3.7 **Conversion of floating charge to a fixed charge**

The Lender may at any time by notice in writing to any Chargor convert the floating charge created under clause 3.5 into a fixed charge as regards any Floating Charge Asset as it shall specify in the notice if:

4.2 No prejudice

The Security Interests created by or pursuant to this Deed shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to any Chargor or any other person, by the Lender or any of the other Lender or by any variation of the terms of the trust upon which the Lender holds the Security Interests or by any other thing which might otherwise prejudice that Security Interest.

4.3 Cumulative rights

- (a) The Security Interests constituted by this Deed shall be cumulative, in addition to and independent of any other Security Interest which the Lender may hold at any time for the Secured Liabilities (or any of them) or any other obligations or any rights, powers and remedies provided by law and shall operate as an independent security notwithstanding any receipt, release or discharge endorsed on or given in respect of or under any such other Security Interests.
- (b) No prior Security Interest held by the Lender or any of the other Lender over the whole or any part of the Charged Property shall merge into the Security Interest constituted by this Deed.

4.4 Waiver of defences

The obligations of, and the Security Interest created by, each Chargor under this Deed will not be affected by an act, omission, matter or thing which, but for this clause 4.4, would reduce, release or prejudice any of its obligations under this Deed (without limitation and whether or not known to it or the Lender) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any Obligor;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;

- (e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

4.5 **Chargor intent**

Without prejudice to the generality of clause 4.4, each Chargor expressly confirms that it intends that the Security Interests created under the Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents or other documents evidencing the Secured Liabilities and/or any facility or amount made available under any of the Finance Documents or other documents evidencing the Secured Liabilities for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

4.6 **Immediate recourse**

Each Chargor waives any right it may have of first requiring the Lender, any Receiver or Representative (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Chargor under this Deed. This waiver applies irrespective of any law or any provision of a Finance Document or other document evidencing the Secured Liabilities to the contrary.

4.7 **Deferral of rights**

Until the end of the Security Period, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under this Deed:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under this Deed;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Lender under this Deed or of any other guarantee or Security Interest taken pursuant to, or in connection with, this Deed by the Lender;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under any Finance Document or any other document evidencing the Secured Liabilities;
- (e) to exercise any right of set-off against any Obligor; and/or

- (f) to claim or prove as a creditor of any Obligor in competition with the Lender.

If any Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Lender, any Receiver or Representative by the Obligors under or in connection with this Deed to be repaid in full on trust for the Lender and shall promptly pay or transfer the same to the Lender or as the Lender may direct for application in accordance with clause 18 (Application of monies).

 - (d) how any monies paid to the Lender or to the Receiver shall be applied; or
 - (e) the status, propriety or validity of the acts of the Receiver or Lender.
- 21.2 The receipt of the Lender or any Receiver shall be an absolute and a conclusive discharge to a purchaser and shall relieve that purchaser of any obligation to see to the application of any monies paid to or by the direction of the Lender or any Receiver.
- 21.3 In clauses 21.1 and 21.2, **purchaser** includes any person acquiring, for money or monies worth, any lease of, or Security Interests over, or any other interest or right whatsoever in relation to, the Charged Property or any of them.

22 Settlements conditional

- 22.1 If the Lender (acting reasonably) believes that any amount paid by a Chargor or any other person in respect of the Secured Liabilities is capable of being avoided or set aside for any reason, then for the purposes of this Deed, such amount shall not be considered to have been paid.
- 22.2 Any settlement, discharge or release between a Chargor and the Lender, any Receiver or Representative shall be conditional upon no Security Interest or payment to or for the Lender, any Receiver or Representative by that Chargor or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any law relating to bankruptcy, insolvency or liquidation or otherwise.

23 Subsequent Security

- 23.1 If any subsequent charge or other interest affects any Charged Property, the Lender, any Receiver or Representative may open a new account with the Chargor.
- 23.2 If the Lender, any Receiver or Representative does not open a new account, it will nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of that charge or other interest.
- 23.3 As from that time all payments made to the Lender, any Receiver or Representative will be credited or to be treated as having been credited to the new account and will not operate to reduce any Secured Liabilities.

24 Set-off

The Lender may set off any matured obligation due from a Chargor under the Finance Documents or any other document evidencing the Secured Liabilities (to the extent beneficially owned by the Lender) against any matured obligation owed by the Lender to that Chargor,

regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Lender may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

25 Notices

Any communication under this Deed or any other Security Interest or Finance Document created by or under this Deed, shall be made and given in accordance with the terms of clause 28 (Notices) of the Facility Agreement.

26 Invalidity

Clause 30 (Partial invalidity) of the Facility Agreement shall apply to this Deed as if set out here in full but so that references to the Finance Documents shall be construed as references to this Deed and any Security Interest created by or under it.

27 Assignment

27.1 The Lender may assign or otherwise transfer all or any part of its rights under this Deed or any Security Interest created by or under it in accordance with the terms of the Finance Documents or any other document evidencing the Secured Liabilities.

27.2 No Chargor may assign or otherwise transfer any of its rights and obligations under this Deed.

28 Releases

Upon the expiry of the Security Period, the Lender shall, at the request and cost of the Chargors, take whatever action is necessary to release and reassign to each relevant Chargor:

- (a) its rights arising under this Deed; and
- (b) the Charged Property from the Security Interest created by and under this Deed.

29 Currency clauses

29.1 Clause 26.6 (Currency of account) of the Facility Agreement shall apply to this Deed as if set out here in full but so that references to the Finance Documents shall be construed as references to this Deed and any Security Interest created by or under it and references to the Obligors shall be construed as references to the Chargors.

29.2 If a payment is made to the Lender under this Deed in a currency (**Payment Currency**) other than the currency in which it is expressed to be payable (**Contractual Currency**), the Lender may convert that payment into the Contractual Currency at the market rate of exchange and to the extent that the converted amount of the payment falls short of the amount due and payable the Chargors will remain liable for such shortfall.

30 Certificates and determinations

Clause 29.1 (Accounts and certificates) of the Facility Agreement shall apply to this Deed as if set out here in full but so that references to the Finance Documents shall be construed as references to this Deed and any Security Interest created by or under it.

31 Counterparts

This Deed or any Finance Document entered into under or in connection with this Deed may be executed in any number of counterparts and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed of any Finance Document.

32 Governing law

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

33 Enforcement**33.1 Jurisdiction of English courts**

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (**Dispute**).
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This clause 33 is for the benefit of the Lender. As a result, the Lender shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Lender may take concurrent proceedings in any number of jurisdictions.

This Deed has been signed on behalf of the Lender and executed as a deed by each Chargor and is delivered on the date given at the beginning of this Deed. It is intended by the parties to this Deed that this Deed will take effect as a deed notwithstanding that the Lender may only execute it under hand.
