NOTES TO THE FINANCIAL STATEMENTS

In common with many businesses of similar size and organisation, the Company's system of control is dependent upon the close involvement of the Directors (who are also shareholders). Independent confirmation of the completeness of the accounting records has not been sought since the Directors confirm that all the Company's transactions have been reflected in the records.

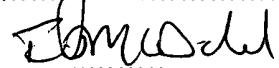

Subject to the above, the financial statements, which have been prepared under the historic cost convention, give a true and fair view of the Company's state of affairs as at 30th September 2017, and of the profit for the year ended on that date, and comply with the Companies Act 2006 in so far as the provisions of the Act apply to these financial statements.
