## **PART 2**

### **DIRECTORS**

#### **DIRECTORS' POWERS AND RESPONSIBILITIES**

##### **Directors' general authority**

- 3 Subject to the articles, the directors are responsible for the management of the company's business, for which purpose they may exercise all the powers of the company.

##### **Shareholders' reserve power**

- 4
  - (1) The shareholders may, by special resolution, direct the directors to take, or refrain from taking specified action
  - (2) No such special resolution invalidates anything which the directors have done before the passing of the resolution.

### **Directors may delegate**

5. (1) Subject to the articles, the directors may delegate any of the powers which are conferred on them under the articles:
- (a) to such person or committee;
  - (b) by such means (including by power of attorney),
  - (c) to such an extent;
  - (d) in relation to such matters or territories; and
  - (e) on such terms and conditions;
- as they think fit.
- (2) If the directors so specify, any such delegation may authorise further delegation of the directors' powers by any person to whom they are delegated.
- (3) The directors may revoke any delegation in whole or part, or alter its terms and conditions

### **Committees**

6. (1) Committees to which the directors delegate any of their powers must follow procedures which are based as far as they are applicable on those provisions of the articles which govern the taking of decisions by directors
- (2) The directors may make rules of procedure for all or any committees, which prevail over rules derived from the articles if they are not consistent with them.

## **DECISION-MAKING BY DIRECTORS**

### **Directors to take decisions collectively**

- 7 (1) The general rule about decision-making by directors is that any decision of the directors must be either a majority decision at a meeting or a decision taken in accordance with article 8
- (2) If.
- (a) the company only has one director, and
  - (b) no provision of the articles requires it to have more than one director,
- the general rule does not apply, and the director may take decisions without regard to any of the provisions of the articles relating to directors' decision-making

### **Unanimous decisions**

8. (1) A decision of the directors is taken in accordance with this article when all eligible directors indicate to each other by any means that they share a common view on a matter
- (2) Such a decision may take the form of a resolution in writing, copies of which have been signed by each eligible director or to which each eligible director has otherwise indicated agreement in writing.
- (3) References in this article to eligible directors are to directors who would have been entitled to vote on the matter had it been proposed as a resolution at a directors' meeting.
- (4) A decision may not be taken in accordance with this article if the eligible directors would not have formed a quorum at such a meeting.

### **Calling a directors' meeting**

9. (1) Any director may call a directors' meeting by giving notice of the meeting to the directors or by authorising the company secretary (if any) to give such notice.
- (2) Notice of any directors' meeting must indicate.
- (a) its proposed date and time,
- (b) where it is to take place, and
- (c) if it is anticipated that directors participating in the meeting will not be in the same place, how it is proposed that they should communicate with each other during the meeting
- (3) Notice of a directors' meeting must be given to each director, but need not be in writing
- (4) Notice of a directors' meeting need not be given to directors who waive their entitlement to notice of that meeting, by giving notice to that effect to the company not more than 7 days after the date on which the meeting is held. Where such notice is given after the meeting has been held, that does not affect the validity of the meeting, or of any business conducted at it.

### **Participation in directors' meeting**

10. (1) Subject to the articles, directors participate in a directors' meeting, or part of a directors' meeting, when.
- (a) the meeting has been called and takes place in accordance with the articles, and

- (b) they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.
- (2) In determining whether directors are participating in a directors' meeting, it is irrelevant where any director is or how they communicate with each other.
- (3) If all the directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

#### **Quorum for directors' meetings**

- 11
  - (1) At a directors' meeting, unless a quorum is participating, no proposal is to be voted on, except a proposal to call another meeting
  - (2) The quorum for directors' meetings may be fixed from time to time by a decision of the directors, but it must never be less than two, and unless otherwise fixed it is two
  - (3) If the total number of directors for the time being is less than the quorum required, the directors must not take any decision other than a decision
    - (a) to appoint further directors, or
    - (b) to call a general meeting so as to enable the shareholders to appoint further directors

#### **Chairing of directors' meetings**

- 12.
  - (1) The directors may appoint a director to chair their meetings.
  - (2) The person so appointed for the time being is known as the chairman.
  - (3) The directors may terminate the chairman's appointment at any time
  - (4) If the chairman is not participating in a directors' meeting within ten minutes of the time at which it was to start, the participating directors must appoint one of themselves to chair it

#### **Casting vote**

- 13
  - (1) If the numbers of votes for and against a proposal are equal, the chairman or other director chairing the meeting has a casting vote
  - (2) But this does not apply if, in accordance with the articles, the chairman or other director is not to be counted as participating in the decision-making process for quorum or voting purposes

