Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK General Accepted Accounting Practice)

The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period

In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities

We have audited the financial statements of Londinium Investments Limited for the year ended 31 December 2007 which comprise the Profit and Loss Account, the Balance Sheet, the Reconciliation of Movement in Shareholders' Deficit and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the Company's members, as a body, in accordance with section 235 of the Companies Act 1985. Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements

Basis of preparation

The Company has received an assurance from its holding company that it will provide such funds as necessary for the Company to meet its liabilities as they fall due. For this reason the financial statements have been prepared on the going concern basis.

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Under FRS 1 (Revised) the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements.

As the Company is a wholly owned subsidiary of MWB Group Holdings Plc (formerly Marylebone Warwick Balfour Group Plc), it has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties).

Taxation

The charge for taxation is based on the result for the year, which takes account of taxation deferred because of timing differences between the treatment of certain items for taxation purposes and the treatment under the Company's accounting policies.

Deferred tax assets and liabilities arise from timing differences between the recognition of gains and losses in the financial statements and their recognition in a tax computation.

In accordance with FRS 19, Deferred Tax is provided in respect of all timing differences that have originated, but not reversed at the balance sheet date that may give rise to an obligation to pay more or less tax in the future except as otherwise required by FRS19. Deferred tax is measured on a non-discounted basis.

	Year ended 31 December 2007	18 months ended 31 December 2006 (restated)
	£	£
Fees for the audit of the Company	<u>500</u>	<u>500</u>

Fees for the audit of the Company represent the amount receivable by the Company's auditors. The 2006 disclosure has been restated using a consistent basis.

Fees paid to the Company's auditors, KPMG Audit Plc, and its associates for services other than the statutory audit of the Company are not disclosed in the accounts since the consolidated accounts of the ultimate parent undertaking, MWB Group Holdings Plc (formerly Marylebone Warwick Balfour Group Plc), are required to disclose non-audit fees on a consolidated basis.

3 Directors and employees

The Company employed no staff during the year (2006 nil)

None of the directors received any emoluments from the Company (2006 nil)

4 Tax on loss on ordinary activities
