Independent Auditor's Report to Ledmore Marble Limited

UNDER SECTION 449 OF THE COMPANIES ACT 2006

We have examined the abbreviated accounts set out on pages 2 to 5, together with the financial statements of Ledmore Marble Limited for the year ended 31st May 2010 prepared under Section 396 of the Companies Act 2006

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company for our work, for this report, or for the opinions we have formed

Respective Responsibilities of Directors and Auditor

The directors are responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you

Basis of Opinion

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations made under that section

Notes to the Abbreviated Accounts

Year Ended 31st May 2010

1. Accounting Policies

Basis of Accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

The turnover shown in the profit and loss account represents goods supplied during the period, exclusive of Value Added Tax

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows.

Plant & Machinery

- 10 to 20% straight line

Leasehold Quarry

- unit of production basis / over period of lease

The carrying values of tangible fixed assets are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Work in Progress

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal level of activity Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress

Operating Lease Agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease

Deferred Taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exception

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date

1. Accounting Policies (continued)

Financial Instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

Restoration Costs

On termination of the mineral lease there is a requirement to leave the land in a secure condition to the satisfaction of the landlord. Costs of restoration will be provided throughout the life of the lease dependant on production

No provision has been made to date, as the directors do not believe that restoration costs to date are significant
