In the event of any conflict or inconsistency between the terms of this Deed and the terms of the Intercreditor Agreement, the terms of the Intercreditor Agreement (including the Agreed Security Principles) shall prevail.
- (b) Capitalised terms defined in the Intercreditor Agreement have the same meaning in this Deed unless expressly defined in this Deed.
- (c) The provisions of clause 1.2 (Construction) of the Intercreditor Agreement apply to this Deed as though they were set out in full in this Deed except that references to the Intercreditor Agreement will be construed as references to this Deed.
- (d) Unless a contrary indication appears, a reference in this Deed to:
 - (i) an **"amendment"** includes, in addition to any meaning given to the Intercreditor Agreement, a supplement, novation, extension (whether of maturity or otherwise), restatement, re-enactment or replacement (in each case, however fundamental and whether or not more onerous or involving any change in or addition to the parties to any agreement or document) and **"amended"** shall be construed accordingly;
 - (ii) **"assets"** includes, in addition to any meaning given to the term in the Intercreditor Agreement present and future properties, revenues and rights of every description;
 - (iii) a **"clearance system"** means a person whose business is or includes the provision of clearance services or security accounts, or any nominee or depositary for that person;
 - (iv) **"disposal"** includes, in addition to any meaning given to the term in the Intercreditor Agreement, a sale, transfer, assignment, grant, lease, licence, declaration of trust or other disposal, whether voluntary or involuntary and **"dispose"** shall be construed accordingly;

- (v) any "**rights**" in respect of an asset includes:
 - (A) all amounts and proceeds paid or payable;
 - (B) all rights to make any demand or claim; and
 - (C) all powers, remedies, causes of action, security, guarantees and indemnities,
 in each case, in respect of or derived from that asset;
- (vi) a "**Secured Debt Document**" or any other agreement or instrument is a reference to that Secured Debt Document or other agreement or instrument as amended and includes any increase in, extension or substitution of or change to any facility or, as applicable, any financing or any other financial accommodation made available under any such document or agreement including as contemplated by Clause 15.3 (Amendments and scope of Secured Liabilities);
- (vii) any reference to the "**Security Agent**", any "**Security Provider**", any "**Secured Party**" or any "**Party**" shall be construed so as to include its successors in title, any permitted assigns and permitted transferees to, or of, its rights and/or obligations under any of the Secured Debt Documents;
- (viii) "**£**", "**GBP**" and "**sterling**" denote the currency of the United Kingdom.
- (ix) any "**Share**" or "**Investment**" includes:
 - (A) any dividend, interest or other distribution paid or payable;

- (g) Unless the context otherwise requires, a reference to a Security Asset includes the proceeds of any disposal of that Security Asset.
- (h) The Security Assets include any asset specified in Schedule 2 (Security Assets) and any asset specified in the appendix to any Security Accession Deed. The fact that no or incomplete details of any Security Asset are inserted in Schedule 2 (Security Assets) or in the appendix to any Security Accession Deed does not affect the validity or enforceability of this Security but, for the avoidance of doubt, no provision of this Deed shall result in any Security arising over an Excluded Asset.
- (i) This Deed shall be construed as creating a separate and distinct fixed charge over each relevant asset within the particular class of assets in respect of which a fixed charge is purported to be created. Any failure to create an effective fixed charge over any asset for any reason shall not affect the nature or validity of the fixed charge created on any other asset within that class of assets or any other class of assets.
- (j) Any right, power or discretion that is expressed to be exercisable by the Security Agent under this Deed after this Security has become enforceable will only be exercisable if the Enforcement Trigger is continuing at that time.

4.1 Negative Pledge

Except as permitted under all of the Secured Debt Documents, no Security Provider shall create or permit to subsist any Security Interest on any Security Asset (or any part of thereof).

4.2 Disposals

Except as permitted under all of the Secured Debt Documents, no Security Provider shall enter into a single transaction or a series of transactions (whether related or not and whether voluntary or involuntary) to dispose of all or any part of any Security Asset.

5. SHARES AND INVESTMENTS

5.1 Calls

If a Security Provider fails to pay any calls or other payments due and payable in respect of any of its Shares, the Security Agent may pay those calls or other payments on behalf of that Security Provider. That Security Provider shall, promptly on request, reimburse the Security Agent for any payment made by the Security Agent under this Clause 5.1.

