STRATEGIC REPORT FOR THE YEAR ENDED 31 DECEMBER 2017

The directors, in preparing this Strategic Report, have complied with section 414C of the Companies Act 2006.

This Strategic Report has been prepared for the company and not for the group of which it is a member and therefore focuses only on matters which are significant to the company.

BUSINESS MODEL

The principal activity of the company continues to be property development for the purposes of sale either to fellow subsidiary undertakings or external to the group.

BUSINESS REVIEW

As shown in the company's profit and loss account, the company's profit after tax for the year was £69,948,554 (2016 - £76,917,061).

The balance sheet shows the company's financial position at the year end and indicates that net assets were £1,171,652,358 (2016 - £1,101,703,804).

PRINCIPAL RISKS AND UNCERTAINTIES

The risks and uncertainties facing the business are monitored through continuous assessment, regular formal quarterly reviews and discussion at the Canary Wharf Group Investment Holdings plc audit committee and board. Such discussion focuses on the risks identified as part of the system of internal control which highlights key risks faced by the company and allocates specific day to day monitoring and control responsibilities to management. As a member of the group, the current key risks of the company include the cyclical nature of the property market, concentration risk and financing risk.

Cyclical nature of the property market

The valuation of the Group's assets is subject to many external economic and market factors. Following the turmoil in the financial markets and uncertainty in the Eurozone experienced in recent years, the London real estate market has had to cope with fluctuations in demand. The market has, however, been assisted by the depreciation of sterling since the EU referendum and the continuing presence of overseas investors attracted by the relative transparency of the real estate market in London which is viewed as both stable and secure. The market has also been underpinned by continuing demand for sites capable of incorporating residential development. Recent Government announcements in particular the changes to stamp duty on the residential property market have, however, contributed to a slowing of residential land prices. The full implications of the EU referendum held in June 2016 are also not yet clear. In the meantime, there is likely to be uncertainty which will be unhelpful to confidence across the whole real estate sector.

Changes in financial and property markets are kept under constant review so that the Group can react appropriately and tailor the business plans of the Group accordingly.

Financing risk

The broader economic cycle inevitably leads to movements in inflation, interest rates and bond yields. The company finances its operations largely through surplus cash and intercompany finance.

Concentration risk

The majority of the group's real estate assets are currently located on or adjacent to the Canary Wharf Estate with a majority of tenants linked to the financial services industry. Wherever possible steps are taken to mitigate or avoid material consequences arising from this concentration and to diversify the tenant base.

The principal risks facing the Canary Wharf Group are discussed in the Annual Report of Canary Wharf Group plc, which does not form part of this report.

STRATEGIC REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2017

KEY PERFORMANCE INDICATORS

The Canary Wharf Group (comprising Canary Wharf Group plc and its subsidiaries) manages its operations on a unified basis. For this reason, the company's directors believe that key performance indicators specific to the company are not necessary or appropriate for an understanding of the development, performance or position of its business. The performance of the Canary Wharf Group, which includes the company, is discussed in the Annual Report of Canary Wharf Group plc, which does not form part of this report.

CORPORATE & SOCIAL RESPONSIBILITY

The Canary Wharf Group board retains overall responsibility for the monitoring and implementation of the group's environmental policy and is assisted by the group's Corporate Responsibility Group which comprises senior executives of the group. A clear governance process has been developed and implemented to enable the Corporate Responsibility Group, and ultimately the board, to identify, manage and respond to the environmental and social risks and opportunities that may affect the group's operations.

The Corporate Responsibility Group is responsible for the development and establishment of environmental management systems throughout the group which has been developed to focus attention on those objectives and targets where improvements and actions are necessary to meet the monitoring and reporting process formally adopted by the group. Identified environmental system managers have responsibility for the implementation of the environmental management system throughout their respective business areas. Employee environmental awareness is key to the success of the environmental management systems and as a result is incorporated into the staff induction programme with regular updates via in-house newsletters and presentations.

