N V A Services Limited

Strategic report for the year ended 31 July 2017

The Directors of N V A Services Limited ('the Company') present their strategic report for the year ended 31 July 2017.

Principal activity and review of the business

N V A Services Limited is an intermediate parent undertaking that directly holds investments in a number of subsidiaries.

The Company's trading subsidiaries are engaged in the distribution of ventilation equipment.

The loss for the year, after taxation, is £1,133,000 (2016: £112,000).

During the year the Company's investment in Sens-air Limited was impaired by £1,122,000 (2016: £nil). As a result of Sens-air Limited ceasing to trade at 31 July 2017, the estimated future cash flows for this entity were expected to be £nil. Consequently the recoverable amount of the investment was also considered to be £nil.

The Company's key financial performance indicator during the period was as follows:

	2017 £000	2016 £000	Change %
Fair value of investments	22,368	10,649	110.0

The key focus of management is the fair value of investments, which is summarised above. This differs from the carrying value in the balance sheet, which was impaired during the period for one subsidiary.

Principal risks and uncertainties

The Directors consider the principal risks and uncertainties facing the Company to be broadly grouped as asset impairment, economic, and financial instrument related. These risks are explained further below:

Asset impairment risk

To identify any risk of impairment in a timely manner, the company reviews the financial performance of its investments on a regular basis. To date, all investments have had a strong period and are not exhibiting indicators of impairment. This is expected to continue for the foreseeable future.

Economic risk

In the UK, demand for the products of the Company's trading subsidiaries is influenced by both public and privately funded new and refurbishment construction projects. The UK construction market is in turn heavily influenced by prevailing macro-economic conditions and relevant UK and European legislation particularly with regards to air quality and energy efficiency. The Company reviews its cost base and organisational structure on a regular basis.

Financial instrument risk

The most significant financial instrument held by the Company is its investments in subsidiaries. The Directors understanding of the risks associated with the investments held by the entity relate to the potential impairment of those investments. To identify any risk of impairment in a timely manner, the company reviews the financial performance of its investments on a regular basis. In the year one investment was fully impaired as the Company ceased to trade. To date, all other investments have had a strong year and are not exhibiting indicators of impairment. This is expected to continue for the foreseeable future.

In addition to investments, the Company principally engages in two types of financial instrument:

- Short term working capital (other debtors, other creditors and cash); and
- Intra-group debtors and creditors.

N V A Services Limited

Strategic report for the year ended 31 July 2017 (*continued*)

Principal risks and uncertainties (*continued*)

Financial instrument risk (*continued*)

The Directors do not consider the book value of financial instruments to materially differ from their fair values.

The Directors' understanding of and the Company's exposure to risk as a result of using financial instruments is as follows:

- **Price risk**

Risk that the value of a financial instrument will fluctuate as a result of changes in market prices. The Directors consider this risk to relate to foreign exchange. The risk to derivative financial instruments is minimal as the transacted rate and quantity of currency are fixed in advance by the Group. Risk arising on non-derivative financial instruments is mitigated by utilisation of surplus foreign currency within the group of which the Company is a member.

- **Credit risk**

Risk that one party to a financial instrument will fail to discharge their obligation and cause the other party to incur a financial loss. With regard to non-derivative financial instruments, the directors believe credit risk principally relates to long-term intra-group debtors. To mitigate against exposure to credit risk the Company only lends to companies in the group of which it is a member and regularly reviews the performance and cash flow forecasts of the entities to which it has lent.

- **Liquidity risk**

Risk that an entity will encounter difficulty in raising funds to meet commitments associated with financial instruments. To the best of the directors' knowledge there are no foreseeable constraints in discharging obligations under financial instruments.

The Company is also exposed to credit and liquidity risk from other group undertakings. The risk is managed by only lending to companies that are part of the same group as the company.

On behalf of the Board

Ian Dew
Director

14 December 2017

N V A Services Limited

Directors' report for the year ended 31 July 2017

The Directors of N V A Services Limited ('the Company') present their report and financial statements for the year ended 31 July 2017.