5.2 Voting rights and dividends

- (a) Before this Security becomes enforceable:
 - (i) each Security Provider may exercise (or refrain from exercising) the voting rights, powers and other rights in respect of its Shares and Investments in any manner it sees fit, except to the extent it adversely affects the validity or enforceability of this Security; and
 - (ii) all dividends, distributions or other income paid or payable in relation to any of its Shares or Investments shall be paid directly to the relevant Security Provider (or as it directs).
- (b) After this Security becomes enforceable:
 - (i) the Security Agent may transfer any Shares or Investments into the name of any nominee of the Security Agent as it sees fit;

- (ii) the Security Agent may exercise (or refrain from exercising), in the name of the relevant Security Provider and without any further consent or authority on the part of the relevant Security Provider, any voting rights and any powers or rights which may be exercised by the legal or beneficial owner of any Shares or Investments, any person who is the holder of any Shares or Investments or otherwise;
- (iii) if any Shares or Investments remain registered in the name of a Security Provider, that Security Provider irrevocably appoints the Security Agent as its proxy to exercise the voting rights and other rights or powers in respect of any of its Shares or Investments; and
- (iv) the Security Agent may apply all dividends, distributions or other income paid or payable in relation to any Shares or Investments in accordance with Clause 11 (Application of proceeds).

6. ACCOUNTS

- (a) Before this Security becomes enforceable, each Security Provider may use, deal, operate and transact business in relation to (including withdrawing any moneys (including interest) standing to the credit of) any Account.
- (b) After this Security becomes enforceable:
 - (i) except with the prior consent of the Security Agent, no Security Provider shall withdraw or otherwise transfer any moneys (including interest) standing to the credit of any Account; and
 - (ii) promptly, and in any event within five Business Days of the Security becoming enforceable, each Security Provider shall give an Account Bank Notice to each institution with which it holds any Account (each an “**Account Bank**”) of the Charges created by this deed over those accounts and provide evidence satisfactory to the Security Agent of the delivery of that notice; and
 - (iii) use reasonable endeavours for a period of 20 Business Days from the date of service of the notice referred to in sub-paragraph (ii) above to procure that each Account Bank promptly acknowledges that notice by countersigning a copy of it and delivering that copy to the Security Agent, provided that where the Security Agent is an Account Bank in relation to any Account in existence at the time of creation of security over it by this deed, the execution of this deed by the Security Agent will be treated as acknowledgment by the Security Agent (in its capacity as Account Bank) of notice of the security created by this deed.

7. WHEN SECURITY BECOMES ENFORCEABLE

7.1 Enforcement Trigger

This Security will become immediately enforceable if the Enforcement Trigger occurs.

7.2 Discretion

After this Security has become enforceable, the Security Agent may enforce all or any part of this Security in any manner it sees fit or as instructed in accordance with the Intercreditor Agreement.

7.3 Statutory powers

The power of sale and other powers conferred by section 101 of the Act, as amended by this Deed, will be immediately exercisable at any time after this Security has become enforceable.

8. ENFORCEMENT OF SECURITY

8.1 General

- (a) For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due and payable on the date of this Deed.
- (b) Section 103 of the Act (restricting the power of sale) and section 93 of the Act (restricting the right of consolidation) do not apply to this Security.
- (c) The statutory powers of leasing conferred on the Security Agent are extended so as to authorise the Security Agent to lease, make agreements for leases, accept surrenders of leases and grant options as the Security Agent may think fit at any time after this Security has become enforceable and without the need to comply with any provision of section 99 or section 100 of the Act.

8.2 No liability as mortgagee in possession

Neither the Security Agent nor any Receiver will be liable, by reason of entering into possession of a Security Asset, to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable, other in the case of fraud or wilful default.

8.3 Privileges

The Security Agent and each Receiver is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers duly appointed under the Act, except that section 103 of the Act does not apply.

8.4 Protection of third parties

No person (including a purchaser) dealing with the Security Agent or a Receiver or its agents will be concerned to enquire:

- (a) whether the Secured Liabilities have become payable;
- (b) whether any power which the Security Agent or a Receiver is purporting to exercise has become exercisable or is being properly exercised;
- (c) whether any money remains due under any of the Secured Debt Documents; or
- (d) how any money paid to the Security Agent or to that Receiver is to be applied.

8.5 Redemption of prior mortgages

- (a) At any time after this Security has become enforceable, the Security Agent may:
 - (i) redeem any prior Security Interest against any Security Asset; and/or
 - (ii) procure the transfer of that Security Interest to itself; and/or

- (iii) settle and pass the accounts of the prior mortgagee, chargee or encumbrancer; any accounts so settled and passed will be, in the absence of manifest error, conclusive and binding on each Security Provider.
- (b) Each Security Provider shall pay to the Security Agent, promptly on demand, the costs and expenses properly incurred by the Security Agent in connection with any such redemption and/or transfer, including the payment of any principal or interest.

8.6 Contingencies

If this Security is enforced at a time when no amount is due under any of the Secured Debt Documents but at a time when amounts may or will become due, the Security Agent (or a Receiver) may pay the proceeds of any recoveries effected by it into a suspense account or other account selected by it.

8.7 Financial collateral

- (a) To the extent that the Security Assets constitute "financial collateral" and this Deed and the obligations of a Security Provider under this Deed constitute a "security financial collateral arrangement" (in each case, for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003), the Security Agent will have the right after this Security has become enforceable to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Liabilities.
- (b) Where any financial collateral is appropriated:
 - (i) if it is cash, its value will be the amount standing to the credit of the relevant account on the date of appropriation plus any accrued but uncredited interest;
 - (ii) if it is listed or traded on a recognised exchange, its value will be taken as being the value at which it could have been sold on the exchange on the date of appropriation; or
 - (iii) in any other case, its value will be such amount as the Security Agent reasonably determines as the market price having taken into account advice obtained by it from an independent adviser, investment bank or accountancy firm of national standing selected by it,

and each Secured Party shall give credit for the proportion of the value of the financial collateral appropriated to its use.

8.8 Applying credit balances

The Security Agent may, at any time after this Security has become enforceable, set off or require the Account Bank in respect of an Account to pay any moneys (including interest) standing to the credit of that Account to the Security Agent (or as the Security Agent may direct) and the Security Agent may apply all or any part of those moneys against all or any part of the Secured Liabilities.

9. RECEIVER

9.1 Appointment of Receiver

- (a) Except as provided below, the Security Agent may appoint any one or more persons to be a Receiver of all or any part of the Security Assets if:
 - (i) this Security has become enforceable; or

- (ii) a Security Provider so requests to the Security Agent at any time.
- (b) Any appointment under paragraph (a) above may be by deed, under seal or in writing under its hand.
- (c) Except as provided below, any restriction imposed by law on the right of a mortgagee to appoint a Receiver (including under section 109(1) of the Act) does not apply to this Deed.
- (d) The Security Agent is not entitled to appoint a Receiver solely as a result of the obtaining of a moratorium (or anything done with a view to obtaining a moratorium) under Part A1 of the Insolvency Act 1986 other than in respect of any floating charge referred to in subsection (4) of section A52 of Part A1 of the Insolvency Act 1986.
- (e) The Security Agent may not appoint an administrative receiver (as defined in section 29(2) of the Insolvency Act 1986) over the Security Assets if the Security Agent is prohibited from so doing by section 72A of the Insolvency Act 1986 and no exception to the prohibition on appointing an administrative receiver applies.

9.2 Removal

The Security Agent may by writing under its hand (subject to any requirement for an order of the court in the case of an administrative receiver) remove any Receiver appointed by it and may, whenever it thinks fit, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated.

9.3 Remuneration

The Security Agent may fix the remuneration of any Receiver appointed by it and the maximum rate specified in section 109(6) of the Act will not apply.

9.4 Agent of each Security Provider

- (a) A Receiver will be deemed to be the agent of each Security Provider for all purposes and accordingly will be deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Act. Each Security Provider alone is responsible for any contracts, engagements, acts, omissions, defaults and losses of a Receiver and for any liabilities incurred by a Receiver (other than in the case of the Receiver's fraud or wilful default).
- (b) No Secured Party will incur any liability (either to a Security Provider or to any other person) by reason of the appointment of a Receiver or for any other reason.