Sustainability pressures are coming from tenants and occupiers, who understandably seek more sustainable operations. These expectations are met by the group in the design and construction of more sustainable buildings and by improving the environmental performance of existing facilities through effective retrofitting and facilities management.

The group aims to design, build and manage central London's highest quality, best value and most sustainable office, retail and residential buildings and districts. In doing this, the group works with all its stakeholders to create and nurture vibrant, inclusive communities that meet today's economic, environmental and social needs while anticipating those of tomorrow.

As a member of the Canary Wharf Group the company has maintained ISO 14001 accreditation since early 2005 with environmental management being an inherent part of construction since 2002. During 2016, the company did not incur any fines or non monetary sanctions for non compliance with any regulation or legislation related to sustainability issues. The company is a member of the UK Green Building Council and the Better Building Partnership.

The group targets the reduction of energy, water and resource use, and the reuse and the recycling of waste where possible during the design, construction and management of properties. The minimisation of disruption and disturbance to the environment and local community is targeted during the construction and management of buildings. The group is also committed to preventing and monitoring pollution and to reducing any emissions which may have an adverse impact on the environment and/or local community.

The group endeavours to raise awareness and promote effective management of sustainability, environmental and social issues with staff, designers, suppliers and contractors and works with suppliers and contractors to establish effective environmental supply chain management and to promote the procurement of sustainable products and materials.

During 2015 the group submitted the Group Sustainability Report to the GRI which promotes sustainability reporting and also participated in the EPRA Sustainability Benchmarking scheme.

The annual Group Sustainability Report provides details of performance against a range of specified targets and objectives with third party verification. This report, together with additional supporting information and group publications related to this area can be downloaded from the group's website, www.canarywharf.com.

STRATEGIC REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2017

ENVIRONMENT

The company is committed to applying environmental best practice wherever practical in the design, construction and management of the Canary Wharf Estate and to properties situated elsewhere for the benefit of tenants, employees, the community and stakeholders.

The company targets the reduction of energy, water and resource use and the re-use and the recycling of waste where possible during the design, construction and management of properties. The minimisation of disruption and disturbance to the environment and local community is also targeted during the construction and management of buildings. The company is also committed to preventing pollution, monitoring and reducing any emissions which may have an adverse impact on the environment and/or local community. The company endeavours to raise awareness and promote effective management of environmental and social issues with staff, designers, suppliers and contractors.

Information on the Canary Wharf Group's environmental and corporate performance is published annually with third party verification.

This report was approved by the board on 25 June 2018 and signed on its behalf.

R J J Lyons Director

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2017

The directors present their report and the financial statements for the year ended 31 December 2017.

RESULTS AND DIVIDENDS

The profit for the year, after taxation, amounted to £69,948,554 (2016 - £76,917,061).

No dividends have been paid or proposed for the year (2016 - £NIL).

DIRECTORS

The directors who served during the year were:

A P Anderson II Sir George Iacobescu CBE R J J Lyons

The company provides an indemnity to all directors (to the extent permitted by law) in respect of liabilities incurred as a result of their office. The company also has in place liability insurance covering the directors and officers of the company. Both the indemnity and insurance were in force during the year ended 31 December 2017 and at the time of the approval of this Directors' Report. Neither the indemnity nor the insurance provide cover in the event that the director is proven to have acted dishonestly or fraudulently.

EMPLOYMENT POLICIES

The company has adopted the terms of the Code of Practice for the elimination of discrimination, on all grounds, including disability discrimination. To effect this policy the company has implemented a continuing programme of action with the aim of providing an equal opportunity working environment where all employees are treated with respect and dignity. The company continues to keep employees informed of events relevant to their employment via 'all staff' communications and an intranet. A staff consultative committee, at which matters raised by employees are considered by management and staff representatives, has been established and meets every two months. The company's employment policy is regularly reviewed to incorporate changes to legislation and ensure best practice is maintained.

