DIRECTORS' REPORT

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- Select suitable accounting policies and then apply them consistently,
- Make judgements and accounting estimates that are reasonable and prudent,
- State whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PRINCIPAL ACTIVITIES AND REVIEW OF THE BUSINESS

Provider of a mix of Security services to keep people, buildings and assets safe

The company's profit and loss account is shown on page 8. The profit after tax is £1,500,000 (2011: £2,008,000). This is a strong result in a challenging year, with excellent client retention.

The Group manages its operations on a divisional basis. For this reason, the company's directors do not believe further key performance indicators are necessary for an appropriate understanding of the performance and position of the business. The performance of the Group's divisions is discussed in the Group's annual report which does not form part of this report.

DIVIDENDS

Dividends for each share class were declared as follows:
Ordinary shares: £9.23 per share (2011: £10.69)

PRINCIPAL RISKS AND UNCERTAINTIES

Loss of key customers is a key risk to the business. The company manages this risk by developing and maintaining strong relationships with these customers. Risks are discussed in the Group's annual report which does not form part of this report.

DIRECTORS' REPORT (continued)

FINANCIAL RISK MANAGEMENT

The directors have reviewed the financial risk management objectives and policies of the company. The directors do not believe there to be significant risks in this area. The company does not enter into any hedging instruments, as there are not believed to be any material exposures. It does not enter into any financial instruments for speculative purposes.

Appropriate trade terms are negotiated with suppliers and customers. Management reviews these terms and the relationships with suppliers and customers and manages any exposure on normal trade terms. The company prepares regular forecasts of cash flow and liquidity and any requirement for additional funding is managed as part of the overall MITIE Group PLC financing arrangements.

GOING CONCERN

The company was profitable in the year. The directors have considered the forecast and budgeted profit and associated cash flows for the foreseeable future. The directors have considered the facilities available to the entity and believe that they can operate within the facilities available for the period of the cash flow forecast. Accordingly, the directors consider it appropriate to adopt the going concern basis in the preparation of the company's financial statements.

PAYMENT POLICY

The company's policy is to comply with the terms of payment agreed with a supplier. Where terms are not negotiated, the company endeavours to adhere with the supplier's standard terms. As at 31 March 2012, trade creditors as a proportion of amounts invoiced from suppliers for the financial year represented 29 days (2011: 9 days).

ENVIRONMENT

MITIE Group PLC and its subsidiaries endeavour to identify, monitor and manage the impact of their activities on the environment and are fully committed to environmental accountability and protection. The company operates in accordance with Group policies, which are described in the Group's annual report which does not form part of this report.

EMPLOYEES

The company recognises the importance of good communications and employee relationships. In each company there is a relationship between the Chief Executive of MITIE Group PLC and individual employees in the company. In these conditions, complex consultative procedures are seldom required to ensure that there is an understanding of the purpose of the business and the commercial realities of success. Employees are encouraged to become shareholders through the Savings Related Share Option Scheme.

DIRECTORS

The directors during the year and subsequently were as follows:

S C Baxter (Resigned 01 February 2012)

J P Flanagan (Resigned 26 March 2012)

R McGregor-Smith (Resigned 01 February 2012)

N R Goodman (Resigned 30 March 2012)

J S Tomlin

R B Forsyth (Appointed 26 March 2012)

M A Freeman (Appointed 26 March 2012)

DIRECTORS' REPORT (continued)

AUDITOR

Each of the persons who is a director at the date of approval of this report confirms that

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and

- the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006

Deloitte LLP has indicated its willingness to be reappointed for another term and appropriate arrangements have been put in place for it to be deemed reappointed as auditor in the absence of an Annual General Meeting

Approved by the Board and signed on its behalf by

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MITIE SECURITY (LONDON) LIMITED

We have audited the financial statements of MITIE Security (London) Limited for the year ended 31 March 2012 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 19. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 March 2012 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records or returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 March 2012

1 ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The particular accounting policies adopted, which have been applied consistently throughout the current and the prior financial year, are described below.

Accounting convention

The accounts are prepared under the historical cost convention.

Going concern

Details regarding the directors' consideration of going concern are given in the going concern section of the directors' report.

Turnover

Turnover represents the total, excluding sales taxes, receivable in respect of goods and services supplied. All turnover arises within the United Kingdom, from the company's principal activity. Revenue is recognised as services are delivered.

Goodwill

Goodwill arising on the acquisition of subsidiary undertakings and businesses, representing any excess of the fair value of the consideration given over the fair value of the identifiable assets and liabilities acquired, is capitalised and written off on a straight line basis over its useful economic life, which is 20 years. Provision is made for any impairment.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

Leasehold Improvements Lease Term

Motor Vehicles 2 to 4 years

Others 3 to 10 years

Operating leases

Rentals paid under operating leases are charged against income on a straight-line basis over the lease term.

