### Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the accounts in accordance with applicable law and regulations

Company law requires the directors to prepare accounts for each financial year. The directors have elected to prepare the accounts in accordance with the United Kingdom Generally Accepted Accounting Practice (United Kingdom accounting standards and applicable law). The accounts are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these accounts, the directors are required to

- select suitable accounting policies and apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts,
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors confirm that they have complied with the above requirements in preparing accounts.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Going concern

The accounts have been prepared on a going concern basis and the ultimate parent company, Honeywell International Inc, has indicated it will provide financial support to the company for at least one year after these accounts are signed.

The directors, having taken into account the financial support from the ultimate parent company, have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the company to continue as a going concern.