Diversity

The company values the benefits a diverse workforce can bring and embraces diversity as a practical contribution to its business success and in providing the highest standard of customer service to our tenants and to visitors alike.

The company strives to create a working environment which is open, supportive and inclusive at every level and believes that equality of opportunity for all is fundamental to the future of the company. All staff attend diversity training which emphasises the value of appreciating individual differences.

Health and Safety

The company seeks to continually improve and develop its health and safety performance and places the overall wellbeing of its employees, tenants and visitors in the highest regard. The company operates a health and safety management system to the internationally recognised ISO 18001 standard. This ensures that best practice is followed as a minimum threshold.

The company strives for continuous improvement to ensure a safe and healthy environment is maintained and adequate resources are made available for these purposes. The group's accreditation to ISO 18001 is externally verified on an ongoing basis allowing opportunities for continuous improvement to be identified and enacted where feasible. The group's health and safety departments are committed to supporting all employees in understanding their health and safety responsibilities through a system of processes and procedures in order to deliver the safest standards within the built environment.

DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2017

Anti bribery and corruption

The directors continue to demonstrate commitment to the prevention of corruption and understands the importance of maintaining a culture in which it is not acceptable at any level. A mandatory online bribery and corruption awareness training module has been completed by over 90.0% of the work force. The company has adopted a formal anti bribery and corruption policy which requires all directors and employees to behave with integrity and in a manner that ensures the objectives of the policy are achieved. The company has a strict approach to maintaining high standards of finance, business principles and ethics.

Communities

The company's Community, Social and Economic Development strategy aims to maintain and enhance the company's relationship with the community by supporting employment opportunities, skills enhancement, investment in young people and commitment to the local business community while also confirming the company's vision for the future.

Improving the transition from education to employment; securing opportunities for local job seekers; maximising supply chains and community led development is a priority for the company, especially as it diversifies and evolves.

FUTURE DEVELOPMENTS

On 29 March 2018, Stork Holdings Limited, a direct subsidiary of Stork HoldCo L.P., listed its shares on The International Stock Exchange in Jersey and the group headed by Stork Holdings Limited, which includes the company, converted to a REIT. As a consequence of the conversion, it is anticipated that the deferred tax asset will be released.

FINANCIAL INSTRUMENTS

The financial risk management objectives and policies together with the principal risks and uncertainties of the company are contained within the Strategic Report.

DISCLOSURE OF INFORMATION TO AUDITOR

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This report was approved by the board on 25 June 2018 and signed on its behalf.

J R Garwood Secretary

DIRECTORS' RESPONSIBILITIES STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2017

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements and other information included in Directors' Reports may differ from legislation in other jurisdictions.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CANARY WHARF LIMITED

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

OPINION

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of Canary Wharf Limited (the 'company') which comprise:

- the statement of comprehensive income;
- the statement of financial position:
- the statement of changes in equity; and
- the related notes 1 to 24.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may
 cast significant doubt about the company's ability to continue to adopt the going concern basis of
 accounting for a period of at least twelve months from the date when the financial statements are
 authorised for issue.

We have nothing to report in respect of these matters.

OTHER INFORMATION

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CANARY WHARF LIMITED

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

RESPONSIBILITIES OF DIRECTORS

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

USE OF OUR REPORT

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CANARY WHARF LIMITED

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Simon Letts (Senior statutory auditor) For and on behalf of Deloitte LLP

Statutory Auditor

London, United Kingdom

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

1. GENERAL INFORMATION

Canary Wharf Limited is an English Limited Company registered at One Canada Square, Canary Wharf, London, E14 5AB.

The nature of the company's operations and its principal activities are set out in the Strategic Report.

2. ACCOUNTING POLICIES

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value and in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice, including FRS 102 "the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland").

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see Note 3).

