The Award Scheme Limited

Directors' Report for the Year ended 31 March 2021

The Directors submit their annual report together with the audited financial statements for the year ended 31st March 2021. This report has been prepared in accordance with FRS102 and the Companies Act 2006 for small companies.

Principal Activities

The Award Scheme Limited's ("ASL") principal activities' are the sale and distribution of participant places, publications concerned with the promotion and operation of The Duke of Edinburgh's Award (also referred to as the "DofE" or the "Charity") and the collection of licence fees from licensed operators and commercial licensees.

Directors

The Directors are as stated on page 1. No Director had any financial interest in the company.

Political Contributions

The Company made no political donations or incurred any political expenditure during the year.

Review of the Year to March 2021

Business Review

The company supports The Duke of Edinburgh's Award through licensing, the sale of Welcome Packs to participants and through the provision of information and material to the Charity's licensed operators, volunteers and participants.

Results

The Covid-19 pandemic significantly impacted the company's turnover for the year, down £2.4m on 2020 at £9.4m (2020 £11.8m).

Licensing & participation turnover decreased by 16% to £8.6m (2020: £10.2m), mainly due to reduction in welcome pack sales as fewer participants started their Award due to the restrictions created by the pandemic and disruption to education and youth services. We were pleased that licence fee income was broadly in line with the prior year, reflecting the importance our licenced organisations have placed on continuing their relationship with DofE, despite the challenges of the year.

Commercial income saw a 69% decrease to £258k (2020: £834k) and operational income dropped by 20% to £545k (2020: £685k).

Profits for the year of £8.6m (2020: £10.4m) were gift aided to The Duke of Edinburgh's Award.

Future

The company will continue to carry out trading activities in support of the DofE. Since the year end, we have seen turnover increase across all our income streams, as Covid restrictions have relaxed.

Dividend

No dividend is proposed to be paid by the company (2020: nil).

The Award Scheme Limited

Directors' Report for the Year ended 31 March 2021 (continued)

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the company financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of their profit or loss for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

In preparing this report the directors have taken advantage of the small companies' exemptions provided by the Companies Act 2006.

By order of the board

The Award Scheme Limited

Independent Auditor's Report to the Members of The Award Scheme Limited

Opinion

We have audited the financial statements of The Award Scheme Limited ('the company') for the year ended 31 March 2021 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Changes in Equity and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2021 and of its income and expenditure, for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of our audit

- the information given in the directors' report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and

The Award Scheme Limited

- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the company and their environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption in preparing the directors report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Details of the extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations are set out below.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were UK accounting standards and the Companies Act 2006. We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the company's ability to operate

The Award Scheme Limited

or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the company for fraud. The laws and regulations we considered in this context for the UK operations were General Data Protection Regulation (GDPR), Health and safety legislation and Taxation legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Directors and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing of recognition of income, the assessment of going concern and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management, about their own identification and assessment of the risks of irregularities, sample testing on income and the posting of journals, reviewing accounting policies and accounting estimates for biases, reviewing regulatory correspondence with Companies House, and reading minutes of board meetings.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Sukhjot Singh
Director
The Award Scheme Limited
Companies House Registration No 02173914

The Award Scheme Limited

Notes to the Financial Statements for the Year Ended 31 March 2021

1 Accounting Policies

(a) Basis of Accounting

The Award Scheme Limited (the "Company") is a private company incorporated, domiciled and registered in England in the UK. The registered number is 2173914 and the registered address is Gulliver House, Madeira Walk, Windsor, SL4 1EU.

These financial statements were prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard* applicable in the UK and Republic of Ireland ("FRS 102") as issued in August 2014. The amendments to FRS 102 issued in July 2015 have been applied. The presentation currency of these financial statements is sterling.

The Company's parent undertaking, The Duke of Edinburgh's Award includes the Company in its consolidated financial statements. The consolidated financial statements of The Duke of Edinburgh's Award are available to the public and may be obtained from Gulliver House, Madeira Walk, Windsor, SL4 1EU. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Key Management Personnel compensation.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

(b) Going Concern

The Directors have prepared cash flow forecasts for a period of 12 months from the date of approval of these financial statements which indicate that, taking account of reasonable possible downsides and any ongoing impact of COVID-19 on the operations of the Company and its financial resources, the Company will have sufficient funds to meet its liabilities as they fall due for that period. Therefore, these financial statements have been prepared on a going concern basis.

(c) Turnover

Turnover from sale of goods is recognised when the significant risks and rewards of ownership of the goods have been transferred to the buyer. For welcome packs, this is considered to be the date of purchase of the packs. For other goods sold, this is considered to be the point of delivery. Turnover on licence fee income is recognised over the period for which the licence is granted.

(d) Stocks

Stocks of products are held at the lower of cost and fair value less costs to sell. Stock relates to finished goods only. Where appropriate, provision is made for obsolete, slow-moving and defective stocks.

(e) Fixed Assets and Depreciation

Computer systems, PCs, laptops and networks are capitalised on initial purchase. Replacement systems are capitalised; replacement parts are expensed. Other tangible fixed assets, including incidental expenses of acquisition are capitalised. Consumable items are expensed in the year they are incurred.

Depreciation of fixed assets is charged on a straight-line basis on cost as follows:

Fixtures and fittings	25% per annum
Computer licences, systems, hardware and software	33% per annum

The Award Scheme Limited

Notes to the Financial Statements for the Year Ended 31 March 2021 (continued)

(f) Leased Assets

Annual rentals on operating leases are charged to the profit and loss account on a straight-line basis over the lease term. The company has no finance leases. Lease incentives are recognised in profit or loss over the term of the lease as an integral part of the total lease expense.

(g) Related Parties

The company is a wholly owned subsidiary of The Duke of Edinburgh's Award, and therefore is exempt under FRS102, paragraph 33.1A, Related Parties Transactions, from disclosing transactions with the DoE.

(h) Expenditure

All expenditure is accounted for on an accruals basis. A management fee is charged to the company by The Duke of Edinburgh's Award to cover financial and administration support. The fee is calculated based on the number of employees working on Award Scheme Limited business. The company has no direct staff costs, its ultimate parent undertaking (Charity), charge the company for the services of its employees. Other expenditure incurred by the Charity on behalf of The Award Scheme Limited is recharged to the company.

(i) VAT

Expenditure is recorded net of VAT to the extent that it is recoverable.

(j) Gift Aid

The Directors have adopted the amendments to FRS 102 issued by the FRC in December 2017 relating to the tax effects of gift aid payments from subsidiaries of charities to their charitable parents. Award Scheme Limited has previously entered into a deed of covenant to transfer profits where these are generated and considered distributable under the Companies Act 2006 to its parent, The Duke of Edinburgh's Award. As such, Award Scheme Limited has an obligation to make this distribution at 31 March 2021 and has recognised this obligation within its financial statements and correctly recognised this as an expense.

(k) Significant accounting estimates and judgements

Management have not applied any accounting estimates or judgements when preparing these financial statements.

(l) Financial Instruments

The company has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised. Financial assets held at amortised cost comprise cash at bank and in hand, together with trade and other debtors. A specific provision is made for debts for which recoverability is in doubt. Financial liabilities held at amortised cost comprise all creditors except payroll and other taxes and provisions.

The Award Scheme Limited

Notes to the Financial Statements for the Year Ended 31 March 2021 (continued)

(m) Prior year adjustment

A prior year adjustment has been posted to reflect the change in accounting policy for welcome pack sales. These had been recognised at the point of delivery of the welcome packs to the participants. However, management have determined it to be more appropriate to recognise the sales at the date of purchase, being the date that the significant risks and rewards of ownership of the goods are deemed to have been transferred to the buyer.

The adjustments are summarised as follows:

	£
Profit and loss reserve at 31 March 2020 (as previously stated)	88,194
Release of income previously deferred relating to year ended 31 March 2020	272,954
Increase in Distribution of Gift Aid to The Duke of Edinburgh's Award	<u>(272,954)</u>
Profit and loss reserve at 31 March 2020 as restated	<u>88,194</u>
Total creditors at 31 March 2020 (as previously stated)	2,470,806
Release of income previously deferred at 31 March 2020	(272,954)
Increase in amounts due to parent company (as gift aid)	<u>272,954</u>
Total creditors at 31 March 2020 as restated	<u>2,470,806</u>
Total income for the year ended 31 March 2020 (as previously stated)	11,490,610
Impact of reversal of deferred income relating to year ended 31 March 2020	<u>272,954</u>
Total income for the year ended 31 March 2020 as restated	<u>11,763,564</u>

The Award Scheme Limited

Notes to the Financial Statements for the Year Ended 31 March 2021 (continued)

2 Turnover and Gross Profit for the Year

	Turnover 2021	Gross Profit 2021	Turnover 2020 Restated	Gross Profit 2020 Restated
	£	£	£	£
Licensing and Participation	8,611,889	8,437,837	10,243,377	9,954,205
Operational Income	258,247	170,735	834,449	471,244
Commercial Income	545,298	520,121	685,738	596,364
	9,415,434	9,128,693	11,763,564	11,021,813

Other operating costs include recharged staff costs which comprise:	2021	2020
	£	£
Wages & salaries	307,782	350,527
Social security costs	30,995	34,183
Pension costs	35,311	38,189
Other staff costs	-	446
	374,088	423,345

The average monthly number of staff during the year was 11 (2020: 11) all of whom are engaged in operational activities and are located in the UK. ASL employees hold The Duke of Edinburgh's Award employment contracts and their costs are recharged to ASL by The Duke of Edinburgh's Award.

All sales were made in the UK with the exception of £19,980 (2020: £35,548) that were made overseas on behalf of The Duke of Edinburgh's Award International Award Foundation ("IAF").

For the year ended 31 March 2021 the net audit fees for the group were £30,000 (2020: £39,930). The amount relating to The Award Scheme Limited has been estimated to be £7,500 and accrued in these accounts. For the year ended 31 March 2020, The Award Scheme Limited's audit fees of £9,980 were borne by The Duke of Edinburgh's Award and disclosed in the group financial statements.

3 Taxation

No provision is included for any potential tax liability arising on the company's profits for the year as the deed of covenant mentioned in note 1j give rise to a liability whereby available profits are distributed to the parent charity as a Gift Aid payment. Gift aid payments are made to the parent company throughout the financial year and full settled within 9 months of the year end. As such any potential tax liability is reduced to £nil.

The Award Scheme Limited

Notes to the Financial Statements for the Year Ended 31 March 2021 (continued)
