The asset realisation in this case is still ongoing with the repayment of the equity loan still to be realised.

#### 3. **LIQUIDATORS'** ACTIONS SINCE APPOINTMENT

- The specific penalty bond was reviewed to ensure that the level of cover was adequate to protect the realisations made in the Liquidation.
- VAT has been reclaimed on expenses of the Liquidation by submitting form VAT 426, following the deregistration of the Company for VAT dated 12 August 2011.
- The bank account held at Bank of Scotland has been regularly reconciled, with bank interest being received accordingly when appropriate.

- I have continued to liaise with the property owner in respect of settlement of the 25% share of equity.
- I have continued to liaise with the solicitors and the prospective purchaser in respect of the sale of the land on the North East side of Burton (Field View), Woodville, Swadlincote.
- The payments due from the remaining debtor have been monitored to ensure prompt payment is received.
- All corporation tax returns for the period in Liquidation have been submitted to HM Revenue
   & Customs in a timely manner.
- I have continued to liaise with various leaseholders in order to assist in removing registered charges where necessary to assist with their personal property sales.
- I have reported the progress of the Liquidation to members, creditors, and the Registrar of Companies.
- I have complied with my statutory duties in accordance with the Insolvency Act 1986.

There is certain work that I am required by the insolvency legislation to undertake in connection with the liquidation that provides no financial benefit for the creditors. A description of the routine work undertaken since my appointment as Liquidator is contained in Appendix A.

#### 4. RECEIPTS AND PAYMENTS ACCOUNT

My receipts & payments account for the period from 29 July 2019 to 28 July 2020 and cumulative to 28 July 2020 is attached at Appendix B. All figures are shown net of VAT.

The balance of funds is held in an interest bearing liquidation estate account.

#### 5. ASSETS

5.1 Work in Progress (WIP) – Long Term Receivable

As previously reported, the Company extended an equity loan to the buyer of one of the houses constructed by the Company. The terms of this loan dictate that 25% of the value of the house will be repaid in 2019. Historically, I have attempted to encourage the occupants of the house to settle the liability early without success. The loan is now repayable in full and I have instructed solicitors to assist with its realisation. However, due to the occupant's current financial circumstances further delays are likely to resolve this matter.

I will inform creditors of the progress or outcome in my next report.

#### 5.2 Removal of Property Restrictions

In order to enable the owners to transfer various properties. I was required to remove restrictions placed at the Land Registry. No funds have been paid in this matter, in the period of this report.

#### 5.3 Land to North East side of Burton (Field View), Woodville, Swadlincote.

As previously reported, in early 2019, I was approached by a resident of Field View, in respect of purchasing a piece of land which sits adjacent to their property, to which the Company owns title.

Independent local estate agents Cadley Cauldwell were instructed to provide a market valuation of the land and an offer of £15,000 was submitted received from the purchaser and accepted, based on the agents valuation.

I subsequently instructed solicitors to advise on the viability of sale and also to assist with associated conveyancing. I am pleased to report, the sale of the land was duly completed for sum totalling £15,942.

#### 6. LIABILITIES

#### 6.1 Secured Creditors / Fixed Charge

As previously advised, the company operated a motor vehicle which was subject to a finance agreement with BMW Financial Services Limited. The amount due to the finance company at the date of my appointment was £12,925. The vehicle was repossessed in August 2011, and following its disposal there was a shortfall due of £2,675, which was subject to the director's personal guarantee. No other fixed charges remain unsatisfied.

#### 6.2 Preferential Creditors

The statement of affairs anticipated £4,129 in preferential creditors, representing the employees' arrears of wages and holiday pay. These claims have been settled by the Redundancy Payment Service. To date, no claim from the Redundancy Payment Service has been received.