9.5 Relationship with Security Agent

To the fullest extent allowed by law, any right, power or discretion conferred by this Deed (either expressly or impliedly) or by law on a Receiver may, after this Security becomes enforceable, be exercised by the Security Agent in relation to any Security Asset without first appointing a Receiver and notwithstanding the appointment of a Receiver.

10. POWERS OF RECEIVER

10.1 General

- (a) Unless the terms of appointment restrict a Receiver's powers, a Receiver has all of the rights, powers and discretions set out below in this Clause 10 in addition to those conferred on it by any law. This includes:

- (i) in the case of an administrative receiver, all the rights, powers and discretions conferred on an administrative receiver under the Insolvency Act 1986; and
 - (ii) otherwise, all the rights, powers and discretions conferred on a receiver (or a receiver and manager) under the Act and the Insolvency Act 1986.
- (b) If there is more than one Receiver holding office at the same time, each Receiver may (unless the document appointing it states otherwise) exercise all of the powers conferred on a Receiver under this Deed individually and to the exclusion of any other Receiver.

10.2 Possession

A Receiver may take immediate possession of, get in and realise any Security Asset.

10.3 Carry on business

A Receiver may carry on any business of any Security Provider in any manner it thinks fit.

10.4 Employees

- (a) A Receiver may appoint and discharge managers, officers, agents, accountants, servants, workmen and others for the purposes of this Deed upon such terms as to remuneration or otherwise as it thinks fit.
- (b) A Receiver may discharge any person appointed by any Security Provider.

10.5 Borrow money

A Receiver may raise and borrow money either unsecured or on the security of any Security Asset either in priority to this Security or otherwise and generally on any terms and for whatever purpose which it thinks fit.

10.6 Sale of assets

- (a) A Receiver may sell, exchange, convert into money and realise any Security Asset by public auction or private contract and generally in any manner and on any terms which it thinks fit.
- (b) The consideration for any such transaction may consist of cash or non-cash consideration and any such consideration may be payable in a lump sum or by instalments spread over any period which it thinks fit.
- (c) Fixtures, other than landlord's fixtures, may be severed and sold separately from the property containing them without the consent of the relevant Security Provider.

10.7 Leases

A Receiver may let any Security Asset for any term and at any rent (with or without a premium) which it thinks fit and may accept a surrender of any lease or tenancy of any Security Asset on any terms which it thinks fit (including the payment of money to a lessee or tenant on a surrender).

10.8 Compromise

A Receiver may settle, adjust, refer to arbitration, compromise and arrange any claim, account, dispute, question or demand with or by any person who is or claims to be a creditor of any Security Provider or relating in any way to any Security Asset.

10.9 Legal actions

A Receiver may bring, prosecute, enforce, defend and abandon any action, suit or proceedings in relation to any Security Asset which it thinks fit.

10.10 Receipts

A Receiver may give a valid receipt for any moneys and execute any assurance or thing which may be proper or desirable for realising any Security Asset.

10.11 Subsidiaries

A Receiver may form a Subsidiary of any Security Provider and transfer to that Subsidiary any Security Asset.

10.12 Delegation

A Receiver may delegate its powers in accordance with this Deed.

10.13 Lending

A Receiver may lend money or advance credit to any person.

10.14 Protection of assets

A Receiver may:

- (a) effect any repair or insurance and do any other act which a Security Provider might do in the ordinary conduct of its business to protect or improve any Security Asset;
- (b) commence and/or complete any building operation; and
- (c) apply for and maintain any planning permission, building regulation approval or any other Authorisation,

in each case as it thinks fit.

10.15 Other powers

A Receiver may:

- (a) do all other acts and things which it may consider necessary or desirable for realising any Security Asset or incidental or conducive to any of the rights, powers or discretions conferred on a Receiver under or by virtue of this Deed or law;
- (b) exercise in relation to any Security Asset all the powers, authorities and things which it would be capable of exercising if it were the absolute beneficial owner of that Security Asset; and
- (c) use the name of any Security Provider for any of the above purposes.

11. APPLICATION OF PROCEEDS

All amounts from time to time received or recovered (whether in cash or otherwise) by the Security Agent or any Receiver pursuant to the terms of this Deed or in connection with the realisation or enforcement of all or part of this Security will be held by the Security Agent and applied in accordance with the Intercreditor Agreement. This Clause 11:

- (a) is subject to the payment of any claims having priority over this Security; and
- (b) does not prejudice the right of any Secured Party to recover any shortfall from any Security Provider.

