The directors consider that for the year ended 30th April 1998 the company was entitled to exemption under subsection 1 of section 249A of the Companies Act 1985. No member or members have deposited a notice requesting an audit for the current financial year under subsection 2 of section 249B of the Act.

The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the company.

These financial statements are prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The financial statements on pages 3 to 8 were approved by the board of directors on 19th January 1999 and signed on its behalf by:

Stride Director

NOTES ON FINANCIAL STATEMENTS

30th April 1998

1 Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost accounting rules.

The company has taken advantage of the exemption from preparing a cash flow statement conferred by Financial Reporting Standard No. 1 on the grounds that it qualifies as a small company under the Companies Act 1985.

Turnover

Turnover represents the amount derived from the provision of goods and services falling within the company's activities after deduction of trade discounts and value added tax.

Depreciation

Depreciation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives as follows:

Fixtures and fittings

25% reducing balance basis

Deferred taxation

Deferred taxation is provided on the liability method in respect of the taxation effect of all timing differences to the extent that tax liabilities are likely to crystallise in the foreseeable future.

2 Turnover

In the opinion of the directors, 57% of the turnover of the company is attributable to geographical markets outside the UK. (1997 67%)
