#### TO ALL CREDITORS

**Dear Sirs** 

#### Dawnay, Day International Limited - In Administration

It is now six months since my appointment in respect of the Company. In accordance with Rule 2.47 of the Insolvency Rules 1986 I am now reporting the progress made in implementing the approved proposals and achieving the statutory purpose of the Administration.

#### 1 Statutory Information

The Joint Administrators are Shay Bannon, Mark Shaw and Toby Scott Underwood of BDO Stoy Hayward LLP, 55 Baker Street, London, W1U 7EU and they were appointed in respect of the above company on 18 July 2008. Under the provisions of paragraph 100(2) of Schedule B1 of the Insolvency Act 1986 the Joint Administrators carry out their functions jointly and severally and none of the Joint Administrators has exclusive power to exercise any function.

The Joint Administrators were appointed by the directors of the company, pursuant to Paragraph 22 of Schedule B1 of the Insolvency Act 1986. The Administration proceedings are dealt with in the High Court of Justice and the court case number is 5923 of 2008.

The company's registered office is situated at 55 Baker Street, London, W1U 7EU, and the registered number is 01878923.

I enclose, for your information, a summary of my receipts and payments to date, together with a copy of my abstract account covering the last six month period, and report as follows:

#### 2 Receipts

The receipts shown should be self-explanatory although I will comment as follows:

#### **Artwork**

Sotheby's in London were instructed to arrange a disposal strategy of the company's artwork, and to date realisations totalling £1,682,184 have been achieved through auctions and private sales in London and New York.

#### **Investments**

The company held interests in a number of investments. Disposals to date have realised almost £5million in respect of a number of holdings.

#### Inter-company and External Debtors

£316,002 has been received to date.

#### Tax Refund

A refund of almost £1.2million has been received which was not anticipated at the date of our appointment.

#### Rental Income

Rental income has been received on behalf of group companies and has been paid to Norwich Union Mortgage Finance upon receipt.

#### 3 Trading

A number of the company's staff were retained after our appointment in order to assist with the ongoing management of business and realisation of assets of both the company's and other group companies under the Joint Administrators' control. The majority have now been dismissed and the company's premises has been vacated in preparation of a sale of the whole of the Dawnay, Day group's property portfolio.

Payments were made centrally by the company on both its own behalf and for costs incurred by other group companies as demonstrated in the receipts and payments account. Recharges to the other companies are being made on an ongoing basis and the accounts will be fully reconciled before the conclusion of the administration.

#### 4 Further Realisations

Remaining assets comprise of artwork, shares and investments, and debtors. The level of realisations is presently uncertain. The majority of assets are expected to be realised before the conclusion of the administration, however Sotheby's have advised that the remaining artwork should not be marketed again for at least 18 months given the current market climate.

#### 5 Future of the Administration

There are three objectives of an administration. The Joint Administrators' proposals stated that the first, that of rescuing the company as a going concern, was considered unachievable. However, the second objective is achieving a better result for the creditors of the company as a whole than would be likely if the company were wound up (without first being in administration). This was considered achievable as the sale of assets will result in greater realisations than would be achieved on a forced sale basis.

It is anticipated that the administration will move to creditors' voluntary liquidation in the next six months.

#### 6 Prospects for Creditors

Under Section 176A of the Insolvency Act 1986 where after 15 September 2003 a company has granted to a creditor a floating charge a proportion of the net property of the company must be made available purely for the unsecured creditors.

As reported in the Joint Administrators' proposals the only charge registered at Companies House is a supplemental deed dated 12 February 2008 in favour of Norwich Union Mortgage Finance in respect of a cross guarantee in support of liabilities payable by other companies in the Dawnay, Day group. As the charge was registered within 12 months of the Administration and, to our knowledge, no consideration was received by the company in respect of granting this charge, I have instructed my solicitors to advise whether the charge may be avoided pursuant to Section 245 of the Insolvency Act 1986.

As stated above, the charge was granted in support of a cross guarantee in respect of borrowings by other group companies. At this stage it is uncertain as to whether these companies are in a position to repay Norwich Union in full from their own resources. In this event the cross guarantee will not be called upon.

For the purposes of this report I have assumed that no payment will be made to Norwich Union by the company. Therefore all realisations made in this Administration will be available to unsecured creditors after the expenses and costs of the Administration have been paid.

It is anticipated that a distribution will be made to unsecured creditors shortly after the administration is moved to creditors' voluntary liquidation.

#### 7 Joint Administrators' Remuneration

The creditors have already approved the Joint Administrators' remuneration on the basis of 3% of the value of property with which they have dealt. To date no remuneration has been drawn. I can confirm that there is no work that is usually carried out by the Joint Administrators which has been sub contracted outside my firm.

#### **Disbursements**

Where disbursements are recovered in respect of precise sums expended to third parties there is no necessity for these costs to be authorised. These are known as category 1 disbursements. To date, I have not made any drawings in respect of these disbursements.

Some administrators recharge expenses for example postage, stationery, photocopying charges, telephone and fax costs, which cannot economically be recorded in respect of a each specific case. Such expenses, which are apportioned to cases, require the approval of the creditors, before they can be drawn, and these are known as category 2 disbursements. The policy of BDO Stoy Hayward LLP is not to charge any category 2 disbursements.

Yours faithfully for and on behalf of Dawnay, Day International Limited

S Bannon

Joint Administrator
