REPORT OF THE COUNCIL OF MANAGEMENT AS DIRECTORS OF THE COMPANY

The Council of Management present their report and the unaudited financial statements for the year ended 31 August 2022. This report is also a Directors' Report required by Section 417 of the Companies Act as all Members of the Council of Management are Directors.

The financial statements have been prepared in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) – (Charities SORP (FRS102)) and the Charities Act 2011.

The charitable company is registered with the Charity Commissioners under No. 298635 and with the Registrar of Companies, as a company limited by guarantee, under No. 02071112.

Objectives and activities

The charitable company's objective is to promote and provide the advancement of education. The charitable company, in furtherance of its principal charitable objective, operates the Convent School, known as St Philomena's which activity was previously carried on by the Sisters of Our Lady of Mercy at Hadleigh Road, Frinton-on-Sea.

In setting out the school's objectives the Council of Management have given careful consideration to the Charity Commission's general guidance on public benefit. In doing so the Council of Management have complied with their duties in this area as set out in Section 4 of the Charities Act 2011.

Operational review, achievement and performance

The Council of Management considers that the operations have been well managed during a financially challenging year, a summary of the year's financial operations is given on page 9. The assets of the charitable company are sufficient to fulfil its obligations.

In the year under review the charitable company recorded a surplus of £222,757. The previous year showed a surplus of £125,024. The average number of pupils on role has increased from 116 (summer term 2021) to 128 (summer term 2022). Income resources have increased by 29.3% during the year (2021: 1.9% increase). The tuition centre generated income of £21,175 in its third year of operating (2021: £20,155).

Resources expended have continued to be monitored and have shown a 19.18% increase during the year (2021: 7.05% decrease). This is due to an increase in expenditure on pupil resources and premises expenditure.

St Philomena's School provides seven fully funded bursaries (these can be split into more part-funded bursaries) and nine scholarships including two full scholarships for the academic life of the child. In addition St Philomena's operates a discount system offering reductions to families where multiple children attend the school.

As a Catholic School, the ethos is Christian, but children of all faiths, traditions and denominations are welcomed. There are currently 23 Catholic pupils (18%).

ST PHILOMENA'S SCHOOL LIMITED

REPORT OF THE COUNCIL OF MANAGEMENT AS DIRECTORS OF THE COMPANY

There are strong links with the local parish and community and members of the local community are invited to attend events throughout the year. For example, Open Days, Remembrance service and Christmas productions including a carol service and Nativity performances. Pupils are actively involved in community events such as participating in events organised by the local council such as Swim Safe and Crucial Crew and events organised by Frinton Rotary Club, including an afternoon tea for the elder members of the community and their annual Carol Service.

Plans for future periods

1. Set up a specialist room for the teaching of Computing, including the purchase of resources and materials to enable the subject to be taught at greater depth.
2. Purchase and install an all-weather timber adventure trail outside for use by the whole school.
3. Develop the Early Years garden so it can be used both as an all-weather outdoor learning environment for Reception class and an outside play area for Reception, Year 1 and Year 2.
4. Investigate the demand for childcare provision during the school holidays.

Reserves

The unrestricted reserves, as shown on page 9 are £718,541 (2021: £496,842). The Council of Management are aware that the Charities Commission recommendation for setting reserves policy is to reduce the reported funds by the value of fixed assets held for charitable purposes. Once this adjustment is made then there is a surplus of £316,163 (2021: surplus of £90,379) on unrestricted reserves at the year end. The Council of Management's policy is to build up a premises reserve of £50,000 and a general reserve to cover six months running costs (unrestricted expenditure on charitable activities). Based on the results in the current year this is £407,240. While the target level of reserves has not yet been reached the Council of Management are pleased with the progress made towards reaching the desired level during the year and are looking to continue this in the coming months.

The Council of Management take comfort at the year-end position from the fact that the Freehold Property is unencumbered by debt so could be used as collateral to finance a short-term funding requirement.

A strategic plan is in place to promote the school to a wider audience and create opportunities to utilise the school premises for those in the wider community.

