INDEPENDENT AUDITOR'S REPORT TO RENEWABLE UK ASSOCIATION UNDER SECTION 449 OF THE COMPANIES ACT 2006

We have examined the abbreviated accounts set out on pages 3 to 6, together with the financial statements of Renewable UK Association for the year ended 31 December 2014 prepared under section 396 of the Companies Act 2006.

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to them in a special auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

The directors are responsible for preparing the abbreviated accounts in accordance with section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts are properly prepared.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations under that section.

Anders Rasmussen
Senior Statutory Auditor
for and on behalf of Grant Thornton UK LLP

RENEWABLE UK ASSOCIATION

PRINCIPAL ACCOUNTING POLICIES

BASIS OF PREPARATION

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The principal accounting policies of the Association have remained unchanged from the previous year and are set out below.

GOING CONCERN

The Association has generated sufficient financial resources from its activities and the Directors are therefore of the opinion that the Association is well placed to manage its business risks successfully in the current economic climate. Accordingly, the Directors have a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future, and they therefore conclude that it remains appropriate to prepare the financial statements on a going concern basis.

INCOME

Membership fees and subscriptions are recognised as income in the period in which the membership benefits are awarded. Activity and project funding is recognised as income as costs are incurred and in the period in which the activity is undertaken. Conference income is recognised in the year of the conference.

DEPRECIATION

Depreciation of fixed assets is calculated to write off their cost less any residual value over their estimated useful lives as follows:

Building improvements	20% straight line
Display equipment	25% reducing balance
Office equipment	20% - 33% straight line
Computer equipment	33% straight line

OPERATING LEASES

Rentals paid under operating leases are charged to the income and expenditure statement on a straight line basis over the lease term.

TAXATION

The charge for taxation is based on the results for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred tax in respect of all timing differences that have originated but not reversed by the balance sheet date. Deferred tax assets are only recognised when it is more likely than not that the deferred tax asset will be recovered. Deferred tax is measured using rates of tax that have been enacted or substantially enacted by the balance sheet date. Deferred tax balances are not discounted.

FOREIGN CURRENCIES

Transactions expressed in foreign currencies are translated into sterling and recorded at rates of exchange ruling at the date of transaction. Monetary assets and liabilities are translated at rates ruling at the balance sheet date.

All differences are taken to the income and expenditure statement.

GOVERNMENT FUNDING

Government funding towards projects and activities of the Association is credited to the income and expenditure statement so that it is matched with the associated project costs as incurred.

RENEWABLE UK ASSOCIATION

PRINCIPAL ACCOUNTING POLICIES

PENSIONS

Defined contribution scheme

Contributions are charged to the income and expenditure statement as they become payable in accordance with the rules of the scheme.

FINANCIAL INSTRUMENTS

Financial liabilities are classified according to the substance of the contractual arrangements entered into.

Where the contractual obligations of financial instruments are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

RENEWABLE UK ASSOCIATION - COMPANY NUMBER 01874667**ABBREVIATED BALANCE SHEET AT 31 DECEMBER 2014**

	Note	2014	2013
		£	£
Fixed assets