Directors

The Directors of the Company throughout the year were:

R Francis
R A George
I Dew
P Duckling (resigned 31 May 2017)

Dividends

The Company did not pay an interim dividend (2016: £nil). The Directors do not recommend the payment of a final dividend (2016: £nil).

Donations

During the year, the Company did not make any political or charitable donations.

Future developments

The Company will continue to develop its existing activities and seek expansion opportunities to increase profitability.

Financial instruments

The Directors' understanding of, and the Company's exposure to risk as a result of using financial instruments is set out in the strategic report.

Disabled employees and employee involvement

A skilled workforce is key to the future of the Company. Health and Safety matters are reviewed regularly by the Directors and it is our policy to ensure that:

- Full and fair consideration is given to all applications for employment made by disabled persons, having regard to their capabilities;
- If an existing employee becomes disabled (whether from illness or accident) every reasonable effort is made to continue to provide employment either in the same job, or by training for a suitable alternative job; and
- Disabled persons are given equal consideration for training, career development and opportunities for promotion within the Company.

Management are regularly provided with a range of information concerning the performance of the business by means of meetings and similar briefings that allows employees' views and opinions to be taken into consideration. Other means of communication are used to ensure employees are systematically provided with information on matters of concern to them.

Directors' liabilities

The enlarged Group of which the Company is a member has granted an indemnity to certain Directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act 2006. Such qualifying third party indemnity provision remains in force at the date of approving the Directors' report.

N V A Services Limited

Directors' report for the year ended 31 July 2017 (*continued*)

Going concern

The Directors confirm that after making appropriate enquiries, they have a reasonable expectation that the Company has adequate support from its ultimate parent company, Volution Group plc, to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. The Directors' responsibilities are set out on page 5 and should be read in conjunction with this statement.

Disclosure of information to the auditor

So far as each person who was a Director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow Directors and the Company's auditor, each Director has taken all the steps that he is obliged to take as a Director in order to make himself aware of any relevant audit information and to establish that the auditor is aware of that information.

Re-appointment of auditor

In accordance with section 485 of the Companies Act 2006, a resolution is to be proposed for reappointment of Ernst & Young LLP as auditor of the Company.

On behalf of the Board

Ian Dew
Director
14 December 2017

N V A Services Limited

Directors' responsibilities statement for the year ended 31 July 2017

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the company for that year.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditor's Report to the Members of N V A Services Limited

Opinion

We have audited the financial statements of N V A Services Limited for the year ended 31 July 2017 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity and the related notes 1 to 19, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 July 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report set out on pages 1 to 5, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Independent Auditor's Report to the Members of N V A Services Limited (continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

N V A Services Limited

Notes forming part of the financial statements for the year ended 31 July 2017

1 Authorisation of financial statements and statement of compliance with FRS 101

The financial statements present the results and financial position of N V A Services Limited ("the Company") for the year ended 31 July 2017. The Company is a private limited company and is incorporated and domiciled in England and Wales. The address of the Company's registered office is Fleming Way, Crawley, West Sussex RH10 9YX.

The financial statements were authorised for issue by the board of Directors on 14 December 2017 and the statement of financial position was signed on the board's behalf by Ian Dew.

The financial statements have been prepared in accordance with FRS 101, under the historical cost convention and in accordance with the Companies Act 2006.

The financial statements are presented in Sterling and all values are rounded to the nearest pound (£) except when otherwise indicated.

The Company has taken advantage of the exemption under s400 of the Companies Act 2006 not to prepare group accounts as it is a wholly owned subsidiary of Volution Group plc. The results of the Company are included in the consolidated financial statements of Volution Group plc which are available from Fleming Way, Crawley, West Sussex RH10 9YX.

The principal accounting policies adopted by the Company are set out in note 2.

2 Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to the years presented, unless otherwise stated.

Basis of preparation

The financial statements of the Company have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101) and the Companies Act 2006. The financial statements have been prepared under the historical cost convention except for derivative financial instruments which have been recognised at fair value and in accordance with the Companies Act 2006.