#### 6.3 Secured Creditors / Floating Charge

There are provisions of the insolvency legislation that require a Liquidator to set aside a percentage of a company's assets for the benefit of the unsecured creditors in cases where the company granted a "floating charge" over its assets to a lender on or after 15 September 2003. This is known as the "prescribed part of the net property". A company's net property is that left after paying the preferential creditors, but before paying the lender who holds a floating charge. A Liquidator has to set aside:

- 50% of the first £10,000 of the net property; and
- 20% of the remaining net property up to a maximum of £600,000.

No floating charges remain unsatisfied at Companies House, so the prescribed part provisions will not apply.

#### 6.4 Crown Creditors

The statement of affairs included £12,089 owed to HM Revenue and Customs ("HMRC") in respect of VAT and £7,624 in respect of CIS tax. HMRC's final claim of £93,294 in respect of VAT has been received. This figure is higher than anticipated as returns have been brought up to date. No claim has been received in respect of CIS tax.

#### 6.5 Non-preferential unsecured Creditors

The statement of affairs included 48 unsecured creditors in addition to HMRC with an estimated total liability of £3,124,161. I have received claims from 18 creditors totalling £3,102,690, including eight creditors who have come forward since the statement of affairs was prepared. To date, I have not received claims from 38 creditors with original estimated claims in the statement of affairs of £178,679.

#### 7. DIVIDEND PROSPECTS

Based on current information, it is unlikely that a dividend will be payable to any class of creditors, due to the outstanding costs of the Liquidation, and future costs of administering the Liquidation until the asset realisations are complete.

#### 8. INVESTIGATION INTO THE AFFAIRS OF THE COMPANY

I have not undertaken any enquiries that required any further investigation in the period of this report.

#### 9. PRE-APPOINTMENT REMUNERATION

The creditors previously authorised the payment of a fee of £5,000 for assistance with preparing the statement of affairs, and producing and circulating the notices for the meetings of members and creditors at a meeting held on 29 July 2011.

The fee for the statement of affairs and meetings was paid from first realisations on appointment and is shown in the enclosed receipts and payments account.

#### 10. LIQUIDATORS' REMUNERATION

My remuneration was previously authorised by creditors at a meeting held on 29 July 2011 to be drawn on a time cost basis. My total time costs to 28 July 2020 amount to £226,927.82, comprising of 926.67 hours, which have been charged at an average charge out rate of £244.89 per hour. A total of £27,959.75 was charged in the period between 29 July 2019 and 28 July 2020 for 97.65 hours work, at an average charge out rate of £286.33 per hour.

I have drawn remuneration of £81,301.02 to date, of which £6,870 was drawn in the period of this report. A schedule of my time costs incurred to date, is attached at Appendices C and D.

Further information about creditors' rights can be obtained by visiting the creditors' information micro-site published by the Association of Business Recovery Professionals (R3) at <a href="http://www.creditorinsolvencyguide.co.uk/">http://www.creditorinsolvencyguide.co.uk/</a>. A copy of 'A Creditors Guide to Liquidators' Fees' also published by R3, together with an explanatory note which shows Dains Business Recovery Limited's fee policy are available at the link <a href="https://www.r3.org.uk/technical-library/england-wales/technical-guidance/fees/">https://www.r3.org.uk/technical-library/england-wales/technical-guidance/fees/</a>. Please note that there are different versions of the Guidance Notes and in this case you should refer to the post-April 2010 version.

Additional information in relation to Liquidator's fees in accordance with SIP 9 is attached. This provides details of the firm's policy in relation to staffing, the use of sub-contractors and disbursements. Please note, in common with all professional firms, the charge out rates may increase from time to time over the period of the administration of each insolvency case.

#### 11. LIQUIDATORS' EXPENSES

I have incurred the following expenses in the period since my last progress report. Due to insufficient funds, these remain outstanding: -

Type of expense	Amount incurred
Office Holder's Expenses	£42.70
Professional Fees	£700.00
Agents/Valuers Fees	£30.00
Legal Fees	£7,194.00
Legal Disbursements	£108.00
Corporation Tax	£4.06
Stationary & Postage	£239.70
Storage Costs	£256.85
Insurance of Assets	£928.79
Bank Charges	£25.00

I have incurred but not yet paid disbursements totalling £16.98, in respect of storage costs in the period of this report.

