POST BALANCE SHEET EVENTS

On 28 August 2012, the group renewed and amended the £400m (£378m drawn) syndicated loan facility which was in place at the year end and which was due to expire in November 2012. The new facility of £245m (£240m drawn) expires on 28 August 2015. In addition, on 28 August 2012, the group and the company renewed and amended the £288.5m (£288.5m drawn) securitisation facility and its associated liquidity lines which were in place at the year end and which were due to expire in November 2012. The new facility and its associated liquidity lines of £395.5m (£395.5m drawn) expire on 31 July 2015. The net reduction in the total loan facilities available to the group has been financed through cash reserves.

STATEMENT OF GOING CONCERN

As set out in the Directors' Responsibilities Statement, in preparing these financial statements the directors are required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors of the company have considered the group's forecast funding and liquidity positions and applied reasonable sensitivities thereon in order to confirm that the preparation of the company's financial statements on a going concern basis is appropriate.

The company is part of the group headed by Jerrold Holdings Limited. The company provides other companies in the group with funding. The Board of Jerrold Holdings Limited has confirmed that it is a going concern and that it will be able to repay this funding to the company.

On 28 August 2012, the group renewed and amended the £400m (£378m drawn) syndicated loan facility which was in place at the year end and which was due to expire in November 2012. The new facility of £245m (£240m drawn) expires on 28 August 2015. In addition, on 28 August 2012, the group and the company renewed and amended the £288.5m (£288.5m drawn) securitisation facility and its associated liquidity lines which was in place at the year end and which was due to expire in November 2012. The new facility and its associated liquidity lines of £395.5m (£395.5m drawn) expire on 31 July 2015.

The group syndicated loan facility is made between The Royal Bank of Scotland plc, Lloyds TSB Bank plc, National Australia Bank Limited and Co-operative Bank plc (as Mandated Lead arrangers), The Royal Bank of Scotland plc, as Agent and Security Agent, and all of the trading, non trading and dormant group subsidiary companies as listed in the notes of the accounts of Jerrold Holdings Limited.

DIRECTORS' REPORT (continued)

STATEMENT OF GOING CONCERN (continued)

The securitisation facility is made between Charles Street Conduit Asset Backed Securitisation 1 Limited, as Loan Purchaser and Note Issuer, The Royal Bank of Scotland plc as Facility Agent, Liquidity Facility provider, Standby Cash Administrator and Security Trustee, Blemain Finance Limited, Bridging Finance Limited, Cheshire Mortgage Corporation Limited, Harpmanor Limited, Lancashire Mortgage Corporation Limited and Auction Finance Limited as Originators, Servicers and Subscription Noteholders, Jerrold Holdings Limited as Cash Administrator and Guarantor, National Westminster Bank plc as Account Bank, Thames Asset Global Securitization No 1 INC, National Australia Bank Limited and Gresham Receivables (No 20) Limited as Loan Note Purchasers, and Lloyds TSB Bank Plc as Gresham's Agent

The company has liabilities due within one year greater than assets due within one year due to Amounts Owed by group undertakings being classified as due after one year. The parent company, Jerrold Holdings Limited, has confirmed that it will continue to support the day to day funding requirements of the company for a period of 12 months following the date of signing the directors report.

On the basis that the group and company have adequate funding as detailed above, together with the financial position of the company, the directors have a reasonable expectation that, despite the continued economic conditions, the group will have sufficient funding and liquidity facilities to ensure that it will continue in operational existence for the foreseeable future. Accordingly the directors of the company have adopted the going concern basis in preparing financial statements.

The directors of the company are set out on page 1. All directors served throughout the year and subsequently, except as noted on page 1.

DIRECTORS INDEMNITIES

The company has made qualifying third party indemnity provisions for the benefit of its directors which were made during the year and remain in force at the date of this report.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MONARCH RECOVERIES LIMITED

We have audited the financial statements of Monarch Recoveries Limited for the year ended 30 June 2012 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet and the related notes 1 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 June 2012 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report.

NOTES TO THE FINANCIAL STATEMENTS

Year ended 30 June 2012

1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable law and United Kingdom accounting standards. The particular accounting policies adopted are described below. They have been applied consistently throughout the current year and prior year.

Accounting convention

The company prepares its accounts under the historic cost convention and on the going concern basis. The directors continue to adopt the going concern basis as disclosed in the Directors' Report - Statement of Going Concern.

As permitted by FRS 1 (Revised 1996) "Cash flow statements", the company has not produced a cash flow statement, as it is a wholly owned subsidiary undertaking of Jerrold Holdings Ltd which has produced consolidated financial statements that are publicly available.

Investments

Investments are stated at the lower of cost and estimated net realisable value.

Taxation

UK corporation tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax is not recognised when fixed assets are revalued unless by the balance sheet date there is a binding agreement to sell the revalued assets and the gain or loss expected to arise on sale has been recognised in the financial statements. Neither is deferred tax recognised when fixed assets are sold and it is more likely than not that the taxable gain will be rolled over, being charged to tax only if and when the replacement assets are sold.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

2. STAFF COSTS

The company had no employees and paid no directors' emoluments during either year.

Directors' emoluments are borne by a fellow subsidiary company of Jerrold Holdings Limited, Blemain Finance Limited.