The preparation of the financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- The requirements of IFRS 7 'Financial Instruments: Disclosures'
- The requirements of paragraphs 91 to 99 of IFRS 13 'Fair Value Measurement' (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities)
- The requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
 - paragraph 79(a)(iv) of IAS 1; and
 - paragraph 73(e) of IAS 16 'Property, Plant and Equipment'
- The requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134 to 136 of IAS 1 'Presentation of Financial Statements'
- The requirements of IAS 7 'Statement of Cash Flows'
- The requirements of paragraphs 30 and 31 of IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'
- The requirements of paragraph 17 of IAS 24 'Related Party Disclosures'
- The requirements in IAS 24 'Related Party Disclosures' to disclose related party transactions entered into between two or more members of a group

N V A Services Limited

Notes forming part of the financial statements for the year ended 31 July 2017 (*continued*)

2 Accounting policies (*continued*)

Basis of preparation (continued)

- The requirements of paragraphs 130(f)(ii), 130(f)(iii), 134(d) to 134(f) and 135(c) to 135(e) of IAS 36 Impairment of Assets.

Going concern

The directors confirm that after making appropriate enquiries, they have a reasonable expectation that the Company has adequate support from its ultimate parent company, Volusion Group plc, to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. The directors' responsibilities are set out on page 5 and should be read in conjunction with this statement.

Income taxes

Current income tax assets and liabilities are measured at the amount expected to be recovered from, or payable to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Deferred income tax is recognised on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements with the following exceptions:

- Where the temporary differences arise from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of taxable temporary differences associated with investments in subsidiaries where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred income tax assets are recognised only to the extent that the Directors consider it is probable that there will be taxable profits from which the deductible temporary differences, carried forward tax credits or tax losses can be utilised.

Deferred income tax assets and liabilities are measured on an undiscounted basis at tax rates that are expected to apply when the related asset is realised or liability is settled, based on tax rates enacted or substantively enacted by the reporting date.

The carrying amount of deferred income tax assets is reviewed at each reporting date. Deferred income tax assets and liabilities are offset, only if a legally enforcement right exists to set off current tax assets against current tax liabilities.

Deferred income tax is charged or credited to other comprehensive income if it relates to items that are charged or credited to other comprehensive income. Similarly, deferred tax is charged or credited directly to equity if it relates to items that are credited or charged directly to equity.

Other debtors

Other debtors are recognised when it is probable that a future economic benefit will flow to the Company. Other debtors are carried at original invoice or contract amount less any provisions for discounts and doubtful debts. Provisions are made where there is evidence of a risk of non-payment taking into account ageing, previous experience and general economic conditions.

Cash and cash equivalents

Cash and short-term deposits comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less.

N V A Services Limited

Notes forming part of the financial statements for the year ended 31 July 2017 (*continued*)

2 Accounting policies (*continued*)

Tangible assets

Tangible assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the tangible asset; when significant parts of tangible assets are required to be replaced at intervals, the Company recognises such parts as individual assets with specific useful lives and depreciates them accordingly. All other repair and maintenance costs are recognised in the statement of comprehensive income as incurred.

Depreciation is charged so as to write off the cost or valuation of assets, except freehold land, over their estimated useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at each year end, with the effect of any changes in estimate accounted for on a prospective basis.

Freehold buildings	– 10 – 20 years
Plant, machinery and vehicles	– 5 – 10 years
Fixtures, fittings, tools and equipment	– 4 – 10 years

The gain or loss arising on the disposal or retirement of an item of tangible assets is determined as the difference between the disposal proceeds and the carrying amount of the asset and is recognised in the statement of comprehensive income as part of administrative expenses.

Impairment of tangible assets

At each reporting date, the Company reviews the carrying amounts of its tangible assets with definite lives to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

The recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. Impairment losses are immediately recognised in the statement of comprehensive income.

Financial assets

Initial recognition and measurement

Financial assets within the scope are classified as loans and receivables or available-for-sale financial assets.