I have paid the following agents or professional advisors in the reporting period: -

Professional Advisor	Nature of work	Basis of fees
Dains LLP	Tax work	£700 plus VAT
Flint Bishop LLP	Property and Land Matters	Fixed Fee of £4,669 plus VAT
Smith Partnership Solicitors	Property and Land Matters	Fixed Fee of £2,525 plus VAT

The choice of professionals was based on my perception of their experience and ability to perform this type of work and the complexity and nature of the assignment. I also considered that the basis on which they will charge their fees represented value for money. I have reviewed the charges they have made and am satisfied that they are reasonable in the circumstances of this case.

#### 12. FURTHER INFORMATION

A Member or Creditor may, with the permission of the court or with at least 5% of the total voting rights of all the Creditors having the right to vote at general meetings of the company request further details of the Joint Liquidators' remuneration and expenses, within 21 days of receipt of this report.

A Member or Creditor may, with the permission of the court or with at least 10% of the total voting rights of all the Creditors having the right to vote at general meetings of the company, apply to Court to challenge the amount of remuneration charged by the Joint Liquidators as being excessive, and/or the basis of the Joint Liquidators' remuneration, and/or the amount of the expenses incurred as being excessive, within 8 weeks of their receipt of this report.

#### 13. SUMMARY

The Liquidation will remain open until the property matters have been concluded. Once these issues have been dealt with, the Liquidation will be finalised and my files will be closed. Due to the legalities surrounding the realisation of the equity charge, I am unable to give an estimate as to when these matter will be fully resolved.

#### Practice Fee Recovery Policy for Dains Business Recovery Limited

#### Introduction

The insolvency legislation was changed in October 2015, with one or two exceptions, for insolvency appointments made from that time. This sheet explains how we intend to apply the alternative fee bases allowed by the legislation when acting as office holder in insolvency appointments. The legislation allows different fee bases to be used for different tasks within the same appointment. The fee basis, or combination of bases, set for a particular appointment is/are subject to approval, generally by a committee if one is appointed by the creditors, failing which the creditors in general meeting, or the Court.

Further information about creditors' rights can be obtained by visiting the creditors' information micro-site published by the Association of Business Recovery Professionals (R3) at <a href="http://www.creditorinsolvencyguide.co.uk/">http://www.creditorinsolvencyguide.co.uk/</a>. Details about how an office holder's fees may be approved for each case type are available in a series of guides issued with Statement of Insolvency Practice 9 (SIP 9) and can be accessed at <a href="https://www.r3.org.uk/technical-library/england-wales/technical-guidance/fees/">https://www.r3.org.uk/technical-library/england-wales/technical-guidance/fees/</a>. Alternatively a hard copy may be requested from Dains Business Recovery Limited, 15 Colmore Row, Birmingham, B3 2BH. Please note that we have provided further details in this policy document.

Once the basis of the office holder's remuneration has been approved, a periodic report will be provided to any committee and also to each creditor. The report will provide a breakdown of the remuneration drawn. If approval has been obtained for remuneration on a time costs basis, i.e. by reference to time properly spent by members of staff of the practice at our standard charge out rates, the time incurred will also be disclosed, whether drawn or not, together with the average, or "blended" rates of such costs. Under the legislation, any such report must disclose how creditors can seek further information and challenge the basis on which the fees are calculated and the level of fees drawn in the period of the report. Once the time to challenge the office holder's remuneration for the period reported on has elapsed, then that remuneration cannot subsequently be challenged.

Under some old legislation, which still applies for insolvency appointments commenced before 6 April 2010, there is no equivalent mechanism for fees to be challenged.

