Statement of directors' responsibilities

The Directors are responsible for preparing the Directors' Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the incoming resources and application of resources, including the income and expenditure, of the company for that period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of section 415A of the Companies Act 2006 relating to small companies.

NOTES TO ACCOUNTS

1 Principal accounting policies

Basis of preparation

John Silver Holdings Limited is a private Company incorporated, domiciled and registered in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 102, *The Financial Reporting Standard* applicable in the UK and Republic of Ireland ("FRS 102").

The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £.

The Company's ultimate parent undertaking, Towers Thompson Holdings Limited includes the Company in its consolidated financial statements. The consolidated financial statements of Towers Thompson Holdings Limited are prepared in accordance with Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102") and are available to the public and may be obtained from 3-5 Tower House, Amwell Street, Hoddesdon, Hertfordshire EN11 8UR. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

Reconciliation of the number of shares outstanding from the beginning to end of the period;

- Cash Flow Statement and related notes; and
- Key Management Personnel compensation.

As the company is a wholly owned subsidiary of Towers & Co., Limited, the company has taken advantage of the exemption to not disclose transactions or balances with entities which form part of the group.

Going concern

At the time of approving the financial statements, the directors have reviewed the impact of COVID-19 pandemic and have a reasonable expectation that the dormant company has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

Basic financial instruments

Trade and other debtors / creditors

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

Investments in subsidiaries

These are separate financial statements of the company. Investments in subsidiaries are carried at cost less impairment.
