COMPANIES HOUSE

ABBEY NATIONAL HOMES LIMITED

Report of the Directors

The Directors submit their report together with the financial statements for the year ended 31 December 2009

This directors' report has been prepared in accordance with the special provisions relating to small companies under section 415(A)(1)&(2) of the Companies Act 2006

Principal activity and review of the year

The principal activity of Abbey National Homes Limited, Company Number 2055102 (the "Company") continues to be the management of equity participation mortgages granted on development and sale of residential properties. During 2009 the Directors approved the transfer of the second charge portfolio to Santander UK plc. On 29 June 2009, Abbey National Homes Limited transferred its property portfolio to Abbey National plc, now Santander UK plc, at fair value. No consideration has been received in respect of this transaction as at 31 December 2009.

Results and dividends

The loss for the year on ordinary activities after tax amounted to £262,736 (2008 loss £1,487,606)

The Directors do not recommend the payment of a final dividend (2008 £nil)

Directors

The Directors who served throughout the year and to the date of this report, were

Mr D Y H Gilchrist
Mr R V Jones
Mr J F O'Mahoney

Statement of directors' responsibilities

The directors are responsible for preparing the report and the financial statements in accordance with applicable laws and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union. The financial statements are required by law to be properly prepared in accordance with IFRSs as adopted by the European Union and the Companies Act 2006.

International Accounting Standard 1 requires that financial statements present fairly for each financial year the Company's financial position, financial performance and cash flows. This requires the faithful representation of the effects of transactions, other events and conditions in accordance with the definitions and recognition criteria for assets, liabilities, income and expenses set out in the International Accounting Standards Board's 'Framework for the Preparation and Presentation of Financial Statements'. In virtually all circumstances, a fair presentation will be achieved by compliance with all applicable IFRSs. Directors are also required to

- properly select and apply accounting policies,
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information,
- provide additional disclosures when compliance with the specific requirements in IFRSs are insufficient to enable users to understand the impact of particular transactions, other events and conditions on the entity's financial position and financial performance, and
- make an assessment of the Company's ability to continue as a going concern.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ABBEY NATIONAL HOMES LIMITED

Report of the Directors (continued)

Statement of going concern

The Company's business activities, together with the factors likely to affect its future development, performance and position are set out above. The financial position of the Company, its cash flows, liquidity position and borrowing facilities are set out in the financial statements. In addition, note 2, to the financial statements includes the Company's objectives, policies and processes for managing its capital, its financial risk management objectives, and its exposures to credit risk and liquidity risk.

The Company is part of the Santander UK Group. The Company has net liabilities and is reliant on Santander UK plc and other companies in the Santander UK Group for a significant proportion of its funding. The Company participates in the group's centralised treasury arrangements and so shares banking arrangements with its parent and fellow subsidiaries.

The Board of Santander UK plc has confirmed that it is a going concern, and that it will provide funding to the Company for the foreseeable future.

The Directors, having assessed the responses of the directors of the company's parent Santander UK plc to their enquiries have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Santander UK group to continue as a going concern or its ability to continue with the current banking arrangements.

On the basis of their assessment of the Company's financial position and of the enquiries made of the directors of Santander UK plc, the Company's Directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis of accounting in preparing the annual report and accounts.

Third Party Indemnities

Enhanced indemnities are provided to the Directors of the Company by Santander UK plc against liabilities and associated costs which they could incur in the course of their duties to the Company. All of the indemnities remain in force as at the date of this Report and Accounts. A copy of each of the indemnities is kept at the registered office address of Santander UK plc.

Auditors

Each of the Directors as at the date of approval of this report confirms that

- so far as the Director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the Director has taken all steps that he/she ought to have taken as a Director to make himself/herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

In accordance with Sections 485 and 487 of the Companies Act 2006, Deloitte LLP are deemed to have been re-appointed as auditors of the Company.

By Order of the Board

For and on behalf of
Abbey National Nominees Limited, Secretary

2 March 2010

Registered Office Address: 2 Triton Square, Regent's Place, London, NW1 3AN

Independent auditors' report to the members of Abbey National Homes Limited

We have audited the financial statements of Abbey National Homes Limited (the "Company") for the year ended 31 December 2009 which comprise the Statement of Comprehensive Income, the Statement of Changes in Equity, the Balance Sheet, the Cash Flow Statement and the related notes 1 to 17. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2009 and of its loss for the year then ended,
- have been properly prepared in accordance with IFRSs as adopted by the European Union, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Separate opinion in relation to IFRSs as issued by the IASB

As explained in Note 1 to the financial statements, the company in addition to applying IFRSs as adopted by the European Union, has also applied IFRSs as issued by the International Accounting Standards Board (IASB).

