SILVER SKI HOLIDAYS LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 30 APRIL 2003

The directors present their report and the financial statements for the year ended 30 April 2003.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and group and of the profit or loss of the company and group for that period. In preparing those financial statements the directors are required to:-

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and group and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Results and dividends

The profit for the year after taxation, amounted to £2,656, (2002 - £3,680).

Principal activities and review of business

The group's principal activity during the period was tour operators specialising in package ski holidays in the French Alps. Subsidiary companies own property in France which is used for the purposes of the group's business.

The group had another successful year of trading.

SILVER SKI HOLIDAYS LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 30 APRIL 2003

Directors

The directors who served during the year and their beneficial interests in the company's issued share capital were:

	<u>Shares of £Nil each</u>		<u>Ordinary shares of £1 each</u>	
	<u>2003</u>	<u>2002</u>	<u>2003</u>	<u>2002</u>
B Sill	-	-	10,000	10,000
L Silver	-	-	40,000	40,000

Euros

The company has many years of experience in dealing with foreign currency fluctuations given the business operations which are undertaken in France and consider that monetary union will not have any adverse cost implications for the company. Full monetary union including Great Britain would be beneficial.

Auditor

The auditor, N Tree FCA Chartered Accountant and Registered Auditor, will be proposed for reappointment in accordance with section 385 of the Companies Act 1985.

This report was approved by the board on 1 July 2003 and signed on its behalf.

SILVER SKI HOLIDAYS LIMITED

AUDITORS' REPORT TO THE SHAREHOLDERS OF SILVER SKI HOLIDAYS LIMITED

I have audited the financial statements on pages 4 to 19 which have been prepared under the historical cost convention and the accounting policies set out on page 9

Respective responsibilities of directors and auditors

As described on page 1 the company's directors are responsible for the preparation of financial statements. It is my responsibility to form an independent opinion, based on my audit, on those statements and to report my opinion to you.

Basis of opinion

I conducted my audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I have also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In my opinion the financial statements give a true and fair view of the state of the company's affairs at 30 April 2003 and of the profit and cash flows of the group for the year then ended, and have been properly prepared in accordance with the Companies Act 1985.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. My audit work has been undertaken so that I might state to the company's members those matters I am required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's members as a body, for my audit work, for this report, or for the opinions that I have formed.

SILVER SKI HOLIDAYS LIMITED

NOTES TO THE FINANCIAL STATEMENTS for the year ended 30 April 2003

1. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable accounting standards in the United Kingdom.

1.1 Basis of accounting

The financial statements have been prepared under the historical cost convention as modified by the revaluation of freehold land and buildings and include the results of the company's operations which are described in the Directors' Report and all of which are continuing.

1.2 Basis of Consolidation

The group financial statements consolidate the financial statements of Silver Ski Holidays Limited and all its subsidiary undertakings drawn up to the 30 April 2003. Intra-group transactions are eliminated on consolidation and all figures relate to external transactions only. Foreign taxes borne by overseas subsidiaries are reported by financial year to the 31 December preceding the financial year end.

1.3 Turnover

Turnover comprises the invoiced value of goods and services supplied by the group, exclusive of Value Added Tax and trade discounts.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold buildings	-	Nil%	
Leasehold buildings	-	1%	based on lease term
Plant and machinery	-	25%	reducing balance
Motor vehicles	-	25%	reducing balance
Fixtures and fittings	-	25%	reducing balance
Leasehold improvements	-	10%	reducing balance

All the freehold properties owned by the group are holiday chalet properties situated in the French Alps, used in the tour operator business. All the freehold properties owned by the group were independently valued in 2003 by 'Immobilière Courcheval'. All valuations are on an open market existing use basis and the directors consider that the valuations reflect the current values. Freehold properties are let on annual operating leases to Silver Ski Holidays Limited. No depreciation is provided on the freehold land and buildings owned by the Group, as it is the group's policy to maintain its properties in such condition that the

SILVER SKI HOLIDAYS LIMITED

NOTES TO THE FINANCIAL STATEMENTS for the year ended 30 April 2003

value to the business of the property as a whole is not impaired by the passage of time. As a consequence, any element of depreciation would, in the opinion of the directors, be immaterial. The maintenance costs are charged to the profit and loss account in the year incurrent. This accounting treatment, which is a departure from the statutory requirement is, in the opinion of the directors, necessary to provide a true and fair view.

1.5 Goodwill

Goodwill arising on consolidation is written off to profit and loss account on acquisition.

1.6 Leasing and hire purchase

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Assets acquired by hire purchase are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

1.7 Operating leases

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to profit and loss account as incurred.

1.8 Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rates of exchange ruling on the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

1.9 Deferred taxation

Provision is made for taxation deferred as a result of material timing differences between the incidence of income and expenditure for taxation and accounts purposes, using the liability method, only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the near future.

If provision had been made for deferred taxation on the basis of the full potential liability, the taxation charge would have been increased by £Nil (2002 - £Nil). No deferred tax is provided on the difference between the revalued book value of freehold properties and original book cost because there is a reasonable probability that no liability will crystallise in the near future. A contingent liability in respect of deferred tax not provided, assuming no rollover reliefs or other tax deferrals would exist in the amounts as follows £Nil (2002 - £Nil) as follows:-