All financial assets are recognised initially at fair value plus directly attributable transaction costs. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset. The Company's financial assets include cash and short-term deposits, other receivables, and group receivables.

Subsequent measurement

The subsequent measurement of financial assets depends on their classification as follows:

N V A Services Limited

Notes forming part of the financial statements for the year ended 31 July 2017 (continued)

2 Accounting policies (continued)

Financial assets (continued)

Available-for-sale financial assets

Available-for-sale financial investments include equity securities. Equity investments classified as available-for-sale are those which are neither classified as held for trading nor designated at fair value through profit or loss.

After initial measurement, available-for-sale financial investments are subsequently measured at fair value with unrealised gains or losses recognised as other comprehensive income in the unrealised gains and losses reserve. When the investment is derecognised, the cumulative gain or loss is recognised in other operating income, or determined to be impaired, at which time the cumulative loss is recognised in the income statement in other operating expenses and removed from the unrealised gains and losses reserve.

The Company evaluates its available-for-sale financial assets and whether the ability and intent to sell them in the near term is still appropriate. When the Company is unable to trade these financial assets due to inactive markets and management's intent significantly changes to do so in the foreseeable future, the Company may elect to reclassify these financial assets in rare circumstances. Reclassification to loans and receivables is permitted when the financial asset meets the definition of loans and receivables and when the Company has the intent and ability to hold these assets for the foreseeable future or until maturity.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are initially recognised at fair value and subsequently measured at amortised cost using the effective interest (EIR) method, less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest receivable and similar income in the income statement. Losses arising from impairment are recognised in the income statement in other operating expenses.

Derecognition of financial assets

A financial asset is derecognised when (i) the rights to receive cash flows from the asset have expired or (ii) the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial liabilities

Initial recognition and measurement

Financial liabilities within the scope of IAS 39 are classified at initial recognition as loans and borrowings and payables. All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The measurement of financial liabilities depends on their classification as follows:

Interest bearing loans and borrowings

Obligations for loans and borrowings are recognised when the Company becomes party to the related contracts and are measured initially at the fair value of consideration received less directly attributable transaction costs.

N V A Services Limited

Notes forming part of the financial statements for the year ended 31 July 2017 *(continued)*

2 Accounting policies *(continued)*

Interest bearing loans and borrowings *(continued)*

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method.

Gains and losses arising on the repurchase, settlement or otherwise cancellation of liabilities are recognised respectively in interest receivable and similar income and interest payable and similar expenses.

Derecognition of financial liabilities

A liability is generally derecognised when the contract that gives rise to it is settled, sold, cancelled or expires.

Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, such that the difference in the respective carrying amounts together with any costs or fees incurred are recognised in profit or loss.

Creditors

Creditors are obliged to pay for goods or services that have been acquired in the ordinary course of business from suppliers.

Creditors are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method.

Leasing commitments

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. Lease payments are analysed between capital and interest. The interest element is charged to the statement of comprehensive income over the period of the lease and is calculated so that it represents a constant proportion of the lease liability. The capital element reduces the balance owed to the lessor. All other leases are classified as operating leases.

Payments under operating leases are charged to the statement of comprehensive income on a straight line basis over the term of the lease.

Pensions

Contributions to defined contribution schemes are recognised in the statement of comprehensive income in the year they become payable. The cost charged to the statement of comprehensive income of providing retirement pensions for employees represents the amounts paid by the Company to various defined contribution pension schemes operated by the Group in the financial year.

Dividends

Dividends are recognised when they meet the criteria for recognition as a liability. In relation to final dividends, this is when the dividend is approved by the Directors in the general meeting, and in relation to interim dividends, when paid.

New standards and interpretations

The following standards and interpretations have an effective date after the date of these financial statements. The Company plans to adopt them from the effective dates adopted by EU and is currently completing an impact assessment to be able to quantify the effect the new standards will have on the company financial statements.

