CP Ships (UK) Limited

Directors' Report for the year ended 30 September 2014

The Directors submit their report and the audited financial statements of CP Ships (UK) Limited ("the Company") for the year ended 30 September 2014.

Principal activity

The Company did not trade during the year and is not expected to trade in future years. The Company's former principal activity of the provision of container shipping services ceased in 2006. The Company remains active due to the winding up of the former operations, including damage claims and pension schemes.

Results and dividends

The profit on ordinary activities before taxation for the year ended 30 September 2014 amounted to US\$ 485,000 (2013: US\$1,692,000 loss). There were no dividends paid during the year (2013 US\$ nil). The Directors do not recommend the payment of a final dividend.

Funding and liquidity

The Directors have considered the funding and liquidity position of the Company and of its intermediate parent company Contship Holdings Limited. Following this review, the Directors consider it appropriate to continue to prepare the financial statements on the going concern basis.

Directors

The Directors of the Company at the date of this report are:

W Flintermann (appointed on 22 December 2014)

J Walter

Other Directors who served during the year were:

A L John (resigned 3 December 2013) W H Rau (resigned 30 November 2014)

Policy and practice on payment of suppliers

It is the Company's policy wherever possible to agree terms of payment with suppliers in advance to ensure that they are made aware of the terms of payment and both parties abide by those terms.

Directors' indemnity

Throughout the financial year and at the date of approval of these financial statements, the ultimate parent company, TUI AG, maintained Directors' & Officers' Liability insurance policies on behalf of the Directors of the Company. These policies meet the Companies Act 2006 definition of a qualifying third party indemnity provision.

Statement as to disclosure of information to auditors

The Directors confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditors are unaware; and each Director has taken all the steps that they ought to have taken as a Director to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Independent auditors

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be re-appointed and PricewaterhouseCoopers LLP will therefore continue in office.

Statement of directors' responsibilities

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006 and the Company is therefore exempt from the requirement to prepare a Strategic Report.

Independent auditors' report to the members of CP Ships (UK) Limited

Report on the financial statements

Our opinion

In our opinion, CP Ships (UK) Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the Company's affairs as at 30 September 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

CP Ships (UK) Limited's financial statements comprise:

- the balance sheet as at 30 September 2014;
- · the profit and loss account for the year then ended;
- the statement of total recognised gains and losses for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to take advantage of the small companies' exemption from preparing the strategic report. We have no exemptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of Directors' Responsibilities set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Accounting (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- Whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- The reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Directors' report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

1. Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable United Kingdom accounting standards and under the historical cost convention.

The Company is exempt by virtue of Section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

Cash Flow

Under Financial Reporting Standard 1 (revised 1996) the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements.

Investments

Investments in subsidiary companies are stated at cost less provision for diminution in value. The carrying amounts of the Company's investments are reviewed for impairment when events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. If such an indication exists, the investment's recoverable amount is estimated. An impairment loss is recognised in the profit and loss account whenever the carrying amount of an investment exceeds its recoverable amount.

Taxation

Taxation comprises current and deferred tax. Current tax is the expected tax payable (or recoverable) for the current year and any adjustment to tax payable in respect of previous years, using tax rates enacted or substantively enacted at the balance sheet date.

Foreign currencies

Assets and liabilities in non-US\$ currencies are translated into US\$ at the exchange rate ruling on the balance sheet date. Transactions in non-US\$ currencies are recorded at the exchange rates in effect on the dates of the related transactions. Differences arising due to exchange fluctuations have been reflected in the profit and loss account.

The most significant exchange rates are US\$/Euro, and US\$/Sterling. At 30 September 2014, the closing exchange rates were as follows:

Closing exchange rate

US\$ / Sterling 1.6582 US\$ / Euro 1.2632

Pensions

The Company operated a defined benefit scheme for its employees.

