TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2018

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of Autism East Midlands (the company and the group) for the ended 31 March 2018. The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Structure, governance and management

a. CONSTITUTION

The company and the group is registered as a charitable company limited by guarantee, its charity number is 517954. It was established under a Memorandum of Association which sets out the objects and powers of the charity and is governed under its Articles of Association. The Board of Trustees (previously the Council of Management) are the Trustees for the purposes of charity law and the directors for the purposes of company law.

The principal object of the company and the group is to provide services to people with an autistic-spectrum disorder and their families and carers in the East Midlands.

b. METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

The management of the company and the group is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

c. POLICIES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES

Through the Trustees work within the Board Committee meetings and through their involvement with family members are already familiar with the practical work of the charity. New Trustees are given a comprehensive induction pack and training sessions to familiarise themselves with the charity and the context in which it operates. This training covers issues such as the responsibilities of the Trustees, the main documents which set out the operational framework of the charity, the current financial position and reserves of the charity and any future plans and objectives. They are also given a range of informative literature detailing the services on offer. All Trustees are encouraged to visit the school and adult care centres on a regular basis and to take part in other organised activities.

d. ORGANISATIONAL STRUCTURE AND DECISION MAKING

During the year under review the Trustees delegated the day to day running of the charity to the Executive Management Team and the following Committees:

- Sutherland House School Governing Body
- Audit and Finance Sub Committee

The Charity wholly owns two trading subsidiaries, Sutherland House (Trading) Limited and NORSACA (Trading) Limited which donate all their profits to the charity. The principal activities of Sutherland House (Trading) Limited are the provision of education services for children with autism or related conditions. NORSACA (Trading) Limited provides a range of residential and non-residential care facilities for people with autism or related conditions.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 MARCH 2018

e. RISK MANAGEMENT

The Trustees have assessed the major risks to which the company and the group is exposed, in particular those related to the operations and finances of the company and the group, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Risks are reviewed annually, and measures put in place to mitigate those of a higher grading.

f. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

Autism East Midlands has sought to manage its financial risks through regular monitoring of its income streams and also seeking a wide range of savings.

MEMBERS' LIABILITY

The Members of the company and the group guarantee to contribute an amount not exceeding £1 to the assets of the charity in the event of winding up.

Objectives and Activities

a. POLICIES AND OBJECTIVES

The charity exists to offer support and serve people with an autistic-spectrum disorder and their families and carers in the East Midlands and respond to changes in government policy and campaigns within the charities strategic objectives.

b. STRATEGIES FOR ACHIEVING OBJECTIVES

Our Vision

A world which recognises, understands and values people with autism, and where they and their families receive the services and support they need throughout their lives.

Our Mission

To advocate, provide and develop high-quality services, information and support in partnership with others, for all those whose lives are affected by autism.

To recognise and respond to the needs of the individual, enabling people with autism to live their lives with dignity, choice and independence.

The strategic priorities of Autism East Midlands are:

Quality

To ensure the continued improvement of the quality of our services by focussing on the following areas:

- Improved autism specific environments
- Services designed to meet the varying and individual needs of people with autism
- Ensuring a skilled workforce that are able to meet the needs of individuals and are aspirational in doing so
- A focus on achieving the maximum levels of independence appropriate to each individual we support increasing the voice of people with autism

AUTISM EAST MIDLANDS
(A company limited by guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 MARCH 2018

Increasing the voice of people with autism

We will put in place systems and processes that enable service users and students not only to directly influence their own services and achieve their individual maximum levels of choice and control, but also to shape what we do as an organisation. This will involve influencing both the plans of the senior management team and the Board of Trustees.

More broadly we will work to support people with autism to have a louder voice in society as a whole.

Evidence Based Support

We will engage in the wider 'autism community' both nationally through our work with the Autism Alliance and other membership bodies and internationally through conferences and developing links. This engagement will be focussed on ensuring that we are aware of developments in best practice and evidence in supporting people with autism. Where possible we will engage in research designed to improve knowledge about autism.