The principal accounting policies have been applied consistently throughout the year and the preceding year and are summarised below:

2.2 Going concern

At the year end, the company is in a net asset position. In addition, as a member of the Canary Wharf Group, the company has access to considerable resources.

Having made the requisite enquiries and assessed the resources at the disposal of the company, the directors have a reasonable expectation that the company will have adequate resources to continue its operation for the foreseeable future. Accordingly they continue to adopt the going concern basis in preparing the financial statements.

2.3 Cash flow statement

The company has taken the exemption from preparing the cash flow statement under Section 1.12(b) as it is a member of a group where the parent of the group prepares publicly available consolidated accounts which are intended to give a true and fair view.

2.4 Revenue

Rental income from operating leases is recognised in the Income Statement on a straight-line basis over the term of the lease. Lease incentives granted, including rent free periods, are recognised as an integral part of the net consideration for the use of the property and are therefore also recognised on the same straight line basis. Direct costs incurred in negotiating and arranging new leases are also amortised on the same straight line basis. An adjustment is made to ensure that the carrying value of the related property, including the accrued rent, amortised lease incentives and negotiation costs, does not exceed the external valuation.

Contingent rents, being those lease payments that are not fixed at the inception of a lease, for example turnover rents, are recorded in the periods in which they are earned.

Revenue from property sales is recognised, net of VAT, on completion, when the significant risks and returns pass to the acquirer.

Revenue from construction contracts is recognised in accordance with the accounting policy on construction contracts.

Revenue from the provision of building services is recognised, net of VAT, as it falls due.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

2. ACCOUNTING POLICIES (CONTINUED)

2.5 Investment properties

Investment properties, including land and buildings held for development and investment properties under construction, are measured initially at cost including related transaction costs. The finance costs associated with direct expenditure on properties under construction or undergoing refurbishment are capitalised.

Where a property interest is acquired under a lease the investment property and the associated lease liability are initially recognised at the lower of the fair value and the present value of the minimum lease payments including any initial premium. Lease payments are apportioned between the finance charge and a reduction in the outstanding obligation for future amounts payable. The total finance charge is allocated to accounting periods over the lease term so as to produce a constant periodic charge to the remaining balance of the obligation for each accounting period.

Investment properties are subsequently revalued, at each reporting date, to an amount comprising the fair value of the property interest plus the carrying value of the associated lease liability less any separately identified lease incentive assets. The gain or loss on remeasurement is recognised in the income statement.

2.6 Work in progress

Work in progress is stated at the lower of cost and net realisable value. Cost includes construction costs and development expenditure directly related to the development, including attributable employee and related costs.

Net realisable value is calculated as the amount estimated to be recovered from the development once development work has been completed and the development leased, less costs to complete.

2.7 Tangible fixed assets

Tangible fixed assets, other than investment properties, are depreciated so as to write off the cost in equal annual instalments over the expected useful economic lives of the assets concerned. The principal annual rates used for this purpose are:

Short term leasehold property:

the lease term

Leasehold improvements:

the shorter of the lease term or 4 years

Plant and machinery: Fixture and fittings:

over 4 years over 4 years

Computer equipment:

over 3 years

2.8 Construction contracts

Construction contracts consist of properties that are being constructed in accordance with long term development contracts and for which the detailed design specification of each building is agreed with the purchaser. Where applicable the contracts are split into 3 component parts: sale of land, completed construction works at the date of entering into the contracts; and on-going construction contracts.

Revenue on sale of land and completed construction works is recognised at the point that the significant risks and rewards are transferred to the buyer.

Revenue on construction contracts is recognised according to the stage reached in the contract using the percentage completion method. The percentage of completion is calculated by reference to costs incurred on the building compared with the estimated total costs.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

2. ACCOUNTING POLICIES (CONTINUED)

The resulting balance carried in the statement of financial position comprises costs incurred plus recognised profits less the sum of recognised losses and progress billings. Where the sum of recognised losses and progress billings exceeds costs incurred plus recognised profits, the amount is shown as payments on account.