#### Time cost basis

When charging fees on a time costs basis we use charge out rates appropriate to the skills and experience of a member of staff and the work that they perform. This is combined with the amount of time that they work on each case, recorded in 6 minute units with supporting narrative to explain the work undertaken.

#### **Chargeout Rates**

Grade of staff	Current charge-out rate per hour, effective from 1 April 2014		
	£		
Partner – appointment taker	405		
Senior Manager	330		
Manager	245		
Supervisor	225		
Case Administrator	210		
Cashier & Support Staff	80 - 195		

Where necessary and appropriate, members of staff from other departments of the practice will undertake work on a case. They will be charged at their normal charge out rate for undertaking such work.)

These charge-out rates charged are reviewed on 1 April each year and are adjusted to take account of inflation and the firm's overheads.

Time spent on casework is recorded directly to the relevant case using a computerised time recording system and the nature of the work undertaken is recorded at that time. The work is generally recorded under the following categories:

- Administration and Planning
- Investigations
- Realisation of Assets
- Creditors
- Trading
- Case specific matters
- Employee matters

In cases where we were appointed prior to 1 October 2015, most of our fees were recovered on a time costs basis and appropriate authority was obtained from the creditors or the committee as set down in the legislation. The legislation changed on 1 October 2015 and on new appointments we now only seek time costs for the following categories:

- Case specific matters
- Investigations
- Trading

When we seek time costs approval we have to set out a fees estimate. That estimate acts as a cap on our time costs so that we cannot draw fees of more than the estimated time costs without further approval from those who approved our fees. When seeking approval for our fees, we will disclose the work that we intend to undertake, the hourly rates we intend to charge for each part of the work, and the time that we think each part of the work will take. We will summarise that information in an average or "blended" rate for all of the work being carried out within the estimate. We will also say whether we anticipate needing to seek approval to exceed the estimate and, if so, the reasons that we think that may be necessary.

The disclosure that we make should include sufficient information about the insolvency appointment to enable you to understand how the proposed fee reflects the complexity (or otherwise) of the case, any responsibility of an exceptional kind falling on the office holder, the effectiveness with which the office holder has carried out their functions, and the value and nature of the property with which the office holder has to deal.

If we subsequently need to seek authority to draw fees in excess of the estimate, we will say why we have exceeded, or are likely to exceed the estimate; any additional work undertaken, or proposed to be undertaken; the hourly rates proposed for each part of the work; and the time that the additional work is expected to take. As with the original estimate, we will say whether we anticipate needing further approval and, if so, why we think it may be necessary to seek further approval.

#### Percentage basis

The legislation allows fees to be charged on a percentage of the value of the property with which the office holder has to deal (realisations and/or distributions). Different percentages can be used for different assets or types of assets. In cases where we were appointed prior to 1 October 2015, most of our fees were recovered on a time costs basis and appropriate authority was obtained from the creditors or the committee

as set down in the legislation. The legislation changed on 1 October 2015 and we now seek remuneration on a percentage basis more often. A report accompanying any fee request will set out the potential assets in the case, the remuneration percentage proposed for any realisations and the work covered by that remuneration, as well as the expenses that will be, or are likely to be, incurred. Expenses can be incurred without approval, but must be disclosed to help put the remuneration request into context.

The percentage approved in respect of realisations will be charged against the assets realised, and where approval is obtained on a mixture of bases, any fixed fee and time costs will then be charged against the funds remaining in the liquidation after the realisation percentage has been deducted.

The disclosure that we make should include sufficient information about the insolvency appointment to enable you to understand how the proposed fee reflects the complexity (or otherwise) of the case, any responsibility of an exceptional kind falling on the office holder, the effectiveness with which the office holder has carried out their functions, and the value and nature of the property with which the office holder has to deal.