Finance leases

Assets held under hire purchase arrangements, which confer rights and obligations similar to those attached to current assets, are capitalised as tangible fixed assets and depreciated over the shorter of the lease terms and useful lives. The capital elements of future hire purchase obligations are recorded as liabilities, while the interest elements are charged to the profit and loss account over the period of the lease to provide a constant rate of charge on the balance of capital repayments outstanding.

NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 March 2012

ACCOUNTING POLICIES (continued)

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date

Deferred tax is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset, or on unremitted earnings of subsidiaries and associates where there is no commitment to remit these earnings. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Pension costs

The company participates in the MITIE Group PLC Pension Schemes. One is a defined benefit multi-employer scheme, the assets and liabilities of which are held independently from the group. For the purposes of Financial Reporting Standard 17 ('Retirement Benefits'), the company has been unable to identify its share of the underlying assets and liabilities in the main group scheme on a consistent and reasonable basis. Therefore the company is accounting for contributions to the scheme as if it were a defined contribution scheme.

For defined contribution schemes the amount charged to the profit and loss account is the contributions payable in the year.

Share-based payments

The company participates in a number of MITIE Group PLC executive and employee share option schemes. For all grants of share options, the fair value as at the date of grant is calculated using the Black-Scholes model and the corresponding expense is recognised on a straight line basis over the vesting period based on the company's estimate of shares that will actually vest.

Cashflow statement

The company has taken the exemption from the requirement to prepare a cashflow statement, as it is included within the consolidated financial statements of MITIE Group PLC and greater than 90% of the voting rights of the company are held by MITIE Group PLC.

TAX ON PROFIT ON ORDINARY ACTIVITIES (continued)

(b) Factors affecting tax charge in the year

The tax assessed for the period differs from that resulting from applying the standard rate of corporation tax in the UK of 26% (2011 28%) The differences are as follows

	£'000	£'000
Profit on ordinary activities before tax	2,070	2,871
	£'000	£'000
Tax at 26% (2011 28%) thereon	538	804
Expenses not deductible for tax purposes	53	32

Other timing differences	(3)	8
Adjustments to tax charge in respect of prior periods	2	(5)
Current tax charge for the year (Note 5(a))	579	834

The UK Government announced a reduction in the UK corporation tax rate from 26% to 24% from 1 April 2012, which was substantively enacted on 26 March 2012 The reduction in the balance sheet carrying value of deferred tax assets and liabilities to reflect the rate of tax at which those assets are expected to reverse has not had a material impact on the current year tax charge The UK Government has indicated that it intends to enact further reductions in the main tax rate of 1% each year down to 22% by 1 April 2014 Future rate reductions would further reduce the UK deferred tax assets and liabilities recognised but the actual impact will be dependent on the deferred tax position at the time

The deferred tax balance comprises the following	£'000	£'000
Depreciation in excess of capital allowances	40	47
Share based payment timing difference	22	6
Other timing differences	3	3
	65	56

16 SHARE-BASED PAYMENTS

The company participates in the following MITIE Group PLC share option schemes

The MITIE Group PLC 2001 Executive share option scheme

The Executive share option scheme exercise price is equal to the average market value of the shares over the five day period immediately preceding the date of grant. The vesting period is three years. If the options remain unexercised after a period of ten years from the date of grant the options expire. Options may be forfeited if the employee leaves the group. Before options can be exercised, a performance condition must be satisfied, the performance condition is linked to the percentage growth in earnings per share over a three-year period.

The MITIE Group PLC 2001 Savings Related share option scheme

The SAYE scheme is open to all employees. The exercise price is not less than 80.0% of the market value of the shares on the day preceding the date on which invitations to participate in the scheme are issued. For options granted prior to September 2008, the vesting period is five years. For options granted in September 2008 and thereafter, the vesting period is three years. If the options remain unexercised after a period of six months from the date of vesting, the options expire. Options may be forfeited if the employee leaves the group.

17 PENSION ARRANGEMENTS

The company participates in the MITIE Group PLC Pension Scheme. This is a defined benefit multi-employer scheme, the assets and liabilities of which are held independently from the Group. For the purposes of Financial Reporting Standard 17 ('Retirement Benefits'), the company has been unable to identify its share of the underlying assets and liabilities in the main Group scheme on a consistent and reasonable basis. Therefore the company is accounting for contributions to the scheme as if it were a defined contribution scheme. Note 37 to the Report and Accounts of the Group sets out the details of the International Accounting Standard 19 'Employee Benefits' net pension deficit of £17.2 million (2011 deficit of £3 million).

Employer contributions to the scheme for the period are shown in note 15. The agreed contribution rate for employee and employer contributions for the next 12 months is 18.5% (2011 17.5%).
