DIRECTORS' REPORT

The directors present their report and the audited financial statements of the company for the year ended 31 December 2005.

Business review and future developments

The principal activity of the company is the provision of employee benefits advice, communication and administration. The company will continue to carry on this business.

Results and dividends

The company's profit for the financial year is £480,000 (2004: £197,000). The directors have paid a dividend of £1,500,000 (2004: nil). The loss for the period of £1,020,000 (2004: profit £197,000) has been taken from reserves. On 20 January 2006 the directors declared a dividend of 245.58 pence per share. This was paid on 22 February 2006.

Directors and their interests

The directors of the company are listed on page 1, and have been directors throughout the period from 1 January 2005 until the date of this report, unless otherwise stated.

No director had any interest in the shares of the company during the year ended 31 December 2005.

The interest of the directors in the shares and options over the shares of Benfield Group Limited, the ultimate holding company, at 31 December 2005 and 31 December 2004 or date of appointment if later, were as follows:

Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. The directors are required to prepare the financial statements on a going concern basis, unless it is inappropriate to presume that the company will continue in business.

The directors confirm that suitable accounting policies have been used and applied consistently. They also confirm that reasonable and prudent judgements and estimates have been made in preparing the financial statements for the year ended 31 December 2005 and that applicable accounting standards have been followed.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DIRECTORS' REPORT

Auditors

The auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office and a resolution proposing their reappointment will be put to the Annual General Meeting.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ORBIT BENEFITS LIMITED

We have audited the financial statements of Orbit Benefits Limited for the year ended 31 December 2005 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Recognised Gains and Losses and the related notes. These financial statements have been prepared under the accounting policies set out therein.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements:

- give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the company's affairs as at 31 December 2005 and of its result for the year then ended; and
- have been properly prepared in accordance with the Companies Act 1985.

ACOUNTING POLICIES

Accounting convention

The financial statements have been prepared on the going concern basis under the historical cost convention, in accordance with the Companies Act 1985 and applicable UK accounting standards. A summary of the company's principal accounting policies, which have been applied consistently, is set out below.

Turnover

Turnover represents commissions and fees earned from providing financial services and is credited to the profit and loss account when commission is due, net of any accrual that is made for potential clawbacks of unearned indemnity commission. This accrual is determined on a client by client basis and reflects the company's best estimate of future liabilities.

Cash flow statement and related party disclosures

The company is a wholly owned subsidiary of Benfield Group Limited and is included in the consolidated financial statements of that company, which are publicly available. Consequently the company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard 1 (Revised 1996). The company is also exempt under the terms of Financial Reporting Standard 8 from disclosing related party transactions with entities that are part of the Benfield Group Limited group.

Pension scheme contributions

The company contributes to a group pension scheme, the Benfield Group UK Retirement Benefit Plan, operated by Benfield Holdings Limited, a fellow group undertaking. The assets of the fund are held separately from those of the group in an independently administered fund. Pension scheme contributions to the group's scheme are charged to the profit and loss account in the year to which they relate.

Taxation

The charge for taxation is based on the profit for the year at current rates of tax and takes into account deferred taxation.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in a future obligation to pay more tax or future right to pay less tax have occurred. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements. Deferred tax is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Foreign currencies

Transactions in currencies other than the functional currency are recorded at the rates of exchange prevailing at the date of the transaction. Monetary assets and liabilities in currencies other than the functional currency are translated at the rates of exchange prevailing at the balance sheet date and the related transaction gains and losses are reported in the profit and loss account.

Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated so as to write off the cost of tangible fixed assets on a straight line basis over their estimated useful lives (see note 7). Software that is purchased from a third party is capitalised where it relates to long term information technology infrastructure on a continuing use basis.

ACOUNTING POLICIES

Fiduciary assets and liabilities

Orbit acts as an agent in placing the risks of companies with insurers and as such generally are not liable as principles for amounts arising from such transactions. Accordingly, receivables arising from insurance broking transactions are not included within the assets and liabilities of the Company expect for fee and commission receivables earned on these transactions. Orbit is entitled to retain the investment income on fiduciary cash and investments arising from insurance broking transactions. Consequently, these amounts are included within assets on the balance sheet with the corresponding payable included as a liability.

Prior year adjustments

The Company has adopted Financial Reporting Standard 21 "Events after the balance sheet date" in these financial statements. The adoption of this standard represents a change in accounting policy in relation to the timing of recognition of dividends and the comparative figures have been restated accordingly. This has led to an increase in shareholders' funds in 2004 of £1,500,000.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2005

1. TURNOVER

All activity consists solely of the provision of a single class of business originated in the United Kingdom.

2. NET OPERATING EXPENSES