#### **Conflicts of interest**

- 14
- (1) If a proposed decision of the directors is concerned with an actual or proposed transaction or arrangement with the company in which a director is interested, that director is not to be counted as participating in the decision-making process for quorum or voting purposes.
  - (2) But if paragraph (3) applies, a director who is interested in an actual or proposed transaction or arrangement with the company is to be counted as participating in the decision-making process for quorum and voting purposes
  - (3) This paragraph applies when:
    - (a) the company by ordinary resolution disapplies the provision of the articles which would otherwise prevent a director from being counted as participating in the decision-making process,
    - (b) the director's interest cannot reasonably be regarded as likely to give rise to a conflict of interest, or
    - (c) the director's conflict of interest arises from a permitted cause.
  - (4) For the purposes of this article, the following are permitted causes:
    - (a) a guarantee given, or to be given, by or to a director in respect of an obligation incurred by or on behalf of the company or any of its subsidiaries;
    - (b) subscription, or an agreement to subscribe, for shares or other securities of the company or any of its subsidiaries, or to underwrite, sub-underwrite, or guarantee subscription for any such shares or securities; and
    - (c) arrangements pursuant to which benefits are made available to employees and directors or former employees and directors of the company or any of its subsidiaries which do not provide special benefits for directors or former directors
  - (5) For the purposes of this article, references to proposed decisions and decision-making processes include any directors' meeting or part of a directors' meeting.
  - (6) Subject to paragraph (7), if a question arises at a meeting of directors or of a committee of directors as to the right of a director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any director other than the chairman is to be final and conclusive
  - (7) If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the chairman, the question is to be decided by a decision of the directors at that meeting, for which

purpose the chairman is not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.

### **Records of decisions to be kept**

- 15 The directors must ensure that the company keeps a record, in writing, for at least 10 years from the date of the decision recorded, of every unanimous or majority decision taken by the directors

### **Directors' discretion to make further rules**

16. Subject to the articles, the directors may make any rule which they think fit about how they take decisions, and about how such rules are to be recorded or communicated to directors

  - (c) a composition is made with that person's creditors generally in satisfaction of that person's debts,

23. Except as required by law, no person is to be recognised by the company as holding any share upon any trust, and except as otherwise required by law or the articles, the company is not in any way to be bound by or recognise any interest in a share other than the holder's absolute ownership of it and all the rights attaching to it

### **Share certificates**

24. (1) The company must issue each shareholder, free of charge, with one or more certificates in respect of the shares which that shareholder holds.

#### **Transmittees bound by prior notices**

- 29 If a notice is given to a shareholder in respect of shares and a transmittee is entitled to those shares, the transmittee is bound by the notice if it was given to the shareholder before the transmittee's name has been entered in the register of members.

- (5) If the company's share capital is divided into different classes, no interim dividend may be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear
- (6) The directors may pay at intervals any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment
- (7) If the directors act in good faith, they do not incur any liability to the holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on shares with deferred or non-preferred rights.

#### **Payment of dividends and other distributions**

(3) If

- (a) twelve years have passed from the date on which a dividend or other sum became due for payment, and
- (b) the distribution recipient has not claimed it,

the distribution recipient is no longer entitled to that dividend or other sum and it ceases to remain owing by the company

#### **Non-cash distributions**

34. (1) Subject to the terms of issue of the share in question, the company may, by ordinary resolution on the recommendation of the directors, decide to pay all or part of a dividend or other distribution payable in respect of a share by transferring non-cash of equivalent value (including, without limitation, shares or other securities in any company).

- (b) more than one person is entitled to the share, whether by reason of the death or bankruptcy of one or more joint holders, or otherwise.

the notice is not effective unless it is expressed to be given, and signed, by all the holders or persons otherwise entitled to the share

#### **Authority to capitalise and appropriation of capitalised sums**

- 36 (1) Subject to the articles, the directors may, if they are so authorised by an ordinary resolution

  - (b) appropriate any sum which they so decide to capitalise (a "capitalised sum") to the persons who would have been entitled to it if it were distributed by way of dividend (the "persons entitled") and in the same proportions.
- (2) Capitalised sums must be applied:
- (a) on behalf of the persons entitled, and
  - (b) in the same proportions as a dividend would have been distributed to them.
- (3) Any capitalised sum may be applied in paying up new shares of a nominal amount equal to the capitalised sum which are then allotted credited as fully paid to the persons entitled or as they may direct
- (4) A capitalised sum which was appropriated from profits available for distribution may be applied in paying up new debentures of the company which are then allotted credited as fully paid to the persons entitled or as they may direct

- (a) that person is able to vote, during the meeting, on resolutions put to the vote at the meeting, and
  - (b) that person's vote can be taken into account in determining whether or not such resolutions are passed at the same time as the votes of all the other persons attending the meeting.
- (3) The directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.
- (4) In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other
- (5) Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.
