DIRECTORS' REPORT for the year ended 31 July 1995

### FINANCIAL STATEMENTS

The directors present their report and financial statements for the year ended 31 July 1995.

Company law requires the directors to prepare statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- : select suitable accounting policies and then apply them consistently;
- : make judgements and estimates that are reasonable and prudent;
- : prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### PRINCIPAL ACTIVITY AND REVIEW OF THE BUSINESS

The principal activity of the company remained that of Restauranteurs.

The directors are satisfied with the results of the Company, considering the present economic climate and view the future with cautious optimism.

### **RESULTS AND DIVIDENDS**

The results for the year are set out in the profit and loss account on page 4.

The directors do not recommend the payment of a dividend for the year.

#### **FIXED ASSETS**

Details of movements in fixed assets are set out in note 7 to the financial statements.

### AUDITORS' REPORT to the members of Blubeckers Limited

We have audited the financial statements on pages 4 to 9 which have been prepared on the basis of the accounting policies set out on page 6.

### Respective responsibilities of directors and auditors

As described on page 1, the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### **Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 July 1995 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

### NOTES TO THE FINANCIAL STATEMENTS

### 1 ACCOUNTING POLICIES

### **Basis of accounting**

The financial statements are prepared under the historical cost convention

#### **Turnover**

Turnover comprises the amount of goods sold, stated net of value added tax.

### Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation, less depreciation. Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost or valuation, less estimated residual value, of each asset evenly over its expected useful life as follows:

Equipment	10% on cost
Fixtures and Fittings	10% on cost
Motor Vehicles	25% on cost
Improvements to Premises	10% on cost

#### Stock

Stock has been valued by an independent stocktaker at the lower of cost and net realisable value.

### **Deferred Taxation**

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the directors consider a material liability to taxation is unlikely to crystallise.

### Compliance with accounting standards

The financial statements have been prepared in accordance with applicable accounting standards.
