STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE ACCOUNTS

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**AUDITORS' REPORT TO THE MEMBERS OF
STRACHAN & HENSHAW (MANCHESTER) LIMITED**

We have audited the accounts on pages 5 to 13, which have been prepared under the historical cost convention as modified by the revaluation of freehold land and buildings and on the basis of the accounting policies set out on page 5.

Respective responsibilities of directors and auditors

As described on page 3, the company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards. It is our responsibility to form an independent opinion, based on our audit, on those financial statements and to report our opinion to you. Our responsibilities, as independent auditors are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

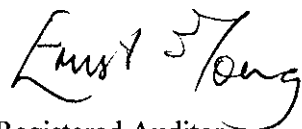

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 29 December 2000 and of its loss for the 52 weeks ended 29 December 2000 and have been properly prepared in accordance with the Companies Act 1985.

ACCOUNTING POLICIES

(a) **BASIS OF ACCOUNTING**

The accounts are prepared under the historical cost convention. The accounts are prepared in accordance with applicable accounting standards and with the Companies Act 1985.

(b) **CONSOLIDATION**

In accordance with S228 of the Companies Act 1985, the company is exempt from the obligation to prepare and deliver group accounts as it is wholly owned subsidiary of The Weir Group PLC registered in Scotland, which produces group accounts. Accordingly the accounts present information about the company and not the group.

(c) **DEFERRED TAX**

Deferred tax is provided on all timing differences which are expected to reverse in the future, calculated at the rate at which it is estimated that tax will be payable.

(d) **FOREIGN CURRENCIES**

Assets and liabilities in foreign currencies are translated to sterling at the exchange rates ruling at the balance sheet date except where amounts are covered by forward foreign exchange contracts. Differences on exchange are dealt with through the Profit and Loss Account as they arise other than those on work-in-progress contracts, which are incorporated into the contract assessment.

(e) **LEASING**

Assets obtained under finance leases are capitalised in the balance sheet and are depreciated over their estimated useful lives. The interest element of the rental obligations is charged to the Profit and Loss Account over the period of the lease and represents a constant portion of the balance of capital repayments outstanding. Rentals paid under operating leases are charged to income on a straight line basis over the term of the lease.

(f) **RELATED PARTY TRANSACTIONS**

The company has taken advantage of the exemptions, conferred in FRS 8, from disclosing transactions with related parties that are part of The Weir Group PLC group of companies.

(g) **CASH FLOW STATEMENT**

The company has taken advantage of the exemption, conferred in FRS 1 (revised), from presenting their own Cash Flow Statement.
