for the year ended 31 March 2008

1 Accounting policy

The accounts are prepared under the historical cost convention and are prepared in accordance with applicable United Kingdom accounting standards.

2 Profit and loss account

No profit and loss account is presented with these financial statements because the company has not received income, incurred expenditure or recognised any gains or losses during either the year under review or the preceding financial year. There have been no movements in shareholders' funds during the year under review. In the preceding financial year, the only movement in shareholders' funds was the payment of a dividend.

3 Information regarding directors and employees

No emoluments were payable to the directors, who were the only employees of the company, during the current or preceding financial year.

4 Called Up Share Capital

The deferred shares carry no rights except on a return of capital, where after payment of all company's liabilities, the holders of the deferred shares would be entitled to the par value (together with any premium paid on subscription).

5 Contingent liabilities

The company is party with other group undertakings to cross-guarantees of each other's bank overdrafts. As at 31 March 2008, the overall commitment was nil (2007: nil).

6 Ultimate controlling party

The directors regard MITIE Group PLC, a company registered in Scotland, as the company's ultimate parent undertaking and controlling party. Copies of the group accounts can be obtained from the Company Secretary at the Registered Office.

7 Related party transactions

The cost of the annual return was borne by the company's parent company without any right to reimbursement.