12. DELEGATION

12.1 Power of attorney

The Security Agent or any Receiver may, at any time, delegate by power of attorney or otherwise to any person for any period all or any right, power, authority or discretion exercisable by it under this Deed.

12.2 Terms

Any such delegation may be made upon any terms and conditions (including the power to sub-delegate) and subject to any restrictions that the Security Agent or that Receiver (as the case may be) may, in its discretion, think fit in the interests of the Secured Parties.

12.3 Liability

Neither the Security Agent nor any Receiver shall be bound to supervise, or be in any way responsible for any damages, costs or losses incurred by reason of any misconduct, omission or default on the part of, any such delegate or sub-delegate.

13. FURTHER ASSURANCES

- (a) Subject to the Agreed Security Principles and the other provisions of this Deed, each Security Provider shall promptly, at its own expense, take whatever action the Security Agent or a Receiver may require for:
 - (i) creating, perfecting or protecting any security over any Security Asset; or
 - (ii) facilitating the realisation of any Security Asset, or the exercise of any right, power or discretion exercisable, by the Security Agent or any Receiver or any of their respective delegates or sub-delegates in respect of any Security Asset.
- (b) Subject to the Agreed Security Principles and the other provisions of this Deed, the action that may be required under paragraph (a) above includes:
 - (i) the execution of any mortgage, charge, transfer, conveyance, assignment or assurance in respect of any asset, whether to the Security Agent or to its nominee or any other person; or
 - (ii) the giving of any notice, order or direction and the making of any filing or registration, which, in any such case, the Security Agent may consider necessary or desirable.

14. POWER OF ATTORNEY

- (a) Each Security Provider, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any of their respective delegates or sub-delegates to be its attorney with the full power and authority of that Security Provider to:

- (i) execute, deliver and perfect all deeds, instruments and other documents in its name and otherwise on its behalf; and
 - (ii) do or cause to be done all acts and things, in each case which may be required or which any attorney may in its absolute discretion deem necessary for carrying out any obligation of that Security Provider under or pursuant to this Deed or generally for enabling the Security Agent or any Receiver to exercise the respective powers conferred on them under this Deed or by law.
- (b) Each Security Provider ratifies and confirms whatever any attorney does or purports to do under its appointment under this Clause 14.
 - (c) The Security Agent and any Receiver may only exercise the power of attorney under paragraph (a) above after this Security has become enforceable.

15. PRESERVATION OF SECURITY

15.1 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Security Provider or any security for those obligations or otherwise) is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, the liability of each Security Provider under this Deed will continue or be reinstated as if the discharge, release or arrangement had not occurred.

15.2 Waiver of defences

The obligations of each Security Provider under this Deed will not be affected by any act, omission, matter or thing which, but for this Clause 15, would reduce, release or prejudice any of its obligations under this Deed including (whether or not known to it or any Secured Party):

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any Obligor or any other person under the terms of any composition or arrangement with any creditor;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (e) any amendment of any Secured Debt Document or any other document or security including any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Secured Debt Document or other document or security;
- (f) any unenforceability, illegality, invalidity or non-provability of any obligation of any person under any Secured Debt Document or any other document or security; or
- (g) any insolvency, resolution or similar proceedings.

