Report of the Director
for the Year Ended 31 December 2009

The director presents his report with the accounts of the company for the year ended 31 December 2009

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of computer consultancy services

REVIEW OF BUSINESS

COMPANY PERFORMANCE

2009 was again a difficult year in the face of increased competition and a continuation of the global recession. A marketing initiative instigated in the early part of 2008 to generate new sources of income continues, this has had a positive impact and the company has since seen a sustained increase in prospective and converted clients

TURNOVER

Turnover decreased by 8.04% in the year. The director considers that the current year to 31 December 2010 turnover levels will be maintained.

CASHFLOW

Bank deposits have decreased during the year in line with results, however the director expects the deposits to be maintained during the current year. The company is still in a strong liquidity position to move forwards.

FUTURE DEVELOPMENTS

The company is seeing a small improvement in sales due to the previous marketing efforts and we are now concentrating on reducing our fixed costs to improve our profitability. 2010 could well be a turnaround year if trading continues at current levels.

RISKS AND UNCERTAINTIES

The Director of the Company regularly considers and reviews any risks and uncertainties that are either currently faced by the Company or will potentially be faced by the Company in the future. Measures are then taken and put in place to mitigate these risks and uncertainties.

DIVIDENDS

No dividends will be distributed for the year ended 31 December 2009.

DIRECTOR

C J Lester-Smith held office during the whole of the period from 1 January 2009 to the date of this report.

STATEMENT OF DIRECTOR'S RESPONSIBILITIES

The director is responsible for preparing the Report of the Director and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the director is aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Report of the Director
for the Year Ended 31 December 2009

AUDITORS

The auditors, Wright Vigar Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting

ON BEHALF OF THE BOARD

C J Lester-Smith - Director

Date *6th August 2010*

Report of the Independent Auditors to
Drole Computing Services Limited
Under Section 449 of the Companies Act 2006

We have examined the abbreviated accounts set out on pages five to twelve, together with the full financial statements of Drole Computing Services Limited for the year ended 31 December 2009 prepared under Section 396 of the Companies Act 2006

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of director and auditors

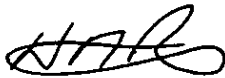

The director is responsible for preparing the abbreviated accounts in accordance with Section 445 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section and to report our opinion to you.

Basis of opinion

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 445(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section.

Notes to the Abbreviated Accounts
for the Year Ended 31 December 2009

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax

Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following basis

Computer equipment 33% straight line basis

Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more or less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate

2 TURNOVER

The turnover and loss before taxation are attributable to the one principal activity of the company