ST PHILOMENA'S SCHOOL LIMITED

REPORT OF THE COUNCIL OF MANAGEMENT AS DIRECTORS OF THE COMPANY

Risk management

The Council of Management have examined major strategic, governance, business, financial and operational risks which the charitable company may face and have implemented the appropriate systems and monitoring to mitigate these. The potential reduction in pupils is the major risk to the charitable company. The charitable company promotes itself strongly in its catchment area and sets fees at affordable levels. The financial controls in place include monthly reporting against budget, and a strong accountability framework. Staff and the Council of Management are involved in reviewing and managing risk. Internal financial controls conform to guidelines issued by the Charity Commission. The charitable company holds insurance against all normal risks and also against loss of premises.

Fundraising

The work put in by those connected with the school on fundraising is acknowledged with thanks.

Pay policy for senior staff

The School has its own pay scale for teachers which is reviewed annually.

Council of Management's responsibilities for the financial statements

The Council of Management (who are also directors of St Philomena's School Limited for the purposes of company law) are responsible for preparing the Report of the Council of Management and the financial statements in accordance with applicable law and regulations.

Company law requires the Council of Management to prepare financial statements for each financial year. Under that law the Council of Management must prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Council of Management must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing those financial statements, the Council of Management are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue to operate.

The Council of Management are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF ST PHILOMENA'S SCHOOL LIMITED

I report to the Council of Management (who are also directors for the purpose of company law) on my examination of the financial statements of St Philomena's School Limited ('the charitable company') for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and related notes.

This report is made solely to the Council of Management, as a body, in accordance with Section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the Council of Management those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company and the Council of Management as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As members of the Council of Management you are responsible for the preparation of financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the charitable company are not required to be audited under Part 16 of the Act and are eligible for independent examination, I report in respect of my examination of the charitable company's financial statements carried out under section 145 of the Charities Act 2011 ('the 2011 Act') and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters than an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF ST PHILOMENA'S SCHOOL LIMITED

Independent examiner's statement

Since the charitable company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

16 TEACHERS' PENSION SCHEME

The TPS is an unfunded scheme. Contributions on a 'pay-as-you-go' basis are credited to the exchequer under arrangements governed by the Superannuation Act 1972. Actuarial valuations are carried out on a notional set of investments.

Under the definitions set out in Financial Reporting Standard (FRS) 102 Retirement Benefits, the TPS is a multi-employer pension scheme. St Philomena's School Limited is unable to identify its share of the underlying (notional) assets and liabilities of the scheme. Accordingly, St Philomena's School Limited has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined contributions scheme. St Philomena's School Limited has set out below the information available on the scheme and the implications for the School in terms of the anticipated contribution rates.

The pensions cost is assessed every three years in accordance with the advice of the government actuary. The assumptions and other data that have the most significant effect on the determination of the contribution levels are as follows:

Latest actuarial valuation	31 March 2016
Actuarial method	prospective benefits
Salary scale increases per annum	4.2%
Pension increase per annum	2.0%
Value of notional assets at date of last valuation (the Account) (estimated future contributions together with notional investments held at 31 March 2016)	£196,100 million
Value of notional liabilities at date of last valuation (pensions currently in payment and the estimated future costs of benefits)	£218,100 million
Balance of Scheme assets and liabilities at 31 March 2016	£(22,000) million
Proportion of members' accrued benefits covered by the notional value of the assets	89.91%

Following the implementation of the Teacher's Pension (Employer's Supplementary Contributions) Regulations 2000, the Government Actuary carried out a further review on the level of employer contributions. For the period from 1 May 2009, when the School joined the scheme, the employer contribution was 14.1%. The employee rate was between 6.4% and 12.4% for the same period. The employer contribution rate was fixed at 16.4% from September 2015 but increased to 23.68%, from 1 September 2019.

The total contributions made for the year ended 31 August 2022 were £88,409 (2021: £88,994) of which employers' contributions totalled £64,210 (2021: £64,696) and employees' contributions totalled £24,199 (2021: £24,298).
