intercompany receivables

The Directors periodically review investments in subsidiaries and intercompany receivables for possible impairment, or reversal of prior impairments, when events or changes in circumstances indicate, in management's judgement, that either the carrying value of an asset may not be recoverable, or there is an increase in estimated service potential of assets since recognition of the last impairment loss of asset value. Such indicating events would include a significant change in market conditions or future operating cash flows.

Investment in subsidiaries

Determining whether investments in subsidiaries are impaired, or prior impairments can be reversed, requires an estimation of the value in use of the Company's subsidiaries. Calculating the cash flows requires the use of judgements and estimates that have been included in our strategic plans and long range forecasts. In addition, judgement is required to estimate the appropriate interest rate to be used to discount the future cash flows. The data necessary for the execution of the impairment tests is based on management estimates of future cash flows, which require estimating revenue growth rates and profit margins.

Intercompany receivables

The businesses value in use (VIU) model of discounted cash flows, was used to determine the recoverability of intercompany balances and the level of discounting required to reflect the likely timing of future receipts against balances that are technically repayable on demand (in line with IFRS 9 expected credit loss methodology). Calculating the cash flows requires the use of judgements and estimates that have been included in our strategic plans and long range forecasts. In addition, judgement is required to estimate the appropriate interest rate to be used to discount the future cash flows.

4. Directors remuneration

The Company has no employees other than the directors.

All the directors were remunerated by other group companies and are not directly remunerated by the Company. The work these directors completed in relation to their role as director of the Company was considered insignificant to their overall role within the group. As a result, no apportionment of remuneration has been allocated to their directorship role.

17. Related Party Transactions

The Company has taken advantage of the exemptions conferred by FRS 101 from the requirements to make disclosures concerning transactions with other wholly owned members of the Connells Group and Skipton Group, as the company is a wholly owned subsidiary and consolidated accounts are publicly available for both the immediate parent and ultimate parent undertaking.

Outstanding balances between Group entities as at the Statement of Financial Position date are disclosed within notes 12 and 14 above.

18. Parent and ultimate parent undertaking

The immediate parent undertaking is Countrywide Group Limited, a private limited company, which is incorporated and domiciled in the UK. The largest group in which the results are consolidated is that headed by Skipton Building Society. The smallest group is that headed by Connells Limited and the consolidated accounts of that company are available to the public and can be obtained from:
