Peter Evans & Associates Limited Directors' report for the year ended 31 December 2012

The directors present their report and audited financial statements of the company for the year ended 31 December 2012.

Principal activities and business review

Peter Evans & Associates Limited (the "Company") is a wholly owned subsidiary of Peter Evans Limited which is part of the Equiniti Enterprises Limited group of companies (the "Group") which is ultimately owned through funds managed by Advent International Corporation. The Equiniti Enterprises Limited Group is comprised of Equiniti Enterprises Limited and its subsidiary companies as listed in note 12 of the Equiniti Enterprises Limited consolidated financial statements for the year ended 31 December 2012.

The Company's parent was acquired by Equiniti Limited on 31 July 2012. As a result of the acquisition the financial statements have been prepared under IFRS for the first time.

Principal activities

The principle activity of the Company is that of development, marketing and maintenance of specialised computer software for the financial services sector

Key performance indicators (KPIs) and business review

The directors are pleased with the results of the Company for the year and its financial position at 31 December 2012, and intend for it to continue trading for the foreseeable future. The directors consider that the financial information on pages 4 to 20 is sufficient to allow a full understanding of the business.

Revenue for the year was £2,533,000 in 2012 (2011 £1,724,000) Operating costs were £1,858,000 (31 March 2012 £1,551,000) and the profit before tax for the year was £674,000 (2011 £173,000) as shown on the statement of comprehensive income on page 4

The KPIs for the business reflect the above and relate to revenue, profit and operating costs and resulting capital requirement

Future developments

The future developments of the company are to continue to support the Group's trading activities by providing development, marketing and maintenance of specialised computer software for the financial services sector

Principal risks and uncertainties

The directors of the parent undertaking, Equiniti Enterprises Limited manage the Group's risks and performance. For this reason a discussion of the Group's risks has not been included by the Company's directors. The principal risks and uncertainties, together with the development, performance and position, and an analysis using key performance indicators of the Equiniti Enterprises Limited Group, which include those of the Company and the Group, are discussed in the business review of Equiniti Enterprises Limited's annual report, which does not form part of this report

Details of the Company's financial risk management policy can be found in notes 2 and 17 of the financial statements

Dividends

A dividend of £515,000 (£5,049 02 per share) was paid in 2012 (2011. £nil). The directors do not recommend the payment of a final dividend in respect of 2012

Directors

The directors of the Company who were in office during the year and up to the date of signing the financial statements were as follows

T Betts Appointed 31 July 2012 M Foley

J Parker Appointed 31 July 2012

Peter Evans & Associates Limited Directors' report for the year ended 31 December 2012

Directors (continued)

The directors have the benefit of an indemnity which is a qualifying third party indemnity provision as defined by section 234 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. The Company also purchased and maintained throughout the financial year Directors and Officers' liability insurance in respect of itself and its Directors and Officers.

Employees

The Company gives full and fair consideration to employment applications from disabled persons, having regard to their particular aptitude and abilities. Where existing employees become disabled, it is the Company's policy to provide continuing employment under normal terms and conditions wherever practicable, providing training, career development and promotion to disabled employees where appropriate

Political and charitable donations

The Company did not make any political or charitable donations or incur any political expenditure during the year (2011 £nil)

Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditors are unaware, and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information

Statement of Directors' responsibilities

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing these financial statements, the directors are required to

- · select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable International Financial Reporting Standards (IFRSs) as adopted by the European Union have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1 Accounting policies

Peter Evans & Associates Limited (the "Company") is a limited company incorporated and domiciled in the UK. The principle activity of the company is is that of a holding company. The registered office is Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA.

These financial statements have been prepared in accordance with International Financial Reporting Standards as adopted by the European Union (IFRSs as adopted by the EU), IFRIC Interpretations and the Companies Act 2006 applicable to companies reporting under IFRS.

The Company financial statements have been prepared and approved by the directors on a going concern basis in accordance with International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs").