2.9 Finance lease agreements: lessor

Assets held under finance leases which confer rights and obligations similar to those attached to owned assets are capitalised as tangible fixed assets at the value equal to the present value of minimum lease payments over the term of the lease.

The corresponding leasing commitments are shown as amounts payable to the lessor. Lease payments are apportioned between the finance charge and a reduction in the outstanding obligation for future amounts payable. The total finance charge is allocated to accounting periods over the lease term so as to produce a constant periodic charge to the remaining balance of the obligation for each accounting period.

2.10 Investments

Investments in subsidiaries are stated at cost less any provision for impairment.

Income from investments is recognised as the company becomes entitled to receive payment. Dividend income from investments in companies is recognised when received or irrevocably declared.

2.11 Financial instruments

The directors have taken advantage of the exemption in paragraph 1.12c of FRS 102 allowing the company not to disclose the summary of financial instruments by the categories specified in paragraph 11.41.

Trade and other receivables

Trade and other receivables are recognised initially at fair value. A provision for impairment is established where there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the debtor concerned.

Loans receivable

Loans receivable are recognised initially at the transaction price including transaction costs. Subsequent to initial recognition, loans receivable are stated at amortised cost with any difference between the amount initially recognised and redemption value being recognised in the Income Statement over the period of the loan, using the effective interest method.

Where loans are subject to contractual terms and arrangements that are non-standard they are recognised initially at fair value. The fair value is assessed as the present value of most likely cash flows, subject to the limitations of the underlying terms. Any movements are recognised in the income statement.

Trade and other payables

Trade and other creditors are stated at cost.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

2. ACCOUNTING POLICIES (CONTINUED)

Borrowings

Standard loans payable are recognised initially at the net proceeds including transaction costs, unless the gross proceeds do not represent the value of a financing transaction on an arm's length basis. In this case the present value of future payments discounted at a market rate of interest for a similar debt instrument is used in place of proceeds and the difference between the two amounts is accounted for as a capital contribution.

Subsequent to initial recognition, loans payable are stated at amortised cost with any difference between the amount initially recognised and redemption value being recognised in the Income Statement over the period of the loan, using the effective interest method.

Where loans are subject to contractual terms and arrangement that are non-standard they are recognised initially at fair value. The fair value is assessed as the present value of most likely cash flows, subject to the limitations of the underlying terms. Any movements are recognised in the income statement.

2.12 Taxation

Current tax is provided at amounts expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in financial statements.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date that are expected to apply to the reversal of timing difference. Deferred tax relating to investment property is measured using the tax rates and allowances that apply to the sale of the asset.

Where items recognised in other comprehensive income or equity are chargeable to or deductible for tax purposes, the resulting current or deferred tax expense or income is presented in the same component of comprehensive income or equity as the transaction or other event that resulted in the tax expenses or income.

2.13 Pensions

The company operates a defined contribution pension scheme. Contributions in respect of this scheme are expensed as they fall due.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.

Valuation of investment properties

The company uses valuations performed by independent valuers as the fair value of its properties. The valuations are based upon assumptions including future rental income, anticipated void costs and the appropriate discount rate or yield. The valuers also make reference to market evidence of transaction prices for similar properties.

Valuation of intercompany debt

In assessing the carrying value of the non-standard loans, the company forecasts the present value of the most likely contractual cash flows of the underlying instrument. Estimates and judgements are made in the timing and quantum of the cash flows, the discount rate applied as well as the impact of the underlying terms that can be triggered in the agreements to change the cash flows. These assessments are reviewed and amended annually.

4. TURNOVER

An analysis of turnover by class of business is as follows:

	2017 £	2016 £
Development management fees	10,419,470	4,374,873
Rent receivable	25,551,343	25,075,611
Construction revenue	128,677,735	39,890,273
	164,648,548	69,340,757

All turnover arose within the United Kingdom.

