## Directors' report

The directors present their annual report and the audited financial statements for the year ended 30 June 1999.

### Principal activity and business review

The principal activity of the company is to act as a nominee for companies controlled by DJ Gilmour and NB Mason.

### Directors and directors' interests

The directors who held office during the year were as follows:

At 30 June 1999 and 30 June 1998, DJ Gilmour and NB Mason each owned one ordinary £1 share in the company.

### Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## Report of the auditors to the members of Pink Floyd (1987) Limited

We have audited the financial statements on pages 4 to 8.

### *Respective responsibilities of directors and auditors*

As described on page 1 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

### *Basis of opinion*

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### *Opinion*

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 30 June 1999 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