2 Accounting policies (continued)

<i>Standard or interpretation</i>	<i>Title</i>	<i>Effective for accounting years beginning on or after</i>
IAS 7	Disclosure Initiative - Amendments to IAS 7	1 January 2017
IAS 12	Recognition of Deferred Tax Assets for Unrealised Losses	1 January 2017
IFRS 15	Revenue from Contracts with Customers	1 January 2018
IFRS 9	Financial Instruments: Classification and Measurement	1 January 2018
IFRS 16	Leases	1 January 2019

3 Judgements in applying accounting policies and key sources of estimation uncertainty

In the application of the Company's accounting policies, management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of the assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when these financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Carry value of investments

The carrying value of the investments is estimated based on the expected performance and value of the investments factoring in potential expected future net cash flow to be generated from the investment. The Company based its estimation on information available when these financial statements were prepared. Existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected when they occur.

The investments for the year ended 31 July 2017 are shown in note 10 and the impairment loss for year was £1,122,000 (2016: £nil).

4 Operating loss

	Year ended 31 July 2017 £'000	16 months ended 31 July 2016 £'000
This is arrived at after charging/(crediting):		
Depreciation of tangible fixed assets	35	62
(Gain) on disposal of fixed assets	-	(10)
Operating lease expense	25	41

Fees payable to the Company's auditors for the audit of the Company's annual accounts were borne by a fellow group company.

N V A Services Limited

Notes forming part of the financial statements for the year ended 31 July 2017 (*continued*)

5 Interest payable and similar expenses

	Year ended 31 July 2017 £'000	16 months ended 31 July 2016 £'000
This is arrived at after charging:		
Hire purchase interest	1	7
Interest on bank loans	10	11
	<u>11</u>	<u>18</u>

6 Employees

	Year ended 31 July 2017 £'000	16 months ended 31 July 2016 £'000
Staff costs (including Directors) consist of:		
Wages and salaries	224	402
Social security costs	22	42
Cost of defined contribution scheme	1	3
	<u>247</u>	<u>447</u>

The average number of employees (including Directors) during the year (2016: period) was as follows:

	Year ended 31 July 2017 Number	16 months ended 31 July 2016 Number
Administration	<u>12</u>	<u>12</u>

7 Directors' remuneration

	Year ended 31 July 2017 £'000	16 months ended 31 July 2016 £'000
Directors' emoluments	<u>54</u>	<u>215</u>

In addition to the directors remuneration paid as per above two directors receive remuneration from a fellow group undertaking, Volution Group plc, in respect of services to the group of which the Company is a member. Total remuneration paid by the enlarged group to these directors of the Company (including pension scheme contributions) was £1,962,000 (2016: £1,095,000). It is not possible to identify the proportion of this remuneration that relates to services to this Company.

N V A Services Limited

Notes forming part of the financial statements for the year ended 31 July 2017 (*continued*)

8 Taxation on profit on ordinary activities

	Year ended 31 July 2017 £'000	16 months ended 31 July 2016 £'000
<i>UK corporation tax</i>		
Current tax on profits of the year	5	-
Adjustment in respect of previous years	(1)	-
Group relief payable	-	(19)
Total current tax	4	(19)
<i>Deferred tax</i>		
Origination and reversal of timing differences	1	(5)
Changes to tax rates	1	-
	2	(5)
Taxation on profit on ordinary activities	6	(24)

The tax charge for the period differs from the standard rate of UK corporation tax for the period of 19.67% (2016: 20.00%). The differences are explained below:

	Year ended 31 July 2017 £'000	16 months ended 31 July 2016 £'000
Loss on ordinary activities before tax	(1,127)	(136)
Loss on ordinary activities at the standard rate of corporation tax in the UK of 19.67% (2016: 20.00%)	(222)	(27)
Effects of:		
Expenses not deductible for tax purposes	221	4
Recognition of deferred tax previously unrecognised	-	(5)
Deferred tax not recognised	-	4
Non-qualifying depreciation	7	-
Total tax charge/(credit) for year/period	6	(24)

For further information on deferred tax balances see note 14.

