Westminster Health Care New Limited

Directors' Report for the Year Ended 31 December 2018

The Directors present their report and the financial statements for the year ended 31 December 2018.

Principal activity

The principal activity of Westminster Health Care New Limited (the "Company") is the sale of sheltered housing to the frail and elderly on long leases. The Company refers to the assets on long leases as Close Care Units (CCU). Care and property services are provided by other companies within the Grove group ("Group").

Fair review of the business

The results for the year are set out in the profit and loss account on page 6. The Directors are satisfied with the Company's result.

The Company operates under the Barchester group brand. Barchester commands a leading position in the UK long term care sector. The business provides in excess of 12,000 registered beds, spread across its portfolio of over 200 high quality services (including nursing homes and domiciliary care) and 6 hospitals with a national footprint across the UK, the largest proportion located within London and the South East and the remainder evenly spread through the UK. Barchester has a significant number of private pay residents.

The key performance measures that the Board use to monitor Barchester's progress against its objectives are:

- Quality of care, the health and well-being of our residents;
- Occupancy levels;
- Fee levels;
- EBITDA and EBITDA per bed;
- Margin; and
- Staff agency and cost.

Barchester's strategy is one of continued growth through extension of existing facilities, acquisitions of nursing homes of a suitable quality, and development of newly built care homes. Barchester is especially focussed on the private pay market.

Directors of the Company

The Directors who held office during the year were as follows:

Pete Calveley

Mark Hazlewood

Michael O'Reilly - Company secretary and Director

Dividends

The Directors recommend no final dividend payment be made in respect of the financial year ended 31 December 2018 (2017: nil).

Going concern

The Directors have reasonable expectation that the Group and Company have adequate resources to continue in operation for the foreseeable future. The Directors therefore believe that it is appropriate to prepare the financial statements on a going concern basis. Further details are in note 2 to the financial statements.

Disclosure of information to the auditor

Each Director has taken steps that they ought to have taken as a Director in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information. The Directors confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

Westminster Health Care New Limited

Statement of Directors' Responsibilities in respect of the Directors' Report and the Financial Statements

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and the Republic of Ireland*.

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Westminster Health Care New Limited

Independent Auditor's Report to the Members of Westminster Health Care New Limited

Opinion

We have audited the financial statements of Westminster Health Care New Limited (the 'Company') for the year ended 31 December 2018, which comprise the Profit and Loss Account, Statement of Comprehensive Income, Balance Sheet, the Statement of Changes in Equity and related notes, including the accounting policies in note 2. These financial statements have not been prepared on the going concern basis as explained in note 2.

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

The impact of uncertainties due to the UK exiting the European Union on our audit

Uncertainties related to the effects of Brexit are relevant to understanding our audit of the financial statements. All audits assess and challenge the reasonableness of estimates made by the directors and the appropriateness of the going concern basis of preparation of the financial statements. All of these depend on assessments of the future economic environment and the company's future prospects and performance.

Brexit is one of the most significant economic events for the UK, and at the date of this report its effects are subject to unprecedented levels of uncertainty of outcomes, with the full range of possible effects unknown. We applied a standardised firm-wide approach in response to that uncertainty when assessing the company's future prospects and performance. However, no audit should be expected to predict the unknowable factors or all possible future implications for a company and this is particularly the case in relation to Brexit.

Westminster Health Care New Limited

Independent Auditor's Report to the Members of Westminster Health Care New Limited (continued)

Going concern

The Directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the Directors' conclusions, we considered the inherent risks to the Company's business model, including the impact of Brexit, and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the Company will continue in operation.

Directors' report

The Directors are responsible for the Directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the Directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the Directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

Westminster Health Care New Limited

Independent Auditor's Report to the Members of Westminster Health Care New Limited (continued)

Directors' responsibilities

As explained more fully in their statement set out on page 3, the Directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Westminster Health Care New Limited

Notes to the Financial Statements for the Year Ended 31 December 2018

1 General information

The Company is a private company limited by share capital, incorporated in England and Wales.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements were prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. The functional and presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £'000.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

There were no judgements or material estimation uncertainties affecting the reported financial performance in the current or prior period.

Summary of disclosure exemptions

As the Company is a wholly owned subsidiary of Grove Limited the Company has taken advantage of the disclosure exemptions contained in FRS 102 Section 1.12. By virtue of FRS 102 Section 33.1A the Company has not disclosed transactions or balances with wholly owned entities which form part of the Group.

Name of parent of group

These financial statements are consolidated in the financial statements of Grove Limited.

The financial statements of Grove Limited may be obtained from www.jersey.fsc.org.

Going concern

The financial statements have been prepared on a going concern basis. The Company has the long-term support of the ultimate parent company, Grove Limited. The Directors have no reason to believe that this support will not continue for a period of at least 12 months from the date of approval of these financial statements, and therefore consider it appropriate to prepare the financial statements on a going concern basis.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods in the ordinary course of the Company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts.

The Company recognises revenue when:

The amount of revenue can be reliably measured;

it is probable that future economic benefits will flow to the entity;

and specific criteria have been met for each of the Company's activities.

Westminster Health Care New Limited

Notes to the Financial Statements for the Year Ended 31 December 2018 (continued)

3 Directors' remuneration

The Company had no employees other than Directors (2017: Nil). The Directors received remuneration for services to Barchester Healthcare Limited of which Westminster Health Care New Limited is a subsidiary undertaking, however the proportion attributable to their services to Westminster Health Care New Limited is not separately identifiable.

4 Auditor's remuneration

The remuneration of the auditor in the current year was borne by another Group Company. The estimate of this for the current year is £1,000 (2017: £1,000).

5 Taxation

The tax charge for the year is £Nil (2017: £Nil).

The tax on profit before tax for the year is lower than the standard rate of corporation tax in the UK (2017 - lower than the standard rate of corporation tax in the UK) of 19% (2017 - 19.25%).

The differences are reconciled below:

	2018 £ 000	2017 £ 000
Profit before tax	7	91
Corporation tax at standard rate	1	18
Tax decrease arising from group relief	(2)	-
Tax increase/(decrease) from transfer pricing adjustments	1	(18)
Total tax charge/(credit)	-	-

A reduction in the UK corporation tax rate from 19% to 17% (effective 1 April 2020) was substantively enacted on 6 September 2016. This will reduce the Company's future current tax charge accordingly.

6 Debtors

	2018 £ 000	2017 £ 000
Amounts owed by related parties	5	91

Amounts due from related parties stated above are legally due on demand and are thus recoverable within one year. It is not expected that a demand for these amounts will be made within the next year.