If the basis of remuneration has been approved on a percentage basis then an increase in the amount of the percentage applied can only be approved by the committee or creditors (depending upon who approved the basis of remuneration) in cases where there has been a material and substantial change in the circumstances that were taken into account when fixing the original level of the percentage applied. If there has not been a material and substantial change in the circumstances then an increase can only be approved by the Court.

#### Fixed fee

The legislation allows fees to be charged at a set amount. Different set amounts can be used for different tasks. In cases where we were appointed prior to 1 October 2015, most of our fees were recovered on a time costs basis and appropriate authority was obtained from the creditors or the committee as set down in the legislation. The legislation changed on 1 October 2015 and we now seek remuneration on a fixed fee basis more often. A report accompanying any fee request will set out the set fee that we proposed to charge and the work covered by that remuneration, as well as the expenses that will be, or are likely to be, incurred. Expenses can be incurred without approval, but must be disclosed to help put the remuneration request into context.

The disclosure that we make should include sufficient information about the insolvency appointment to enable you to understand how the proposed fee reflects the complexity (or otherwise) of the case, any responsibility of an exceptional kind falling on the office holder, the effectiveness with which the office holder has carried out their functions, and the value and nature of the property with which the office holder has to deal.

If the basis of remuneration has been approved on a fixed fee basis then an increase in the amount of the fixed fee can only be approved by the committee or creditors (depending upon who approved the basis of remuneration) in cases where there has been a material and substantial change in the circumstances that were taken into account when fixing the original level of the fixed fee. If there has not been a material and substantial change in the circumstances then an increase can only be approved by the Court.

#### Members' voluntary liquidations and Voluntary Arrangements

The legislation changes that took effect from 1 October 2015 did not apply to members' voluntary liquidations (MVL), Company Voluntary Arrangements (CVA) or Individual Voluntary Arrangements (IVA). In MVLs, the company's members set the fee basis, often as a fixed fee. In CVAs and IVAs, the fee basis is set out in the proposals and creditors approve the fee basis when they approve the arrangement.

#### All bases

With the exception of Individual Voluntary Arrangements and Company Voluntary Arrangements which are VAT exempt, the officeholder's remuneration invoiced to the insolvent estate will be subject to VAT at the prevailing rate.

#### **Agent's Costs**

Charged at cost based upon the charge made by the Agent instructed, the term Agent includes:

- Solicitors/Legal Advisors
- Auctioneers/Valuers
- Accountants
- Quantity Surveyors
- Estate Agents
- Other Specialist Advisors

In new appointments made after 1 October 2015, the office holder will provide details of expenses to be incurred, or likely to be incurred, when seeking fee approval. When reporting to the committee and creditors during the course of the insolvency appointment the actual expenses incurred will be compared with the original estimate provided.

#### Disbursements

In accordance with SIP 9 the basis of disbursement allocation in respect of disbursements incurred by the Office Holder in connection with the administration of the estate must be fully disclosed to creditors. Disbursements are categorised as either Category 1 or Category 2.

Category 1 expenses are directly referable to an invoice from a third party, which is either in the name of the estate or Dains Business Recovery Limited, 15 Colmore Row, Birmingham, B3 2BH, in the case of the latter, the invoice makes reference to, and therefore can be directly attributed to, the estate. These disbursements are recoverable in full from the estate without the prior approval of creditors either by a direct payment from the estate or, where the firm has made payment on behalf of the estate, by a recharge of the amount invoiced by the third party. Examples of category 1 disbursements are statutory advertising, external meeting room hire, external storage, specific bond insurance and Company search fees.

Category 2 expenses are incurred by the firm and recharged to the estate; they are not attributed to the estate by a third party invoice and/or they may include a profit element. These disbursements are recoverable in full from the estate, subject to the basis of the disbursement charge being approved by creditors in advance. Examples of category 2 disbursements are photocopying, internal room hire, internal storage and mileage.

It is proposed that the following Category 2 disbursements are recovered:

Mileage is charged at a rate of up to 45p per mile External disbursements are recovered at cost