Maximum Impact

We will maximise the impact of our services by ensuring we extend the reach of the services we provide. We will raise our profile in order to ensure that people can more easily access our services. We will also maximise our influence and impact on mainstream services so that the wider community becomes more accessible to people with autism. We will ensure that we maximise the impact of our organisation by working together to best utilise our resources.

c. ACTIVITIES FOR ACHIEVING OBJECTIVES

In developing its objectives and planning its services, the Trustees have considered the Charity Commission's guidance on public benefit. By working closely with local authorities, the group aims to tailor services to meet areas of need otherwise not provided.

Autism East Midlands recognises that service users and students are people with an autistic-spectrum disorder, each with their own character and with their own specific and personal needs. It further recognises that the families and carers involved also have needs to be taken into account. These needs are seen as positive contributions to the variety of richness of relationships within the charity and its service users. In shaping and reviewing services, Autism East Midlands considers how service users' individuality, whether expressed by gender, age, marital status, disability, sexual orientation, race, religious belief, colour, political conviction, ethnic or national origin can be affirmed in the delivery of services they access.

d. FACTORS RELEVANT TO ACHIEVE OBJECTIVES

Autism East Midlands aims to increase its support for people whose lives are affected by autism, whether this is for carers or people receiving direct support. We continue to engage with local employers and companies by providing training and awareness of autism to their staff. Many commit to engaging with the autistic community by signing the 'Autism Charter' by formally agreeing to make their premises more autism-friendly.

e. PRINCIPAL FUNDING

The charity derives the majority of its income from the provision of services, together with grants and donations received for particular projects.

Autism East Midlands receives over 90% of its funding from government funded bodies. This includes Local Authorities, Health Authorities and the Education Funding Agency.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 MARCH 2018

f. INVESTMENT POLICY AND PERFORMANCE

The Memorandum and Articles of Association give the Trustees unrestricted powers of investment. The charity's current investment strategy is to deposit funds in short and medium term interest bearing accounts with UK banks.

Plans for future periods

a. FUTURE DEVELOPMENTS

The expansion of our services to Rotherham and Northampton, with the provision of a new Day Service focusing on teaching adults on the autistic spectrum independence skills such as, IT and administration skills, independent travel training and access to the community to help enable independent living and provide a better quality of life and the inclusion of a new Children's Flexible Short Breaks service respectively. There will be continued development of the services introduced during 2017/18. These include providing assistance to autistic students in higher education through DSA provision providing one to one support to students, and providing mentoring support to autistic adults to help them into paid employment or volunteering work.

As 2018 is the charity's 50th Anniversary, we intend to raise greater awareness of autism in the community through fundraising events in which families, corporate partners, supporters, students and service users can all be involved.

EMPLOYEE INVOLVEMENT AND EMPLOYMENT OF THE DISABLED

Employees have been consulted on issues of concern to them by means of regular consultative committee and staff meetings and have been kept informed on specific matters directly by management. The company and the group carry out exit interviews for all staff leaving the organisation and have adopted a procedure of upward feedback for senior management and the Trustees.

The company and the group has implemented a number of detailed policies in relation to all aspects of personnel matters including:

- Equal opportunities policy
- Volunteers' policy
- Health & safety policy

In accordance with the company and the group's Equal Opportunities Policy, the company and the group has long established fair employment practices in the recruitment, selection, retention and training of disabled staff.

Full details of these policies are available from the company and the group's offices.

Achievements and performance

a. REVIEW OF ACTIVITIES AND KEY FINANCIAL PERFORMANCE INDICATORS

Autism East Midlands has had a successful year in supporting both adults and children with autism. Within Children's Services, 54 pupils have been educated during the year. 14 assessments were also undertaken, to ascertain individual support needs. 366 Children also benefitted from Play and Leisure activities. Some 366 children accessed 50862 hours of play and leisure activities during the year. This included 104 children and young people attending The Ridge adventure playground, 18 young adults were supported in accessing their first independent 18 plus holiday in Ibiza and 21 children accessed their first residential break. In addition, Autism East Midlands provided over 1656 nights of respite through the provision of holidays, trips and weekend breaks. 46 children enjoyed a week long holiday in Anglesey whilst 12 young people visited Disney World to celebrate the New Year. The provision in the Northampton service has seen 143 children accessing day time activities during holiday periods and at weekends, including 10 children supported to visit Cadbury's World, 8 children supported to access sailing at Northampton Sailing Club and a further 7 visiting Twin Lakes Theme Park.

