AUDITORS' REPORT TO THE MEMBERS OF THE CHELMSFORD ENTERPRISE AGENCY LIMITED

We have audited the financial statements on pages 4 to 10 which have been prepared under the historical cost convention and the accounting policies set out in Note 1 of these financial statements.

Respective responsibilities of the directors and auditors

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which are considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

AUDITORS' REPORT TO THE MEMBERS OF THE CHELMSFORD ENTERPRISE AGENCY LIMITED Continued

Use of funds

For the purposes of Section 48 Finance Act 1982, we report that funds provided to the Agency were applied to meet objectives for which approval has been given by the Secretary of State for employment.

Opinion

In our opinion the financial statments give a true and fair view of the state of the company's affairs as at 31st March 1995 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
