

Annual report and financial statements for the financial year ended 31 December 2011

A1ED3QBV 01/08/2012 #146 COMPANIES HOUSE

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2011

DIRECTORS' REPORT

The directors submit their annual report and audited financial statements of the Company for the year ended 31 December 2011

PRINCIPAL ACTIVITY AND REVIEW OF BUSINESS

The principal activity of the Company (registered number 2086530) is that of providing investment and treasury services to fellow Group companies

The company made a profit after taxation of £28,901,000 (2010 £11,419,000 profit)

The performance of the Company during and at the end of the year was considered to be satisfactory by the directors

PRINCIPAL RISKS AND UNCERTAINTIES

A global risk management policy, applicable for the whole UCB Group and its affiliates worldwide, describes UCB's commitment to provide an effective risk management system across the Group in order to minimise its exposure to risks that could threaten UCB's corporate objectives

The Board of Directors is responsible for approving the UCB Group's strategy, goals and objectives and overseeing the establishment, implementation and review of the Group's risk management system. The Board of Directors is assisted by the Audit Committee in its responsibility for the appreciation of risk and risk management. The Audit Committee examines on a regular basis the areas where risk could significantly affect the Group's financial situation and reputation and monitors the overall risk management process of the Group

The Corporate Risk Management Committee, consisting of Executive Committee members and senior management representatives of all business functions and reporting to the Executive Committee, provides strategic leadership that endorses the corporate risk assessment and prioritisation process that drives the establishment of risk mitigation plans within all business functions and operations, supported by a global risks management system to effective and efficiently asset report, mitigate and manage actual or potential risk or exposures

Medeva Limited is part of the UK Group of UCB Companies and as such is included within the global risk management policy

FINANCIAL RISK MANAGEMENT

The company is exposed to various financial risks arising from its operations and Group corporate finance activities. The Group manages, on behalf of the subsidiaries, these financial risks. These financial risks are market risk (including currency risk, interest risk and price risk), credit risk and liquidity risk.

Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's profit and loss. The objective of market risk management is to manage and control market risk exposures. The Group enters into derivative financial instruments and also incurs financial liabilities in order to manage market risk.

Foreign exchange risk

The Company as part of the UCB Group operates across the world and is exposed to movements in foreign currencies affecting its net income and financial position, as expressed in sterling. The Group actively monitors its currency exposures, and when appropriate enters into transactions with the aim of preserving the value of assets and anticipated transactions. The Group uses forward contracts, foreign exchange options and cross currency swaps to hedge certain committed and anticipated foreign exchange flows and financing transactions.

Interest rate risk

Changes in interest rates may cause variations in interest income and expenses resulting from interest bearing assets and liabilities. The Group uses interest rate derivatives to manage its interest rate risk.

Credit risk

Credit risk arises from the possibility that the counterparty to a transaction may be unable or unwilling to meet its obligations causing a financial loss to the Company Trade receivables are subject to a policy of active risk management, which focuses on the assessment of country risk, credit availability, ongoing credit evaluation and account monitoring procedures

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's liquidity risk is managed by the Group. The Group's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due under normal circumstances without incurring unacceptable losses or risking damage to the Group reputation. The Group maintains sufficient reserves of cash and readily realisable marketable securities to meet its liquidity requirements at all times. In addition the Group has certain unutilised revolving committed facilities at its disposal.

DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2011

KEY PERFORMANCE INDICATORS (KPI's)

Given the straightforward nature of the business and the fact that the Company is not engaged in any trading activities, the Company's Directors are of the opinion that analysis using KPIs is not necessary for an understanding of the development performance or position of the business

RESULTS AND DIVIDENDS

An interim dividend of £1,500,000 was paid during the year (2010 £75,007,000). The directors do not recommend the payment of a final dividend in respect of the year ended 31 December 2011 (2010 £nil).

