### Statement of accounting policies

The financial accounts on pages 5 to 10 have been prepared under the historic cost convention and in accordance with applicable accounting standards. A summary of the more important accounting policies which have been applied consistently are set out below.

#### Turnover

Turnover represents the invoiced value of sales and other services provided to third parties exclusive of value added tax.

#### **Taxation**

The charge for taxation is based upon the loss for the year and takes into account deferred taxation on timing differences to the extent that a liability is expected to arise in the foreseeable future.

#### Pension costs

Pension costs are charged to the profit and loss account in the year in which they are incurred.
