## Directors' Report

Registered No: 02107441

The Directors present their unaudited Annual Report and Accounts ('financial statements') of British Midland Limited (the 'Company') for the year ended 31 December 2020.

The Company has taken the exemption under section 414B of the Companies Act 2006 to not prepare a Strategic Report.

### Principal activities

The principal activity of the Company is to act as a holding company. The Company did not trade during the current or preceding period.

### Directors

The Directors of the Company during the year ended 31 December 2020 and up to the date of approval of the financial statements were as follows:

S. Davies  
S. Philcox

### Results and dividends

The Directors do not recommend the payment of a final dividend (2019: £nil).

### Going concern

The Company has received confirmation from its parent company, British Airways Plc ('BA'), that it will provide financial support to the Company should it be required for a period of 12 months from the date of approval of these financial statements. Having made an assessment of the ability of BA to provide such support if required, the Directors have a reasonable expectation that the Company has sufficient liquidity for the foreseeable future and accordingly the Directors have adopted the going concern basis in preparing the financial statements for the year ended 31 December 2020.

However, the Company's financial position is significantly affected by the level of operating activity of BA. The Directors note the publication of BA's condensed consolidated interim financial statements for the six-month period ended 30 June 2021, in which a material uncertainty in relation to going concern was disclosed.

As a consequence of the above information and having made appropriate enquiries of the Directors of British Airways Plc on its current financial position, the Directors of the Company consider there is also a material uncertainty over the level of the Company's operating activities and BA's ability to provide financial support to the Company and this could cast significant doubt upon the Company ability to continue as a going concern. Refer to note 2.1 for further information.

### Directors' and Officers' liability insurance

The ultimate parent company of the Group, IAG, purchases insurance against Directors' and Officers' liability as permitted by the Companies Act 2006 for the benefit of the Directors and Officers of its subsidiary undertakings.

### Post balance sheet events

There have been no significant events post the balance sheet date

### Political contributions

During the period, the Company made no political contributions (2019: £nil).

#### **Statement of Directors' responsibilities**

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable UK law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 'Reduced Disclosure Framework', and applicable law). Under Company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, comprising FRS 101 'Reduced Disclosure Framework', have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis, unless they consider it inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Directors' statement as to disclosure of information**

The Directors who were members of the Board at the time of approving the Directors' Report are listed on page 3. Having made enquiries of fellow Directors, each of these Directors confirms that:

- the members have not required the Company to obtain an audit of its accounts for the year in question in accordance with section 476 of the Companies Act 2006; and
- the Directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of the accounts.

The Directors' Report was approved by the Board and signed on its behalf by:

### 2. Accounting policies

#### 2.1 Basis of preparation and statement of compliance with FRS 101

These financial statements were prepared in accordance with FRS 101 *Reduced Disclosure Framework* and in accordance with the Companies Act 2006. These financial statements have been prepared under the historical cost convention.

The Company's financial statements are presented in pounds sterling, which is the Company's functional currency, and all values are rounded to the nearest thousand pounds (£000), except where indicated otherwise.

FRS 101 allows companies to take certain disclosure exemptions. As allowed under the standard, the disclosure exemptions under paragraph 8 to 9 of FRS 101 *Reduced Disclosure Framework* have been applied as the Company is a wholly owned subsidiary undertaking of British Airways Plc ('BA') whose accounts include an equivalent disclosure, where required, of the following standards:

- a) the requirements in paragraph 38 in IAS 1 *Presentation of Financial Statements* to present comparative information in respect of:
  - i. Paragraph 79(a)(iv) of IAS 1;
  - ii. Paragraph 73 (e) of IAS 16 *Property, Plant and Equipment*; and
  - iii. Paragraph 118(e) of IAS 38 *Intangible Assets*,
- b) the requirements of paragraphs 10(d), 10(f), 16, 38A-38D, 40A-40S, 111 and 134-136 of IAS 1 *Presentation of Financial Statements*,
- c) the requirements of IAS 7 *Statement of Cash Flows*,
- d) the requirements of 30 and 31 of IAS 8 *Accounting Policies, Changes in Accounting Estimates and Errors*,
- e) the requirements in IAS 24 *Related Party Disclosures* to disclose related party transactions entered into between two or more members of a Group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member;
- f) the requirements of paragraphs 130(f)(ii), 130(f)(iii), 134(d)-134(f) and 135(c)-135(e) of IAS 36 *Impairment of Assets*,
- g) the requirements of IFRS 7 *Financial Instruments: Disclosures*,
- h) the requirements of paragraphs 91-99 of IFRS 13 *Fair Value Measurement*, and
- i) the requirements of the second sentence of paragraph 110 and paragraphs 113(a), 114, 115, 118, 119(a) to (c), 120 to 127 and 129 of IFRS 15 *Revenue from Contracts with Customers*.