The Finance Act 2016, enacted on 15 September 2016, included a further rate change. The 18% rate enacted in the Finance (No. 2) Act 2015 will reduce by 1%, so that from 1 April 2020, the mainstream corporation tax rate will become 17%. These changes were reflected in the figures in these financial statements.

Disposals	-	-	(3)	(3)
At 31 July 2017	<u>435</u>	<u>37</u>	<u>92</u>	<u>564</u>
<i>Depreciation</i>				
At 1 August 2016	78	8	70	156
Reclassifications	-	6	(6)	-
Provision for year	12	6	17	35
Disposals	-	-	(2)	(2)
At 31 July 2017	<u>90</u>	<u>20</u>	<u>79</u>	<u>189</u>
<i>Net book value</i>				
At 31 July 2017	<u>345</u>	<u>17</u>	<u>13</u>	<u>375</u>
At 31 July 2016	<u>356</u>	<u>23</u>	<u>28</u>	<u>407</u>

Reclassifications between plant, machinery and vehicles and fixtures, fittings, tools and equipment have occurred during the year to better reflect the nature of the individual fixed assets.

Finance Leases

The net book value of plant, machinery and vehicles for the Company includes an amount of £17,000 (2016: £23,000) in respect of assets held under finance leases and hire purchase contracts.

Such assets are generally classified as finance leases as the rental year amounts to the estimated useful economic life of the assets concerned and often the Company has the right to purchase the assets outright at the end of the minimum lease term by paying a nominal amount.

10 Investments

	£'000
<i>Cost:</i>	
At 1 August 2016	1,122
Additions	-
Impairment	(1,122)
At 31 July 2017	<u>-</u>

During the year ended 31 July 2017 the Company's investment in Sens-air Limited was impaired by £1,122,000 (2016: £nil). As a result of Sens-air Limited ceasing to trade at 31 July 2017, the estimated future cash flows for this entity were expected to be £nil. Consequently the recoverable amount of the investment was also considered to be £nil.

The Company continues to carry its investment in Airtech Humidity Controls Limited and SW National Ventilation Limited at cost, which have a combined cost of £325 (2016: £325).

N V A Services Limited

Notes forming part of the financial statements for the year ended 31 July 2017 (continued)

10 Investments (continued)

The investment at 31 July 2017 represents a 100%, direct shareholding in the companies set out below:

Group company	Principal activity	Country of incorporation
Airtech Humidity Controls Limited ¹	Air movement products	England
SW National Ventilation Limited ¹	Air movement products	England
Sens-air Limited ¹	Air movement products	England

11 Debtors

	2017 £'000	2016 £'000

106,721 (2016: 106,721) ordinary shares of £1.00 each	107	107

16 Commitments under operating leases

Lessee

The Company had minimum lease payments under non-cancellable operating leases as set out below:

	2017 £'000	2016 £'000
Not later than 1 year	25	26
Later than 1 year and not later than 5 years	58	76
Later than 5 years	-	7
Total	83	109

17 Contingent liability

During the period ended 31 July 2016 a legal claim was made against the Company. The Company is vigorously defending the claim, with the amount and timing of any potential outflow not currently known or considered probable. Accordingly, no provision for any liability has been made in these financial statements.

N V A Services Limited

Notes forming part of the financial statements for the year ended 31 July 2017 (*continued*)

18 Related party disclosures

The Company has taken advantage of the exemption available under FRS 101 from the requirements in IAS 24 Related Party Disclosures not to disclose transactions with other wholly owned members of the Volution Group plc group ('the Group'), as 100% of the Company's voting rights are controlled within the Group and Group financial statements in which the Company is included are publicly available.

19 Controlling parties

The Company's immediate parent undertaking is Volution Ventilation Group Limited.

The parent undertaking of the largest and smallest group for which consolidated financial statements are drawn up that, include the results of the Company, is Volution Group plc, a public company incorporated in England and Wales. Copies of the group financial statements of Volution Group plc are available from Fleming Way, Crawley, West Sussex RH10 9YX.

The directors consider the ultimate parent and controlling party of the Company to be Volution Group plc.
