Statement of capital (Prescribed particulars of rights of attached to shares)

Class of share

Redeemable Shares

Prescribed particulars

The holders of Redeemable Shares have the right to receive notice of all general meetings of the Company and the right to attend (either in person or by proxy) but not to speak or vote at any such meetings. At class meetings which may be required in certain circumstances as set out in the Company's Constitution, the holders of Redeemable Shares have one vote per Redeemable Share.

The Redeemable Shares rank equally in all respects with the Ordinary Shares in respect of dividends and on a return of capital on a winding up or otherwise (other than on a redemption or purchase of shares)

At the option of the directors the Company may, on any Redemption Date (being a date, as determined by the directors and falling not more than 60 days following a Calculation Date (31 March, 30 June, 30 September and 31 December in each year (or, if such date is not a business day, the preceding business day) and any other business day which the directors determine is to be a day as at which the Net Asset Value per Share is to be calculated)) redeem for cash any Redeemable Shares in issue at a price per Redeemable Share equivalent to the Net Asset Value per Share as at the most recent Calculation Date

In the event of a change of control in relation to the Company, each holder of Redeemable Shares has the right to require the Company to redeem all such holder's Redeemable Shares at a price per Redeemable Share equivalent to the Net Asset Value per Share calculated as at the date of such change of control For these purposes, a change of control in relation to the Company would occur in the event that, otherwise than in connection with a scheme for the consolidation, amalgamation, merger, reconstruction or reorganisation of the Company on terms previously sanctioned by an extraordinary resolution of the holders of Redeemable Shares passed at a separate general meeting of such holders, an offer is made to the holders of the Ordinary Shares in the Company (or all such holders other than the offeror and/or any company controlled by the offeror and/or persons acting in concert with the offeror) to acquire the whole or any part of the share capital of the Company (or if a scheme of arrangement is proposed with regard to such acquisition) as a result of which the right to cast a majority of the votes which may ordinarily be cast on a poll at a general meeting of the Company has or will become vested in the offeror and/or any such person or persons acting in concert with the offeror

Prescribed particulars of rights attached to shares

The particulars are

- a particulars of any voting rights, including rights that arise only in certain circumstances,
- b particulars of any rights, as respects dividends, to participate in a distribution,
- c particulars of any rights, as respects capital, to participate in a distribution (including on winding up), and
- d whether the shares are to be redeemed or are liable to be redeemed at the option of the company or the shareholder and any terms or conditions relating to redemption of these shares

A separate table must be used for each class of share
