- (a) By executing the Senior Accession Letter thereby acceding to the Senior Facilities Agreement, the Subco irrevocably and unconditionally jointly and severally undertakes:
- (i) to guarantee to each Finance Party punctual performance by each other Obligor of all of that Obligor's obligations under the Finance Documents;
 - (ii) with each Finance Party that whenever an Obligor does not pay any amount when due under or in connection with any Finance Document, the Subco shall immediately on demand pay that amount as if it was the principal obligor;
 - (iii) to indemnify each Finance Party immediately on demand against any cost, loss or liability suffered by that Finance Party if any obligation guaranteed by the Subco is or becomes unenforceable, invalid or illegal. The amount of the cost, loss or liability shall be equal to the amount which that Finance Party would otherwise have been entitled to recover.

Defined terms used in this paragraph (a) and not defined in Appendix 1 have the meaning given to them in the Senior Facilities Agreement.

- (b) By executing the Subordinated Accession Letter and thereby acceding to the Subordinated Facility Agreement, the Company irrevocably and unconditionally jointly and severally undertakes:
- (i) to guarantee to each Finance Party punctual performance by each other Obligor of all of that Obligor's obligations under the Finance Documents;
 - (ii) with each Finance Party that whenever an Obligor does not pay any amount when due under or in connection with any Finance Document, the Subco shall immediately on demand pay that amount as if it was the principal obligor;
 - (iii) to indemnify each Finance Party immediately on demand against any cost, loss or liability suffered by that Finance Party if any obligation guaranteed by the Subco is or becomes unenforceable, invalid or illegal. The amount of the cost, loss or liability shall be equal to the amount which that Finance Party would otherwise have been entitled to recover.

Defined terms used in this paragraph (b) and not defined in Appendix 1 have the meaning given to them in the Subordinated Facility Agreement.

- (c) By acceding to the Intercreditor Agreement the Subco covenants to pay the amounts owing under the Finance Documents and agrees to the order of ranking and priority for the repayment of the Liabilities and subordination of the Intra-Group Liabilities. In particular the Subco as an Obligor indemnifies each Hedging Counterparty in respect of payment in full of the Hedging Liabilities.

Defined terms used in this paragraph (c) and not defined in Appendix 1 have the meaning given to them in the Intercreditor Agreement.

- (d) By entering into the Debenture in favour of The Royal Bank of Scotland plc as Security Trustee the Subco (amongst other things):
- (i) as Obligor covenants with the Security Trustee that it will on demand pay the Secured Obligations which are due and unpaid;
 - (ii) as beneficial owner and with full title guarantee charges in favour of the Security Trustee some or all of its assets and undertakings including, *inter alia*, Real Property, Tangible Movable Property, Intellectual Property, Investments and Related Rights, Monetary Claims and goodwill, by way of fixed and/or floating charges and/or assignment by way of security for the payment, discharge and performance of such outstandings;

The Debenture also contains a further assurances provision and also a negative pledge under which the Subco undertakes not to create or allow to subsist any security over all or any part of the Charged Property other than that permitted pursuant to the Finance Documents. The Debenture shall remain in full force and effect notwithstanding any amendments, variations or novations from time to time of the Finance Documents or any assignment, transfer or novation of the rights and obligations of the Security Trustee or any Creditor.

Secured Obligations means all Liabilities owed to the Secured Parties including any liability in respect of any further advances made under the Finance Documents, whether present or future, actual or contingent (and whether incurred solely or jointly and whether as principal or as surety or in some other capacity) and the Subco shall pay to the Security Trustee when due and payable every sum at any time owing, due or incurred by the Subco to the Security Trustee (whether for its own account or as trustee for the Secured Parties) or any of the other Secured Parties in respect of any such liabilities provided that neither such covenant nor the security constituted by the Debenture or any Mortgage shall extend to or include any liability or sum which would, but for this proviso, cause such covenant or security to be unlawful or prohibited by any applicable law.

Defined terms used in the above paragraph have the meaning given to them in the Debenture or if not defined therein the meaning given to them in the Intercreditor Agreement.

- (e) By signing the Group Support Letter the Subco agrees to support each other relevant group company to enable each such group company to meet their obligations under the Finance Documents.
- (f) By executing the Intra-Group Loan Agreement BAA Limited and certain other group companies including the Subco agree to lend monies to BAA Limited and Airport Development and Investment Limited to allow them to fulfil their obligations under the Finance Documents.

The Subco's obligations as described above continue in relation to the Finance Documents (as defined in the Intercreditor Agreement) and Whitewash Agreements as they may be amended, modified, varied or restated from time to time.
