DIRECTORS' REPORT

for the year ended 31 December 2006

The directors present their annual report and accounts for the year ended 31 December 2006

PRINCIPAL ACTIVITY

Since 1 January 1997, Housebuilder Media Limited has published "Housebuilder" under licence from Home Builders Federation Limited. "Housebuilder" is the official journal of the Home Builders Federation and New Homes Marketing Board in association with the National House Building Council.

BUSINESS REVIEW

The core element of the business, "Housebuilder" magazine, which is published 11 times a year with additional supplements showed a good trading performance in its principal revenue streams of display and classified advertising.

The new event management section of the business performed well in its inaugural year and the Housebuilding 2006 exhibition recovered from the poorer performance of the Housebuilding 2005 exhibition. The Housebuilding Innovation Awards did not achieve the profitability of the 2005 event. A new date and venue are proposed for the 2007 event to improve profitability.

Overall the strength of the core magazine has been maintained and the programme of diversification into other market sectors has continued successfully.

The company made a pre-tax profit of £210,282 in the year which included the release of a provision of £100,000 for the settlement of pension debt as detailed below. The directors are proposing that no dividend be declared for the year.

In the accounts to 31 December 2005 the company made a provision of £600,000 which represented the estimate at that time by the directors of the company of the statutory debt due by the company to the final salary pension scheme at the date of notification of intention to withdraw. In conjunction with the company's ultimate parent a settlement has now been reached with the trustees of the CC scheme which reduces the company's share of the combined settlement to £500,000. The balance of £100,000 has been released through the profit and loss account in the current year.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- a) select suitable accounting policies and then apply these consistently
- b) make judgements and estimates that are reasonable and prudent
- c) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the requirements of the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