Full actuarial valuations of the main defined benefit schemes are carried out periodically by qualified independent actuaries. The post-retirement benefit deficit is included on the Company's balance sheet. The current service cost and any past service costs are included in the profit and loss account within administration expenses and the expected return on the schemes' assets is included within interest receivable and similar income. Actuarial gains and losses, including differences between the expected and actual return on scheme assets, are recognised in the statement of total recognised gains and losses.

Other operating income

Other income including refunds not directly associated with the former operating activities are recognised upon receipt.

2. Segmental analysis

At 30 September 2014 the Company had no revenues from the former business and no significant revenue-earning assets or goodwill.

3. Profit/(loss) on ordinary activities before taxation

In the years ended 30 September 2014 and 30 September 2013, the auditors' remuneration was as follows:

	Year ended 30 September 2014 US\$'000	Year ended 30 September 2013 US\$'000
Fees for the audit of the Company	31	41

Non-audit fees paid to the Company's auditors, PricewaterhouseCoopers LLP, and its associates for services other than the statutory audit of the Company amounted to US\$ 16,000.

4. Employee costs

	Year ended	Year ended
	September	30 September
	2014	2013
	US\$'000	US\$'000
Other pension costs	352	1,845

There were no employees of the Company in the years ending 30 September 2014 and 2013.

5. Directors' remuneration

The remuneration of the Directors was paid by another group company, which makes no recharge to the Company, and the Directors received no remuneration for their services as Directors of the Company. These Directors are also Directors of a number of companies within the group and it is therefore not possible to make an apportionment of their remuneration in respect of the Company and each of the group companies for which they are a Director.

(iii) Factors affecting the future tax charge

At the balance sheet date, the Finance Act 2014 had been enacted confirming that the main UK corporation tax rate will reduce to 21% with effect from 1 April 2014 and 20% from 1 April 2015. These reductions may also reduce the company's future current tax charges accordingly.

There are no unrecognized deferred tax assets or unprovided deferred tax liabilities at the current or prior year end.

9. Investments

	Investments in subsidiary undertakings US\$'000
Cost and net book value	
Canada Maritime Services Limited	1,005

	Other creditors	3,884	4,504
	Accruals and deferred income	5,305	5,988
	•	38,949	53,552

The amounts owed to fellow subsidiary undertakings and group undertakings are unsecured, interest free and repayable on demand, except the amounts due to ultimate parent company which bears interest at libor.

The accruals and deferred income comprise the following items:

		30 September 2014 US\$'000	30 September 2013 US\$'000
	Insurance provision	3,117	3,789
	Other	2,188	2,209

	100 (2013: 100) 'A' ordinary shares of US\$1 each	<u>US\$100</u>	US\$100

The 100 "A" ordinary shares rank pari passu in all respects as one class of shares with the existing ordinary share capital of Company.

13. Reserves

	Share premium account US\$'000	Merger reserve US\$'000	Other reserve US\$'000	Profit & loss account US\$'000
Balance at 1 October 2013 Retained loss for the financial year	159,482 -	(35,000)	34,935	(131,695)
Balance at 30 September 2014	159,482	(35,000)	34,935	(133,042)

The merger reserve arose due to the UK GAAP differences between the book values of the net assets of ANZDL Limited, Canada Maritime Services Limited and Cast Group Services Limited which were accounted for under Canadian GAAP prior to the Group reorganisation in 2001. The other reserve represents capital contributions from the immediate parent company Contship Holdings Limited in 1998.

14. Reconciliation of movements in shareholders' funds

	Year ended 30 September 2014 US\$'000	Year ended 30 September 2013 US\$'000

Actuarial loss on pension scheme (Note 15)	(1,832)	(2,881)
Closing shareholders' funds	27,375	28,722

All shareholders' funds relate to equity interests.

15. Pension Commitments

When the Company traded it operated defined benefit and defined contribution schemes in the United Kingdom. The assets of all schemes are held separately from those of the relevant group company. An actuarial valuation of the Contship Containerlines Limited 1979 Defined Benefit Pension Scheme, using the projected unit basis, was carried out at 30 September 2014 by Barnett Waddingham LLP, independent consulting actuaries.

The main financial assumptions used by the actuary were:
