Notes to the Financial Statements For The Year Ended 31 December 2018

1. STATUTORY INFORMATION

Polyflex Packaging Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Turnover

Turnover represents the amount earned from the ordinary activities of packaging converters and distributors during the year, excluding value added tax and discounts.

Goodwill

Goodwill written off, being the amount paid in connection with the acquisition of a business in 2013, is being amortised evenly over its estimated useful life of ten years.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery - 10% on cost and 5% on cost

Stock

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all direct costs of purchase.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

2. ACCOUNTING POLICIES - continued

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Leasing and hire purchase contracts

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired under finance leases are depreciated over the shorter of the lease term and their useful lives. Assets acquired under hire purchase contracts are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocate to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant rate of charge on the net obligation outstanding in each accounting period.

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to profit and loss account as incurred.

Pension costs and other post-retirement benefits

The company operates defined contribution pension schemes for the benefit of the directors and an employee. Pension payments are charged against profits in the period in which they become payable.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 14 (2017 - 12).
