Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditors' report to the members of Community Care Limited

We have audited the financial statements of Community Care Limited for the year ended 31 December 2009 set out on pages 6 to 10. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements, except as noted below

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules

The company is exempt from the requirement of FRS 1 (revised 1996) to prepare a cash flow statement as it is ultimately a wholly owned subsidiary undertaking of Barchester Healthcare Limited and its cash flows are included within the consolidated cash flow statement of that company

The financial statements have been prepared on a going concern basis as the company has the support of their parent company, Barchester Healthcare Limited

The company is exempt by virtue of Section 408 of the Companies Act 2006 from the requirement to prepare group accounts. These financial statements present information about the company as an individual undertaking and not about its group

As the company is a wholly owned subsidiary of Barchester Healthcare Limited the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group. The consolidated financial statements of Barchester Healthcare Limited within which the company is included, can be obtained from the address given in note 9

Going Concern

The company has considerable financial resources together with long term support from Group. As a consequence, the directors believe that the company is well placed to manage its business risks successfully despite the current uncertain economic outlook.

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the annual financial statements.

2 Loss on ordinary activities before taxation

Auditors' remuneration

	2009 £000	2008 £000

The remuneration of the auditors in the current and prior financial years was borne by another group company. The amount above is management's best estimate of the proportion relating to this company.

Notes (continued)

3 Remuneration of directors

The directors received remuneration for services to Grove Limited of which Community Care Limited is a subsidiary undertaking; however the proportion attributable to their services to Community Care Limited is not separately identifiable.