In our opinion the financial statements comply with IFRSs as issued by the IASB.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit
- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report

ABBEY NATIONAL HOMES LIMITED

Notes to the financial statements for the year ended 31 December 2009

1 Accounting Policies

The principal accounting policies that have been applied to Abbey National Homes Limited (the "Company") in the preparation of financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

Basis of preparation

The financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") as adopted for use in the European Union that are effective or available for early adoption at the company's reporting date. The company, in addition to complying with its legal obligation to comply with IFRSs as adopted for use in the European Union, has also complied with the IFRSs as issued by the International Accounting Standards Board. The financial statements have been prepared under the historical cost convention and on the going concern basis as disclosed in the Directors' statement of going concern set out in the Report of the Directors.

Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales-related taxes.

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

Finance Costs

Finance costs are recognised in the Statement of Comprehensive Income in the period in which they are incurred.

Income taxes, including deferred income taxes

Income tax payable on profits, based on the applicable tax law in each jurisdiction, is recognised as an expense in the period in which profits arise. The tax effects of income tax losses available to carry forward are recognised as an asset when it is probable that future taxable profits will be available, against which these losses can be utilised.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Currently enacted tax rates are used in the determination of deferred income tax.

Deferred and current tax assets and liabilities are only offset when they arise in the same tax reporting group and where there is both the legal right and the intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents comprise balances with less than three months maturity from the date of acquisition, including cash and non restricted balances with central banks, treasury bills and other eligible bills, loans and advances to banks, amounts due from other banks and short-term investments in securities.

Financial Instruments

Financial assets and liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Trade and other receivables

Trade and other receivables are measured at initial recognition at fair value, and are subsequently measured at amortised cost using the effective interest rate method. Appropriate allowances for estimated irrecoverable amounts are recognised in profit or loss when there is objective evidence that the asset is impaired. The allowance recognised is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the effective interest rate computed at initial recognition.

ABBEY NATIONAL HOMES LIMITED

Notes to the financial statements for the year ended 31 December 2009

1 Accounting Policies (continued)

Impairment of financial assets

At each balance sheet date, the Company assesses whether, as a result of one or more events occurring after initial recognition, there is objective evidence that a financial asset or group of financial assets classified as available for sale or loans and receivables have become impaired. Evidence of impairment may include indications that the borrower or group of borrowers have defaulted or are experiencing significant financial difficulty.

Trade and other payables

Trade and other payables are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest rate method.

Recent developments

In 2009, the Company adopted the following new or revised IFRS

- 1) IAS 1 'Presentation of Financial Statements' – On 6 September 2007, the IASB issued an amendment to IAS 1 'Presentation of Financial Statements' which changes the way in which non-owner changes in equity are required to be presented. As a result, a 'Statement of Changes in Equity' has been included as a separate primary financial statement showing changes in equity during the periods presented. In addition, the Statement of Recognised Income and Expenses has been replaced with a 'Statement of Comprehensive Income'. The adoption of the amendment to IAS 1 did not have any impact on the Company's profit or loss or financial position.
- 2) IFRS 7 'Financial Instruments: Disclosures - Improving Disclosures about Financial Instruments' – On 5 March 2009, the IASB issued an amendment to IFRS 7 'Financial Instruments: Disclosures' which requires enhanced disclosures about fair value measurements and liquidity risk. Among other things, the amendment (1) requires disclosure of any change in the method for determining fair value and the reasons for the change, (2) establishes a three-level hierarchy for making fair value measurements, (3) requires disclosure for each fair value measurement in the balance sheet of which level in the hierarchy was used and any transfers between levels, with additional disclosures whenever level 3 of the hierarchy is used including a measure of sensitivity to a change in input data, (4) clarifies that the current maturity analysis for non-derivative financial instruments should include issued financial guarantee contracts, and (5) requires disclosure of a maturity analysis for derivative financial liabilities. The disclosures required by the amendment to IFRS 7 may be found on page 9.

Future developments

The Group has not yet adopted the following new or revised IFRS or IFRIC interpretations, which have been issued but which are not yet effective for the Group.