15.3 Amendments and scope of Secured Liabilities

- (a) Without prejudice to the generality of Clause 15.2 (Waiver of defences), each Security Provider acknowledges that the Secured Debt Documents may from time to time be amended in accordance with their terms.
- (b) Each Security Provider confirms its intention that:
 - (i) any amendment to a Secured Debt Document is within the scope of the Secured Liabilities and this Security; and
 - (ii) the Secured Liabilities and this Security extend to any amount payable by it under or in connection with a Secured Debt Document as amended.
- (c) Each Security Provider agrees that the confirmations in paragraph (b) above apply regardless of:
 - (i) why or how a Secured Debt Document is amended (including the extent of the amendment and any change in or addition to the parties);
 - (ii) whether any amount payable by an Obligor under or in connection with the amended Secured Debt Document in any way relates to any amount that would or may have been payable had the amendment not taken place;
 - (iii) the extent to which its liability under this Deed (whether present or future, actual or contingent), or any right it may have as a result of entering into or performing its obligations under this Deed, changes or may change as a result of the amendment; and
 - (iv) whether it was aware of or consented to the amendment.
- (d) Each Security Provider further acknowledges and agrees that (to the extent permitted by the terms of each of the Secured Debt Documents):
 - (i) the Secured Liabilities are intended to cover all obligations owing to any Secured Party under any Secured Debt Document from time to time; and
 - (ii) this Security is intended as security for the payment and discharge of all of the Secured Liabilities without the need for any amendment to this Deed or for any supplemental, confirmatory or subsequent ranking security document.
- (e) Each Security Provider further acknowledges and agrees that paragraphs (a) to (d) above shall apply (to the extent permitted by the terms of all of the Secured Debt Documents) whether or not:
 - (i) any of the Secured Liabilities or Secured Debt Documents exist on the date of this Deed (or, as the case may be, the date on which it becomes a Party pursuant to a Security Accession Deed);
 - (ii) the amount of the Secured Liabilities is increased or the terms of any of the Secured Debt Documents are more onerous (including in relation to the interest rate and other pricing terms);
 - (iii) any additional obligations are added to the Secured Liabilities by way of designating a document as a Secured Debt Document or any person as a Secured Party, and whether or not that document or person is designated directly, or indirectly as a result

of that document or person being of a type or class which falls within the then current definition of Secured Debt Documents or Secured Party;

- (iv) that Security Provider or any person incurring the Secured Liabilities is a party to any of the Secured Debt Documents on the date of this Deed (or, as the case may be, the date on which it becomes a Party pursuant to a Security Accession Deed);
 - (v) any of the Secured Parties changes (including a change to all or substantially all of the Secured Parties) or any amendment is made to the definition of Secured Party (or any defined term in any Secured Debt Document that is referred to in the definition of Secured Party to include an additional person as a Secured Party); or
 - (vi) any change increases the likelihood that this Security will be enforced.
- (f) Notwithstanding the above or anything to the contrary in any other Senior Secured Debt Document, each Security Provider agrees that the Security Agent and the Company may enter (and the Security Agent is irrevocably authorised, without the need for any consent from any other Secured Party, to enter) into any amendment to this Deed or any other document necessary to give effect to any increase or change in the Secured Liabilities (which is permitted by the terms of each of the Secured Debt Documents).

15.4 Immediate recourse

Each Security Provider waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Security Provider under this Deed. This waiver applies irrespective of any law or provision of a Senior Secured Debt Document to the contrary.

15.5 Appropriations

Subject to the Intercreditor Agreement, the Security Agent (or any trustee or agent on its behalf) may at any time during the Security Period:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by the Security Agent in respect of the Secured Liabilities or apply and enforce the same in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise) and no Security Provider shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Security Provider or on account of any Security Provider's liability under this Deed.

15.6 Deferral of Security Provider's rights

- (a) Unless the Security Period has expired or the Security Agent otherwise directs, no Security Provider will exercise any rights which it may have by reason of performance by it of its obligations under this Deed or by reason of any amount being payable, or liability arising, under this Deed:
 - (i) to be indemnified by an Obligor;
 - (ii) to claim any contribution from any other person who has provided security or a guarantee in respect of any Obligor's obligations under any Secured Debt Documents;
 - (iii) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under any of the Secured Debt

Documents or of any other guarantee or security taken pursuant to, or in connection with, any of the Secured Debt Documents by any Secured Party;

- (iv) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Security Provider has granted security under this Deed;
 - (v) to exercise any right of set-off against any Obligor; and/or
 - (vi) to claim or prove as a creditor of any Obligor in competition with any Secured Party.
- (b) If a Security Provider receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Obligors under or in connection with the Secured Debt Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Agent (or as the Security Agent may direct) for application, subject to the Intercreditor Agreement, in accordance with the terms of this Deed.

15.7 Additional Security

- (a) This Security is in addition to and is not in any way prejudiced by any other security or guarantee now or subsequently held by any Secured Party.
- (b) No prior security held by any Secured Party (in its capacity as such or otherwise) over any Security Asset will merge with this Security.

16. MISCELLANEOUS

16.1 Continuing Security

This Security is a continuing security and will extend to the ultimate balance of the Secured Liabilities regardless of any intermediate payment or discharge in whole or in part.