The future minimum rents receivable under other non-cancellable operating leases are as follows:

	2017 £	2016 £
Within one year	24,146,994	22,804,550
1-5 years	104,206,262	102,087,526
After more than 5 years	420,569,340	446,627,659
	548,922,596	571,519,735

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

5. OPERATING LOSS

The operating loss is stated after charging:

	2017 £	2016 £
Depreciation	452,864	464,725
Remuneration of the auditors: Fees for other services	13,535	27,048
Operating lease rentals	8,431,953	8,743,326
	8,898,352	9,235,099
	=	

The operating lease rentals are in respect of the leaseback properties referred to in Note 19.

Auditor's remuneration of £16,032 (2016 - £15,880) for the audit of the company for the year has been borne by another group undertaking.

6. EMPLOYEES

Staff costs were as follows:

	2017	2016
	£	£
Wages and salaries	23,823,056	21,035,497
Social security costs	2,942,881	2,558,761
Cost of defined contribution scheme	1,078,516	1,097,087
	27,844,453	24,691,345

The average monthly number of employees, including the directors, during the year was as follows:

	2017 No.	2016 No.
Administrative	. 189	180

7. DIRECTORS' REMUNERATION

The remuneration of R J J Lyons, who is also a director of Canary Wharf Group plc ('CWG'), is included in the disclosure of CWG directors remuneration in the CWG financial statements. The remuneration of the other two directors of the company, who are also directors of Canary Wharf Group Investments Holdings plc ('CWGIH') is included in the disclosure of CWGIH directors' remuneration in the CWGIH financial statements.

Benefits are accruing under the company's money purchase pension scheme on behalf of the highest paid director. During the year and prior year no contributions were made to the company's money purchase pension plan.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

8. INTEREST RECEIVABLE AND SIMILAR INCOME

	TAXATION ON PROFIT ON ORDINARY ACTIVITIES	75,235,150	6,812,462

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

10. TAXATION (CONTINUED)

FACTORS AFFECTING TAX CHARGE FOR THE YEAR

The tax assessed for the year is different to the standard rate of corporation tax in the UK of 19.25% (2016 - 20%). The differences are explained below:

	2017 £	2016 £
Profit on ordinary activities before tax	145,183,704	83,729,523
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 19.25% (2016 - 20%) EFFECTS OF:	27,947,863	16,745,905
Expenses not deductible for tax purposes	2,589,242	14,968,420
Capital allowances	91,450	264,452
Adjustments to tax charge in respect of prior periods	36,333,452	6,480,332
Non-taxable income	(2,561,256)	-
Capital gains	10,460,838	-
Dividends from UK companies	(845,075)	(844,000)
Change in tax rates	719	(5,591)
Group relief	1,217,917	(30,797,056)
TOTAL TAX CHARGE FOR THE YEAR	75,235,150	6,812,462

FACTORS THAT MAY AFFECT FUTURE TAX CHARGES

The tax rate of 19.25% has been calculated by reference to the current corporation tax rate of 19% which was in effect for the final three quarters of the year and the previous rate of 20% which was in effect for the first quarter of the year.

Enacted in the Finance Act (No.2) 2015 is a reduction in the corporation tax rate to 17.0% on 1 April 2020. Deferred tax has been provided by reference to this enacted corporation tax rate.

SUBSIDIARY UNDERTAKINGS

The following were subsidiary undertakings of the company, all of which were incorporated in England and Wales:

Name	Class of shares	Holding	Principal activity
Canary Wharf Management Limited	Ordinary £1	100%	Property management
Canary Wharf Facilities Management Limited	Ordinary £1	100%	Property management
L39 Limited	Ordinary £1	100 %	Dormant
Level 39 Limited	Ordinary £1	100%	Facility provider
Southbank Place Management Limited	Ordinary £1	100 %	Property management

The subsidiaries are registered at One Canada Square, Canary Wharf, London E14 5AB.

