We have audited the financial statements (the "financial statements") of Goldsmiths (Jewellers) Limited for the period ended 1 February 2009, which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Total Recognised Gains and Losses and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Directors' Report and financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities on page 2.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

#### Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### NOTES TO THE ACCOUNTS

#### 1. ACCOUNTING POLICIES

#### **Accounting Convention**

The accounts are prepared under the historical cost convention and in accordance with applicable accounting standards.

#### Going concern

In determining the appropriate basis of preparation of financial statements, the Directors are required to consider whether the company can continue in operational existence for the foreseeable future.

The Group renegotiated its banking facilities on 8 January 2010, the details of which have been set out in the financial statements of Aurum Holdings Limited.

Having reviewed the current cash flow projections, and having made reasonable enquiries in making the underlying key assumptions on sales growth, the Directors have a reasonable expectation that the company will be able to meet its liabilities as they fall due for the foreseeable future. It is on this basis that the Directors consider it appropriate to prepare the company's financial statements on the going concern basis.

#### Prior year adjustment

In the prior year it was noted that, as a result of previous group reorganisations, investments were no longer represented by net assets in subsidiary companies. There was no impact at the ultimate consolidated level but this entity has recognised an impairment loss which is considered to be a material error and therefore has been affected by a prior year adjustment.