- 1) IFRS 9 'Financial Instruments' - On November 12, 2009, the IASB issued IFRS 9 'Financial Instruments' which significantly overhauls the accounting requirements for financial instruments under IFRS. IFRS 9 is mandatory for annual periods beginning on or after January 1, 2013, with early application permitted. IFRS 9 requires that a financial asset be classified into one of three categories for measurement and income recognition: (1) Amortised cost, (2) Fair value through profit or loss (FVTPL) and (3) Fair value through other comprehensive income. The standard requires reclassification between amortised cost and FVTPL (or vice versa) if a financial asset no longer meets the criteria for its original classification. IFRS 9 replaces the existing classification and measurement requirements in IAS 39 for financial assets. It changes the manner in which entities classify and measure investments in debt and equity securities, loan assets, trade receivables, and derivative financial assets by requiring entities to classify financial assets as being measured at either amortised cost or fair value depending on the entity's business model and the contractual cash flow characteristics of the asset. The Company is currently evaluating the requirements of IFRS 9.

2 Financial Risk Management

The Company's risk management focuses on the major areas of credit risk and liquidity risk. Risk management is carried out by the central risk management function of the Santander UK plc Group. Santander UK plc's Risk Framework ensures that risk is managed and controlled on behalf of shareholders, customers, depositors, employees and the Santander UK plc Group's regulators. Effective and efficient risk governance and oversight provide management with assurance that the Santander UK plc Group's business activities will not be adversely impacted by risks that could have been reasonably foreseen. This in turn reduces the uncertainty of achieving the Santander UK plc Group's strategic objectives. Authority flows from the Santander UK plc Board to the Chief Executive Officer and from him to his direct reports. Delegation of authority is to individuals. Formal standing committees are maintained for effective management of oversight.

The Santander UK plc Group has three tiers of risk governance.

ABBEY NATIONAL HOMES LIMITED

Notes to the financial statements for the year ended 31 December 2009

2 Financial Risk Management (continued)

The first is provided by the Santander UK plc Board which approves Santander UK plc's Risk Appetite for each of the risks below, in consultation with Banco Santander, S A as appropriate, and approves the strategy for managing risk and is responsible for the Santander UK plc Group's system of internal control. Within this tier, there is a process for transaction review and approval within certain thresholds, discharged by the Credit Approval Committee. Transactions reviewed which exceed the threshold limits set are subject to prior review by Banco Santander, S A Risk before final approval by the Credit Approval Committee.

The second comprises the Santander UK plc Board and is supported by the Risk Division. The role of the Chief Risk Officer and Risk Division include development of risk measurement methodologies, risk approval, risk monitoring, risk reporting and escalation of risk issues in line with the relevant risk policies for all risks in the Santander UK plc Group. The Santander UK plc Group's central risk function provides services to the Company, monitors and manages the financial risks relating to the operations of the Company through internal risk reports which ensure compliance with Group policies and limits, including risk policies, limits and parameters, an approval process relating to transactions that exceed local limits and the systematic review of exposures to large clients, sectors, geographical areas and different risk types.

The third tier comprises Risk Assurance, who provides independent objective assurance on the effectiveness of the management and control of risk across all of the Santander UK plc Group. This is provided through the Non-Executive Directors, Internal Audit function and the Audit and Risk Committee.

(a) Credit risk

Credit risk is the risk that counterparties will not meet their financial obligations and may result in the Company losing the principal amount lent, the interest accrued and any unrealised gains, less any security held. It occurs in intercompany assets held by the Company.

Maximum exposure to credit risk without taking into account collateral or credit enhancements can be found in note 8 to the accounts.

Impaired financial assets

A description of how impairment is measured can be found in the accounting policies above.

(b) Liquidity risk

Liquidity risk is the potential that, although remaining solvent, the Company does not have sufficient liquid financial resources to enable it to meet its obligations as they fall due, or can secure them only at excessive cost.

The Company manages liquidity risk by maintaining sufficient liquid resources to ensure it can meet its obligations as they fall due.

The Company manages liquidity risk with the support of its parent company, ensuring that the Company will have sufficient liquid resources to ensure it can meet its obligations as they fall due.

Maturities of financial liabilities

	Demand	Up to 3	3-12	1-5	Over 5	Total

3 Revenue

An analysis of the Company's revenue is as follows:

	2009	2008
	£	£
Revenue from continuing operations	-	68,605
Other revenue	-	100
Total revenue	-	68,705

ABBEY NATIONAL HOMES LIMITED

Notes to the financial statements for the year ended 31 December 2009

4. Profit from operations

No Directors were remunerated for their services to the Company. Directors' emoluments are borne by the immediate parent company, Santander UK plc. No emoluments were paid by the Company to Directors during the year (2008: £nil).

The Company had no employees in the current or previous financial year.

The audit fee for the current and prior year has been paid on the Company's behalf by its ultimate UK parent undertaking, Santander UK plc, in accordance with company policy, for which no recharge has been made. The audit fee for the current year is £5,000 (2008: £6,500).