Dividends totalling £4,390,000 (2016 - £4,220,000) were paid by the company's subsidiaries during the year ended 31 December 2017.

During the year, Hazelway Limited, a dormant subsidiary of the company, was voluntarily struck off the Companies House register.

In accordance with Section 400 of the Companies Act 2006, financial information is only presented in these financial statements about the company as an individual undertaking and not about its group because the company and its subsidiary undertakings are included in the consolidated financial statements of a larger group (Note 24).

The directors are of the opinion that the value of the company's investments at 31 December 2017 was not less than the amount shown in the company's balance sheet.

The company was the beneficial owner of 1% of a partnership which has undertaken the design and construction of a development in phase I of that part of the Canary Wharf project known as Heron Quays. Heron Quays Properties Limited, another member of the Canary Wharf Group, was the beneficial owner of the other 99%. In prior years, all of the liabilities were settled and the remaining assets distributed. With the partnership ended, the investment has been derecognised in the year.

During 2011, Canary Wharf Group plc and Qatari Diar Real Estate Investment Company concluded an agreement to redevelop the Shell Centre. The group and Qatari Diar have entered into a 50:50 joint venture and have committed to contributing £150.0m each to the joint venture to secure the 5.25 acre site on a 999 year lease. The group is acting as construction manager for the project and is also a joint development manager with Qatari Diar Real Estate Investment Company. As a part of this arrangement, the company subscribed for 1 ordinary £1 share in Braeburn Estates Development Management Limited at par, which represents 50% of its issued share capital.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

13. INVESTMENT PROPERTY

Long term leasehold investment property £

VALUATION

At 1 January 2017

5,873,800

AT 31 DECEMBER 2017

5,873,800

At 31 December 2017, the property was valued externally by Cushman & Wakefield Healey & Baker, Real Estate Consultants, with recent experience in office properties at Canary Wharf. The fair value was determined in accordance with the Appraisal and Valuation Manual published by the Royal Institution of Chartered Surveyors, using:

- Discounted cash flow based on inputs provided by the company (current rents, terms and conditions of lease agreements) and assumptions and valuation models adopted by the valuers (estimated rental values, terminal values and discount rates).
- Yield methodology based on inputs provided by the company (current rents) and assumptions and valuation models adopted by the valuers (estimated rental values and market capitalisation rates).

The resulting valuations are cross checked against the initial yields and the fair market values per square foot derived from actual market transactions. No allowance was made for any expenses of realisation nor for any taxation which might arise in the event of disposal.

If the investment properties had been accounted for under the historic cost accounting rules, the properties would have been measured as follows:

Historic cost 2017 2016 £ £

1,265,000 1,265,000

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

14. WORK IN PROGRESS

	2017 £	2016 £
Work in progress at cost	257,198,605	253,327,880
	257,198,605	253,327,880
Movement in the carrying value of work in progress during the year:		
	2017 £	2016 £
At 1 January Additions Reversal of accrual	253,327,880 3,870,725 -	253,328,486 - (606)
	257,198,605	253,327,880

Work in progress is assessed annually to ensure its carrying value does not exceed its net realisable value. In assessing the estimated net realisable value of development properties as at 31 December 2017 the directors consulted with the company's external property advisors, Savills Commercial Limited, Chartered Surveyors.

15. DEBTORS

	2017 £	2016 £
DUE AFTER MORE THAN ONE YEAR		
Loan to fellow subsidiary undertaking	970,706,064	931,620,903

Prepayments and accrued income	7,822,925	6,827,238
Deferred taxation	423,227	417,793
	4,406,731,959	4,308,168,915

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

15. DEBTORS (CONTINUED)

Included in the amounts owed by group undertakings is a loan to a parent undertaking of £623,970,433 (2016 - £607,083,017) and loans to fellow subsidiary undertakings of £719,644,695 (2016 - £695,859,119).