Within Adult Services, 39 people have lived in our residential homes, 185 adults have accessed day services, 12 adults have been supported in independent living and 17 have had outreach support in their own homes. We have facilitated support to families through advice, siblings group and parent workshops. During the year 28 training workshops were attended by 284 parents and carers, with 402 parents and carers accessing our services overall. Funding from the Big Lottery continued to support the Family Support Hubs in Retford, Newark, Kirkby in Ashfield, East Leake and the rest of the county. An additional 42 new families were welcomed to the Hubs this year to join the 85 Families already benefitting from the services across the East Midlands.

Continued improvement with uptake of DSA in 12 universities in the area and surrounding authorities by 24 students requiring mentoring support. Alongside the service, the Employment services have supported 4 individuals into paid employment with 11 new corporate partnerships to further enhance the choice the service offers.

Autism East Midlands have led on an initiative for raising awareness of autism in the workplace in partnership working with Rolls Royce, through a conference held in October 2017 open to targeted CEO and senior management levels in the area, where 40 organisations attended, facilitated by the Learning and Development Team. Alongside this, the team have delivered 86 external training sessions training 1617 external delegates and the completion of 4 external environmental audits.

b. GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

c. PRINCIPAL RISKS AND UNCERTAINTIES

It is clear that the pressure on Local Authority budgets will continue to impact on Autism East Midlands, with most of its funding coming from the public sector. This is likely to result in further pressure to reduce the charges for services and the changes in the tender process being taken up by a number of authorities. In addition, the criteria for Local Authority funding for people with autism is expected to tighten, with less people being provided with support in the future. The costs will continue to be reviewed in response to changes to income streams.

These annual accounts show the pension deficit as a result of participation in the Local Government Pension Scheme. This is a £10.7m deficit as at 31 March 2018 following an estimated actuarial revaluation. The scheme was closed to new participants from April 2013, to limit the future liability. The way the scheme is funded changed with effect from April 2014, and Autism East Midlands is now paying £181k per annum to contribute towards reducing the deficit.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 MARCH 2018

Financial review

a. SURPLUS

A surplus of £296,400 (2017: £344,682) has been achieved in the year. Due to the actuarial gains of the pension scheme recognised in the year to 31 March 2018, the total funds for the organisation have increased by £0.729m.

b. PAY POLICY FOR SENIOR STAFF

The key management personnel of the charity are identified in Note 28 of the accounts and are responsible for directing, controlling, running and operating the Trust on a day to day basis. All Trustees give of their time freely and therefore none received remuneration in the year. Details of Trustees' expenses are disclosed in Note 10 of the accounts and related party transactions in Note 28.

The pay of senior staff is reviewed annually and normally increased in line with other staff. The directors benchmark against pay levels in other charities of similar size. The remuneration benchmark is the midpoint of the range paid for similar roles adjusted for a weighting of up to 30% for any additional responsibilities. If recruitment has proven difficult in the past a market addition may also be paid in order to attract and retain high-calibre personnel, with the pay maximum no greater than the highest benchmarked salary for a comparable role.

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustees (who are also directors of Autism East Midlands for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable group will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company and the group's transactions and disclose with reasonable accuracy at any time the financial position of the charitable group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DISCLOSURE OF INFORMATION TO AUDITORS

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charitable group's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charitable group's auditors are aware of that information.

AUDITORS

The auditors, Smith Cooper Limited, have indicated their willingness to continue in office. The Designated Trustees will propose a motion re-appointing the auditors at a meeting of the Trustees.