16.2 Tacking

Each Secured Party shall perform its obligations under each of the Secured Debt Documents (including any obligation to make available further advances).

16.3 New accounts

- (a) If any subsequent charge or other interest affects any Security Asset, a Secured Party may open a new account with a Security Provider.
- (b) If that Secured Party does not open a new account, it will nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of that charge or other interest.
- (c) As from that time all payments made to that Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any Secured Liability.

16.4 Time deposits

Without prejudice to any right of set-off any Secured Party may have under any other Secured Debt Document or otherwise, if any time deposit matures on any account a Security Provider has with any Secured Party within the Security Period when:

- (a) this Security has become enforceable; and
- (b) no Secured Liability is due and payable,

that time deposit will automatically be renewed for any further maturity which that Secured Party considers appropriate.

17. RELEASE

At the end of the Security Period or if otherwise contemplated by the terms of all of the other Secured Debt Document, the Security Agent shall, at the request and cost of the Security Providers, take whatever action is necessary to release the relevant Security Assets from this Security.

18. CHANGES TO THE PARTIES

18.1 The Secured Parties

Any Secured Party may assign or otherwise dispose of all or any of its rights under this Deed in accordance with the terms of the Secured Debt Documents to which it is a party and may disclose any information in its possession relating to any Third Party Security Provider to any actual or prospective assignee, transferee or participant.

19. NOTICES

19.1 Communications in writing

Any communication to be made to or by a Third Party Security Provider under or in connection with this Deed shall be made in writing and, unless otherwise stated, may be made by letter.

19.3 Delivery

- (a) Any communication or document made or delivered by one person to another under or in connection with this Deed will only be effective if by way of letter, when it has been left at the relevant address or five Business Days after being deposited in the post postage prepaid in an envelope addressed to it at that address and, if a particular department or officer is specified as part of its address details provided under Clause 19.2 (Addresses), if addressed to that department or officer.
- (b) Any communication or document to be made or delivered to the Security Agent will be effective only when actually received by the Security Agent and then only if it is expressly

- (c) Any communication or document which becomes effective, in accordance with paragraphs (a) and (b) above, on a non-working day or after 5pm in the place of receipt shall be deemed only to become effective on the next working day in that place.

19.4 Electronic communication

- (a) Any communication to be made between the Parties under or in connection with this Deed may be made by electronic mail or other electronic means (including by way of posting to a secure website), if the Parties:
 - (i) notify each other in writing of their electronic mail address and/or any other information required to enable the transmission of information by that means; and
 - (ii) notify each other of any change to their electronic mail address or any other such information supplied by them by not less than five Business Days' notice.
- (b) Any such electronic communication as specified in paragraph (a) above to be made between the Parties may only be made in that way to the extent that the Parties agree that, unless and until notified to the contrary, this is to be an accepted form of communication.
- (c) Any such electronic communication as specified in paragraph (a) above made between the Parties will be effective only when actually received (or made available) in readable form and in the case of any electronic communication made by the Security Provider to the Security Agent only if it is addressed in such a manner as the Security Agent shall specify for this purpose.
- (d) Any electronic communication which becomes effective, in accordance with paragraph (c) above, on a non-working day or after 5pm in the place in which the Party to whom the relevant communication is sent or made available has its address for the purpose of this Deed shall be deemed only to become effective on the next working day in that place.
- (e) Any reference in this Deed to a communication being sent or received shall be construed to include that communication being made available in accordance with this Clause 19.4.
- (f) An electronic communication will be treated as being in writing for the purposes of this Deed.

19.5 English language

Any communication made under or in connection with this Deed shall be in English.

20. CALCULATIONS AND CERTIFICATES

20.1 Accounts

In any litigation or arbitration proceedings arising out of or in connection with this Deed, the entries made in the accounts maintained by a Secured Party are prima facie evidence of the matters to which they relate.

20.2 Certificates and determinations

Any certification or determination by a Secured Party of a rate or amount under any Secured Debt Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

21. PARTIAL INVALIDITY

If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

22. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right or remedy under this Deed shall operate as a waiver of any such right or remedy or constitute an election to affirm this Deed. No election to affirm this Deed on the part of any Secured Party shall be effective unless it is in writing. No single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law, and may be waived only in writing and specifically.

23. COUNTERPARTS