All loans due within one year carry interest at rates linked to LIBOR or 10%, subject to certain caps, and are repayable on demand. The fellow subsidiary undertakings' liabilities under these loans are capped upon maturity at the net assets of the fellow subsidiary undertakings. Consequently, at 31 December 2017, the carrying value of the loans has been reduced from the initial carrying amount by £255,038,126 (2016 - £208,640,194).

The loan to a fellow subsidiary undertaking shown as due in more than one year carries interest at 10%, subject to certain caps, and is repayable by 1 December 2034. The fellow subsidiary undertaking's liability under this loan is capped upon maturity at the net assets of the fellow subsidiary undertaking. Consequently, at 31 December 2017, the carrying value of the loan has been reduced from the initial carrying amount by £150,696,591 (2016 - £208,258,046).

At 31 December 2017, the company carried provisions against amounts owed by fellow subsidiary undertakings totaling £57,085,359 (2016 - £46,902,937). These amounts relate to fellow subsidiary undertakings which were in a net liability position at the year end. The net increase in provision of £10,182,422 (2016 - £7,384,213) has been taken to the income statement.

The company has acquired assets for use in the running of its property interest, subject to leases to a fellow subsidiary undertaking under finance lease terms.

The amount at which finance lease debtors are stated comprises:

	2017 £	2016 £
Opening balance	590,927	1,049,113
Finance lease rents received	(507,896)	(507,895)
Finance lease interest	18,642	49,709
	101,673	590,927

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

16. CREDITORS: Amounts falling due within one year

	2017	2016
	£	£
Trade creditors	312,030	338,714
Amounts owed to group undertakings	3,458,903,880	3,521,743,340

662,516,350 Ordinary shares of £1 each

662,516,350 662,516,350

21. PENSION COMMITMENTS

Canary Wharf Group plc operates a defined contribution pension scheme, within which the company participates. The assets of the scheme are held separately from those of the company in an independently administered fund. The pension cost charge, which amounted to £1,078,516 for the company for the year (2016 - £1,097,087), represents contributions payable by the company to the scheme.

22. OTHER FINANCIAL COMMITMENTS

As at 31 December 2017 and 31 December 2016 the company had given fixed and floating charges over substantially all its assets to secure the commitments of certain other group undertakings.

POST BALANCE SHEET EVENTS 23.

On 29 March 2018, Stork Holdings Limited, a direct subsidiary of Stork HoldCo L.P., listed its shares on The International Stock Exchange in Jersey and the group headed by Stork Holdings Limited, which includes the company, converted to a REIT. As a consequence of the conversion, it is anticipated that the deferred tax asset will be released.

24. **CONTROLLING PARTY**

Until 28 February 2018, the company's immediate parent undertaking was Canary Wharf Holdings Limited. On that date, the shares in the company were transferred to Canary Wharf Central Limited, a subsidiary of Canary Wharf Holdings Limited.

As at 31 December 2017, the smallest group of which the company is a member and for which group financial statements are drawn up is the consolidated financial statements of Canary Wharf Group Investment Holdings plc. Copies of the financial statements may be obtained from the Company Secretary, One Canada Square, Canary Wharf, London E14 5AB.

The largest group of which the company is a member for which group financial statements are drawn up is the consolidated financial statements of Stork HoldCo LP, an entity registered in Bermuda and the ultimate parent undertaking and controlling party. Stork HoldCo LP is registered at 73 Front Street, 5th Floor, Hamilton HM12, Bermuda.

Stork HoldCo LP is controlled as to 50% by Brookfield Property Partners LP and as to 50% by Qatar Investment Authority.

The directors have taken advantage of the exemption in paragraph 33.1A of FRS 102 allowing the company not to disclose related party transactions with respect to other wholly-owned group companies.