This report was approved by the Trustees, on 26/9/18 and signed on their behalf by:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF AUTISM EAST MIDLANDS

OPINION

We have audited the financial statements of Autism East Midlands (the 'parent charity') and its subsidiaries (the 'group') for the year ended 31 March 2018 set out on pages 12 to 36. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent charitable company's affairs as at 31 March 2018 and of the group's incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or the parent charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The Trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

AUTISM EAST MIDLANDS
(A company limited by guarantee)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF AUTISM EAST MIDLANDS

OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- the parent charitable company has not kept adequate and sufficient accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Trustees' Report and from the requirement to prepare a Group Strategic Report.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the group's and the parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the group or the parent charitable company or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF AUTISM EAST MIDLANDS

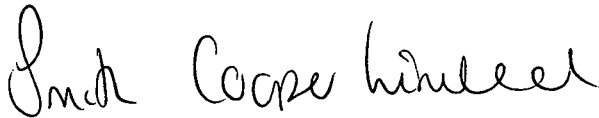

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

USE OF OUR REPORT

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's Trustees, as a body, Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2018

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

Autism East Midlands is a private company limited by guarantee and incorporated in England within the United Kingdom. The address of the registered office is given in the company information of these financial statements. The company's registration number is 2053860.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006

Autism East Midlands meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in sterling, which is the functional currency of the company.

The significant accounting policies have been applied in the preparation of these financial statements are set out below.

1.2 Basis of consolidation

The financial statements consolidate the accounts of Autism East Midlands and all of its subsidiary undertakings ('subsidiaries').

The company has taken advantage of the exemption contained within 408 of the Companies Act 2006 not to present its own Income and expenditure account.

For the year ended 31 March 2018 the company generated a surplus of £296,400 (2017: £344,682).

1.3 Company status

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

1.4 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2018

1. ACCOUNTING POLICIES (continued)

1.5 Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donated services or facilities are recognised when the company has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the company of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time is not recognised and refer to the Trustees' report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the company which is the amount the company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2018

1. ACCOUNTING POLICIES (continued)

1.7 Expenditure

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities and Governance costs are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. Expenditure is categorised under the following headings:

- Costs of raising funds;
- Expenditure on charitable activities; and
- Other expenditure represents those items not falling into the categories above.

Irrecoverable VAT is charged as a cost against the activity for which expenditure arose.

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Where support costs cannot be directly attributed to particular headings they have been allocated to the cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2018

1. ACCOUNTING POLICIES (continued)

1.8 Tangible fixed assets and depreciation

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	-	2% Straight Line
Freehold refurbishment	-	5% - 33% Straight Line
Vehicles & equipment	-	25% - 35% Straight Line
Leasehold Improvements	-	Over the shorter of the period of the lease or the useful economic life

Costs of repairs and maintenance to property together with the expenditure incurred bringing the buildings up to fire safety regulation are written off in the period in which expenditure is incurred.

The charity continually replaces and updates existing equipment. The majority of this expenditure is on small items costing less than £1,000 and no detailed register of these is kept. All items costing under £1,000 are written off to repairs and maintenance in the period in which the expenditure is incurred.

1.9 Investments

Investments in subsidiaries are valued at cost less provision for impairment.

1.10 Operating leases

Rentals under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

1.11 Taxation

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.

1.12 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount repaid net of any trade discounts due.

1.13 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.14 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

AUTISM EAST MIDLANDS

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2018

1. ACCOUNTING POLICIES (continued)

1.15 Government grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

1.16 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.17 Pensions

Retirement benefits to some employees of the Trust are provided by the Local Government Pension Scheme (LGPS). The company is an admitted body of the LGPS, admitted by Nottinghamshire County Council.

The LGPS is a defined benefit funded scheme and the assets are held separately from those of the Company in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and gains and losses on the settlements and curtailments. They are included as part of staff costs. Past service costs are recognised immediately in the Statement of Financial Activities if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period vesting occurs. The expected return on assets and the interest cost are shown as a net finance amount of other finance costs or credits adjacent to interest. Actuarial gains and losses are recognised immediately in other gains and losses.

The pension charge for the defined benefit pension scheme is based on a full actuarial valuation dated 31 March 2018.

1.18 Irrecoverable VAT

The charity is registered for VAT, however due to the mixed nature of the supplies it makes, it has irrecoverable VAT arising due to partial exemption which is included in resources expended.

1.19 Provisions

Provisions are recognised when the Group has a present obligation that arises as a consequence of a past event; it is probable that an outflow of resources will be required to settle that obligation and the obligation can be reliably estimated. The provisions are measured as the estimated expenditure that will be required to settle such obligations as at the statement of financial position date. Discounting to present value is employed in the estimation process when the effect of the time value of money is material.