Accounting policies have been consistently applied, except where new policies have been adopted and disclosed in the financial statements

Measurement convention

The financial statements are prepared on the historical cost basis. The financial statements for the year ended 31 December 2011 are unaudited. Comparative numbers are noted as restated where relevant.

Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses

Depreciation is charged to the statement of comprehensive income on a straight-line basis over the estimated useful lives of each part of an item of Office Equipment and on a reducing balance basis for motor vehicles. The estimated useful lives are as follows

Office equipment

3 - 10 years

Motor vehicles

25% reducing balance

Trade receivables

Trade receivables are stated initially at fair value then measured at amortised cost less provisions for impairment Provisions for impairment are recognised when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. The impairment recorded is the difference between the carrying value of the receivables and the estimated future cash flows discounted where appropriate. Any impairment required is recorded in the statement of comprehensive income within administrative expenses.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalents for the purpose only of the statement of cash flows

Trade payables

Trade payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method

Dividends

The dividend distributed to the shareholders is recorded as a liability in the Company's financial statements in the period in which the dividends are approved by the Company shareholders

Operating Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to the income statement on a straight line basis over the period of the lease.

Share capital

Ordinary shares are classified as equity
Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds

1 Accounting policies (continued)

Employee benefits

Defined contribution plans

Obligations for contributions to defined contribution pension plans are recognised as an expense in the statement of comprehensive income as incurred

Short-term benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A provision is recognised for the amount expected to be paid under short-term cash bonus or profit sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Revenue

Revenue represents the value, net of value added tax and discounts, of work carried out in respect of services provided to customers

Revenue items not invoiced at the balance sheet date are accrued based on invoice value of services provided and yet to be invoiced

Expenses

The Company obtains all other services from Equiniti Limited Operational costs of sales are charged by Equiniti Limited based on volumes of revenue activities of the Company in the year, whilst administrative costs are charged as the proportion of the total fixed overheads which is the attributable amount relating to the Company

Investments in debt and equity securities

Financial instruments held for trading or designated upon initial recognition are stated at fair value, with any resultant gain or loss recognised in profit or loss

Finance income

Interest income is recognised in the statement of comprehensive income as it accrues on monies loaned and deposited

Taxation

Tax on the profit or loss for the period comprises current and deferred tax. Tax is recognised in the statement of comprehensive income except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current tax is the expected tax payable on the taxable income for the period, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for the initial recognition of goodwill, the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised

Accounting policies (continued)

New standards and interpretations not yet adopted

a) New and amended standards adopted by the company

There are no IFRSs or IFRIC interpretations that are effective for the first time for the financial year beginning on or after 1 January 2012 that would be expected to have a material impact on the Company

b) New standards and interpretations not yet adopted

A number of new standards and amendments to standards and interpretations are effective for annual periods beginning after 1 January 2012, and have not been applied in preparing these financial statements. None of these is expected to have a significant effect on the financial statements of the Company

There are no other IFRSs or IFRIC interpretations that are not yet effective that would be expected to have a material impact on the company

2 Financial risk management

The Company has exposure to the following risks from its use of financial instruments

- credit risk
- liquidity risk
- market risk

Risk management policies are established for the Equiniti Enterprises Limited group of companies (the "Group") and the Group Audit Committee overseas how management monitors compliance with these policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Group The Group Audit Committee is assisted in its oversight role by Internal Audit Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty, including brokers, to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers

The Company establishes an allowance for impairment that represents its exposure to specific overdue balances

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that the Company will have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions.

The costs of the Company are primarily variable and therefore sufficient revenue should always be generated to meet its costs

Market risk

Market risk is the risk that changes in market prices such as interest rates, foreign exchange rates and equity prices will effect the Company's income or the value of its financial instruments

The Company's financial instruments are currently in sterling, hence foreign exchange movements do not have a material effect on the Company's performance

Interest rate risk is managed across the Equiniti Enterprises Group of companies. The Group is exposed to movements in interest rate in both its revenue line and its net finance costs. The Group senior debt and the payment in kind ("PIK") loan rates are linked to Libor. The Group also earns fee income in relation to client and shareholder deposits as well as interest income on its own deposits.