5 Interest income

	2009 £	2008 £
Interest on bank deposits	-	11,017

6 Finance costs

	2009 £	2008 £
Bank charges	-	5,876
Interest payable to group companies	364,836	2,154,334
Total finance costs	364,836	2,160,210

7 Tax

	2009 £	2008 £
Current tax		
UK corporation tax		
Current year	102,154	592,956
	102,154	592,956
Deferred tax		
Current year	(54)	(74)
	(54)	(74)
	102,100	592,882

Corporation tax is calculated at 28% (2008: 28.5%) of the estimated loss for tax purposes for the year.

The credit for the year can be reconciled to the loss per the Statement of Comprehensive Income as follows:

	2009 £	2008 £
Loss before tax		
Continuing operations	(364,836)	(2,080,488)
Tax at the UK corporation tax rate of 28% (2008: 28.5%)	102,154	592,882
Permanent adjustments	(54)	-
Tax credit for the year	102,100	592,882

8 Trade and other receivables

Amounts falling due within one year

	2009 £	2008 £
Amounts due from group companies	2,100,428	592,956
	2,100,428	592,956

£1,405,318 of the amounts due from group companies relates to amounts receivable in respect of the transfer of the property portfolio to Abbey National plc, now Santander UK plc.

ABBEY NATIONAL HOMES LIMITED

Notes to the financial statements for the year ended 31 December 2009

8 Trade and other receivables (continued)

Amounts falling due after more than one year

	2009 £	2008 £
Equity participation mortgages	-	1,405,318
	-	1,405,318

On 29 June 2009, Abbey National Homes Limited transferred its property portfolio to Abbey National plc, now Santander UK plc, at fair value. No consideration has been received in respect of this transaction as at 31 December 2009.

Total trade and other receivables

	2009 £	2008 £
Amounts falling due within one year	2,100,428	592,956
Amounts falling due after more than one year	-	1,405,318
	2,100,428	1,998,274

The directors consider that the carrying amount of trade and other receivables approximates to their fair value.

9 Deferred tax

Deferred income taxes are calculated on temporary differences under the liability method using the tax rates expected to apply when the liability is settled or the asset is realised. The effective rate for 2009 is 28% (2008: 28.5%).

The following are the deferred tax assets recognised by the company and the movements thereon during the current and prior year:

	Accelerated tax depreciation £	Total £
At 1 January 2008	342	342
Charge to income	(74)	(74)
At 31 December 2008 and 1 January 2009	268	268
Charge to income	(54)	(54)
At 31 December 2009	214	214

10. Trade and other payables

	2009 £	2008 £
Amounts due to group companies	40,110,629	39,745,793
Other payables	-	-
	40,110,629	39,745,793

The directors consider that the carrying amount of trade and other payables approximates to their fair value.

11 Share capital

	2009 £	2008 £
Issued and fully paid		
100 ordinary shares	100	100

12. Accumulated losses

	£
Balance at 1 January 2008	(36,259,745)
Loss for the year	(1,487,606)
Balance at 31 December 2008 and 1 January 2009	(37,747,351)
Loss for the year	(262,736)
Balance at 31 December 2009	38,010,087

ABBEY NATIONAL HOMES LIMITED

Notes to the financial statements for the year ended 31 December 2009

13 Notes to the cash flow statement

	2009 £	2008 £
Profit from operations	-	68,705
Operating cash flows before movements in working capital	-	68,705
(Increase)/decrease in receivables	(102,154)	229,243
Increase/(decrease) in payables	364,682	1,844,696
Cash generated by/(used in) operations	262,682	2,142,644
Income tax repaid	102,154	-
Net cash flow from operating activities	364,836	2,142,644

14 Cash and cash equivalents

	2009 £	2008 £
Due from banks	-	-
Total cash and cash equivalents	-	-

The total presented in this note will tie back to the total cash and cash equivalents per the cash flow statement

15 Related party transactions

The following were the balances with related parties as at 31 December 2009 and 31 December 2008

Amounts due to Group Companies	2009 £	2008 £
Abbey National Treasury Services plc	40,110,629	39,745,793
Group relief due from Group Companies	2009 £	2008 £
Abbey National Treasury Services plc	695,110	592,956
Finance costs	2009 £	2008 £
Abbey National Treasury Services plc	364,836	2,154,334

Transactions with related parties are primarily the settlement of group relief balances with the Company's immediate parent company and interest payable to the Company's immediate parent company or a group company

There were no related party transactions during the year, or existing at the balance sheet date, with the Company's or parent company's key management personnel