FUTURE DEVELOPMENTS

The Company will continue to provide investment and treasury services to fellow Group companies

MEDEVA LIMITED STATEMENT OF DIRECTORS' RESPONSIBILITIES FOR THE YEAR ENDED 31 DECEMBER 2011

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to

- · select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures
 disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MEDEVA LIMITED

We have audited the financial statements of Medeva Limited for the year ended 31 December 2011 which comprise the Profit and Loss Account, Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors Responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and international Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2011 and of its profit for the year then ended.
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- · we have not received all the information and explanations we require for our audit

Other matters

The Company has passed a resolution in accordance with Section 506 of the Companies Act 2006 that the senior statutory auditor's name should not be stated

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2011

1 ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items in relation to the financial statements

ACCOUNTING CONVENTION

The financial statements are prepared on the going concern basis, under the historical cost convention, and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom

The Company is exempt by virtue of part 15, section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

GOING CONCERN

The directors consider that the Company has adequate resources to continue in business in the foreseeable future and that it is therefore appropriate to adopt the going concern basis in preparing the financial statements. The directors have received confirmation that Celltech Group Limited intends to support the company for at least one year after these financial statements are signed.

CASH FLOW STATEMENT

The Company is a wholly owned subsidiary company of a group headed by UCB S A , and is included in the consolidated financial statements of that company, which are publicly available. Consequently, the Company has taken advantage of the exemption within FRS 1 (revised 1996) 'Cash flow statements' from preparing a cash flow statement.

INTEREST RECEIVABLE AND PAYABLE

Interest receivable and payable are recognised on an accruals basis

DIVIDENDS

Dividends receivable are recognised at the date on which their payment becomes irrevocable. Dividend distributions to the Company shareholders are recognised in the period when they are paid or become an irrevocable committed obligation.

RELATED PARTY TRANSACTIONS

The Company is exempt, under FRS 8, from the requirement to disclose related party transactions on the grounds that it is a wholly owned subsidiary undertaking. This exemption covers transactions with other Group undertakings.

FOREIGN CURRENCIES

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction or, if hedged forward, at the rate of exchange under the related forward currency contract. Monetary assets and liabilities denominated in foreign currencies are translated using the contracted rate or the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

DEFERRED TAXATION

Deferred taxation is provided on timing differences that have originated but not reversed by the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date

A net deferred tax asset is recognised as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits against which to recover carried forward tax losses and from which the future reversal of underlying timing differences can be deducted

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on an undiscounted basis

INVESTMENTS IN SUBSIDARY COMPANIES

Investments are held at cost less any provision for impairment

IMPAIRMENT OF INVESTMENT

The carrying values of investments are reviewed for impairment when there is an indication that the investment might be impaired. Any provision resulting from an impairment review is charged to the Profit and Loss Account in the year concerned.

TRADE AND OTHER DEBTORS

Trade and other debtors are carried at the lower of their original invoiced value and recoverable amount. Provision is made when there is objective evidence that the Company will not be able to recover balances in full, with the charge being recognised in the profit and loss account. Balances are written off when the probability of recovery is assessed as being remote.

TRADE AND OTHER CREDITORS

Trade and other creditors are stated at cost

TAXATION ON PROFIT ON ORDINARY ACTIVITIES (CONTINUED)

The prior period tax adjustment of £12,317,000 has arisen due to various tax enquiries reaching a conclusion in the year. The Finance Act 2011, which was substantively enacted on 5 July 2011, included legislation reducing the main UK corporation tax rate from 28% to 26%, effective from 1 April 2011. A further reduction to 25%, effective from 1 April 2012, was also substantively enacted on this date.

Further reductions to the UK corporation tax rate were announced in the March 2012 Budget. A resolution passed by Parliament on 26 March 2012 reduced the main rate of corporation tax to 24% from 1 April 2012. Legislation to reduce the main rate of corporation tax from 24% to 23% from 1 April 2013 is expected to be included in the Finance Act 2012. A further reduction to the main rate is also proposed to reduce the rate to 22% from 1 April 2014. None of these rate reductions had been substantively enacted at the balance sheet date and, therefore, are not included in these financial statements.