#### Going concern

The Company has received confirmation from its parent company, BA, that it will provide financial support to the Company should it be required for a period of 12 months from the date of approval of these financial statements. Having made an assessment of the ability of BA to provide such support if required, the Directors have a reasonable expectation that the Company has sufficient liquidity for the foreseeable future and accordingly the Directors have adopted the going concern basis in preparing the financial statements for the year ended 31 December 2020.

However, the Company's financial position is significantly affected by the level of operating activity of BA. The Directors note the publication of BA's condensed consolidated interim financial statements for the six-month period ended 30 June 2021, in which a material uncertainty in relation to going concern was disclosed.

#### 2.1 Basis of preparation and statement of compliance with FRS 101 (continued)

##### Going concern (continued)

As disclosed in those consolidated financial statements, given the economic uncertainty of the COVID-19 pandemic, BA modelled the impact of mitigating actions to offset further deteriorations in demand and capacity, including reductions in operating expenditure and capital expenditure. BA expects to be able to continue to secure financing for future aircraft deliveries and in addition has further potential mitigating actions, including asset disposals, it would pursue in the event of adverse liquidity experience.

Furthermore, to add resilience to the liquidity position of BA, including for the period beyond the next 12 months, the Directors of BA are actively pursuing a range of financing options, including securing additional long term financing facilities. The Directors of BA have a reasonable expectation that BA has sufficient liquidity to continue in operational existence for the foreseeable future and hence adopted the going concern basis in preparing the consolidated financial statements.

However, due to the uncertainty created by COVID-19, there are a number of significant factors that are outside of the control of BA, including: the status and impact of the pandemic worldwide; the emergence of new variants of the virus and potential resurgence of existing strains of the virus; the availability of vaccines worldwide, together with the speed at which they are deployed; the efficacy of those vaccines; and the restrictions imposed by national governments in respect of the freedom of movement and travel. BA, therefore, is not able to provide certainty that there could not be a more severe downside scenario than those it has considered, including the sensitivities in relation to the timing of recovery from the COVID-19 pandemic, capacity operated, impact on yield, cost mitigations achieved and the availability of aircraft financing to offset capital expenditure. In the event that a more severe scenario were to occur, the Group will need to secure additional funding. As set out above, sources of additional funding are expected to include securing additional long term financial facilities.

However, BA's ability to obtain this additional funding in the event of a more severe downside scenario represents a material uncertainty that could cast significant doubt upon BA's ability to continue as a going concern.

As a consequence of the above information and having made appropriate enquiries of the Directors of BA Plc on its current financial position, the Directors of the Company consider this also represents a material uncertainty over the level of Company's operating activities and BA's ability to provide financial support to the Company and this could cast significant doubt upon the Company ability to continue as a going concern.

The financial statements do not include the adjustments that would result if the Company was unable to continue as a going concern.

##### Dormant status

The Company was dormant (within the meaning of Section 480 of the Companies Act 2006) throughout the year ended 31 December 2020. The Company has not traded during the period. During the period the Company received no income and incurred no expenditure and therefore made neither profit nor loss.

#### 2.2 Summary of significant accounting policies

##### Investment in subsidiaries

Investment in subsidiaries are recorded at cost less provision for impairment. The carrying value of investments is reviewed for impairment on an annual basis or when events or changes in circumstances indicate the carrying value may not be recoverable.

### **2 Accounting policies (continued)**

#### **2.2 Summary of significant accounting policies (continued)**

##### **Financial instruments**

In accordance with IFRS 9 'Financial Instruments', financial instruments are recorded initially at fair value. Subsequent measurement of those instruments at the balance sheet date reflects the designation of the financial instrument. The Company determines the classification at initial recognition. A financial asset or liability is generally derecognised when the contract that gives rise to it has been settled, sold, cancelled or has expired.

##### **Debtors**

Debtors are stated at amortised cost less allowances made for expected credit losses which approximates fair value given the short term nature of these assets. A provision for expected credit losses (allowance for doubtful debtors) is established based on the calculation and recognition of lifetime expected credit losses.

##### **Profit and loss reserves**

Profit and loss reserves represents the cumulative profit and losses and net distributions to shareholders.

##### **Share capital**

Ordinary shares are classified as equity.

##### **Key accounting estimates and judgements**

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. These estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances. Actual results could differ from these estimates. These underlying assumptions are reviewed on an ongoing basis.

Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if these are also affected.

It is considered there are no key accounting estimates and judgements which have had a material effect on the financial statements this year.

##### **New standards, amendments and IFRIC interpretations**

No new accounting standards, or amendments to accounting standards, or IFRIC interpretations that are effective for the period ended 31 December 2020, have had a material impact on the Company.
