DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- v select suitable accounting policies and then apply them consistently;
- v make judgements and estimates that are reasonable and prudent;
- v state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- v prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the comp any and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors confirm that they have complied with these requirements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FP GROUP LIMITED

We have audited the financial statements on pages 6 to 12.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

The directors are responsible for preparing the directors' report and, a described on page 4, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

BASIS OF AUDIT OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES

(a) Basis of preparation

- (i) The financial statements conform to applicable accounting standards and have been prepared under the historical cost convention, as modified by the revaluation of certain investments as set out in (c) below.
- (ii) The company is a wholly owned subsidiary of FPLP and is included in the consolidated financial statements of Friends Provident plc which are publicly available. Both companies are incorporated in the United Kingdom. Consequently the company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard 1 (Revised 1996).

(b) Deferred taxation

Provision is made for deferred taxation liabilities, using the liability method, on all material timing differences, including revaluation gains and losses on investments recognised in the profit and loss account, as the investments are revalued. Deferred taxation is calculated at the rates at which it is expected that the tax will arise and discounted to take into account the likely timing of payments and pattern of expected realisation of investments. Deferred taxation is recognised in the profit and loss account for the period, except to the extent that it is attributable to a gain or loss that is recognised directly in the statement of total recognised gains and losses. In this case the attributable deferred taxation is shown separately in the statement of total recognised gains and losses.

(c) Investments

Fixed asset investments are stated at historical cost less any provision for temporary diminution in value. Any movement in these provisions is charged to the profit and loss account.

(d) Disposals of investments

The surplus or deficit over the carrying value of an investment realised on disposal is recognised through the profit and loss account. Any previous revaluation surplus or deficit is transferred from revaluation reserve to the profit and loss account.

(e) Investment Income

Dividends, interest or other income receivable includes any withholding tax but excludes any other taxes, such as attributable credits, not payable wholly on behalf of the Group.

2. TURNOVER

The company has only one class of business being the holding of shares and investments in United Kingdom subsidiary and associated undertakings.
