STRATEGIC REPORT

The Directors present their Strategic Report for the year ended 31 December 2014.

RESULTS AND DIVIDENDS

The profit after taxation for the year (before dividends) amounted to £1,177,092 (2013: £1,000,251). During the current financial year, the company declared an interim dividend of £1,100,251 (2013: £1,080,759). The directors do not recommend payment of a final dividend.

PRINCIPAL ACTIVITIES AND REVIEW OF THE BUSINESS

The principal activity of the company is the provision of security and crowd management services for high profile and public events such as music concerts and sporting events.

The company's key performance indicators during the year were as follows:

	2014	2013	Change
	£	£	%
m	22 500 102	01 500 051	007
Turnover	23,590,103	21,709,951	9%
Operating Profit	1,348,532	1,250,367	8%
Profit before taxation	1,348,781	1,253,460	8%
Shareholders funds	1,473,401	1,396,560	6%

Turnover has grown by 9% compared to 2013, due largely to a number of new contracts wins and a single one off event. Operating profit increased by 8% reflecting the competitive trading environment, the austerity measures implemented by local authorities and the increasing competition in the market place.

The Company continues to invest in training and development for both casual and contracted members of staff. Internally, continuous adjustments to the organisational infrastructure and the streamlining of processes provides ongoing efficiencies as well as meeting the ever increasing demands of the Company's support services. Investment is enabled through tight financial control of overheads. On-going and new contractual successes are directly linked to the retention of key personnel, quality of service and the growing reputation of the Company as a market leader. Direct support of Football Safety Officers Association is beginning to bear fruit with increased turnover from football.

In order to meet the ongoing growth, recruitment and training costs continue to increase. The Company has begun to examine different industry related markets for opportunity and growth. The advent of the E-Learning platform has enabled the Company to deliver flexible, blended-learning training, meeting not only the demands of growth but also up-skilling the current workforce.

The company has again been successful in securing long term deals with key customers. Repeated industry awards reflect the Company's growing reputation.

PRINCIPAL RISKS AND UNCERTAINTIES

The principal risk, as with competitors, is the governance of the industry and the potential for a move towards deregulation. Deregulation is not beneficial for the industry, as it has the capacity to devalue service delivery, reduce standards and fracture the systems of removing criminal operations and increase low quality activity in the market place. Clients are under increasing pressure to deliver profits from uncertain ticket sales. This influences the demand on services. The shortage of skilled, quality and suitable Security Industry Authority (SIA) staff continues to affect growth. The Company has made a concerted effort to minimise the use of sub-contracted labour and to maximise the use of its own resources. Growth is essential to create opportunity. Continued investment in recruitment, training and the retention of personnel is key to meeting the shortfall.

The threat of terrorism provides the company with both threat and opportunity. The increasing dependence on IT on business delivery and support services and the impact of social media continue to cause increasing threats. Contingency planning has become a major part of the Company Business planning process.

STRATEGIC REPORT Continued

The directors consider that the company is well placed to meet all normal business risks. The liquidity position of the company remains strong and it is foreseen that this will continue. The company has decided not to hedge against uncertainties in the foreign exchange market. The parent company has confirmed that they bear all of the foreign exchange risk regarding inter-company debts between the UK and Holland thus mitigating the risk to the company. DIRECTORS' REPORT

Registered Number: 02187286

The directors present their report and financial statement for the year ended 31 December 2014.

DIRECTORS

The directors, who served during the year ended 31 December 2014, are as follows:

M Harding, S Battersby, M Logan and G Van Duijkeren

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the group's auditors, each director has taken all steps he is obliged to take as a director in order to make himself aware of any relevant information and to establish that the auditor is aware of that information.

GOING CONCERN

The company's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the company will be able to operate within the level of its current facilities.

The directors have a reasonable expectation that the company and the group have adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

DIRECTORS' LIABILITIES

The company has indemnified its directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 2006. Such qualifying third party indemnity provisions are in force at the date of approving the directors' report.

EMPLOYEES

The company has continued its policy of providing employees with information about the company and ensures that the suggestions and views of employees are taken into account.

Every possible consideration is given to applications for employment for disabled persons having regard to their particular aptitudes and abilities. The company has continued the employment wherever possible of any person who becomes disabled during their employment. Opportunities for training, career development and promotion do not operate to the detriment of disabled persons.

AUDITORS

In accordance with s.485 of Companies Act 2006, a resolution to reappoint Ernst & Young LLP as the company's auditor will be put to the forthcoming Annual General Meeting.

FUTURE DEVELOPMENTS

The Company will drive future developments through the established business planning process. Projects are captured within the seven business plan objectives, operational product, client management, IT, communications, corporate governance, corporate protection and contingency and resourcing. The desire for growth and the provision of opportunity will require future examination of potential acquisitions and expansion into industry related markets. Success will be underpinned by enhanced financial controls, the provision of automated and accurate data, further streamlining of systems, progressive training, development of industry standards and significant development in information and technology.

By order of the Board

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATMENTS

The directors are responsible for preparing the Directors' Report, Strategic Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SHOWSEC INTERNATIONAL LIMITED

We have audited the financial statements of Showsec International Limited for the year ended 31 December 2014 which comprise the Profit and Loss Account, the Balance Sheet, the Cash Flow Statement, the Statement of Total Recognised Gains and Losses, the Reconciliation of Movements in Shareholders' Funds and the related notes 1 to 19. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Reports of the Directors and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2014 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS at 31 December 2014

1 ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with applicable UK accounting standards under the historical cost convention.

Cash

Cash, for the purpose of the cash flow statement, comprises cash in hand and deposits repayable on demand.

Tangible fixed assets and depreciation

All fixed assets are initially recorded at cost. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Plant and machinery

33.33% and 50% straight line

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recovered.

Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit or loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Pension costs

The company operates a defined contribution pension scheme. Contributions are charge in the profit and loss account as they become payable in accordance with the rules of the scheme.

Deferred taxation

In accordance with FRS 19 (Deferred Tax), full provision is made for deferred tax arising from timing differences between the differing treatment of certain items for taxation and accounting purposes. The provision is calculated at the rates of taxation at which it is estimated the liability will arise and is not discounted.

No provision is made in respect of timing differences arising from the sale or revaluation of fixed assets unless there is a commitment to the disposal of the assets at the balance sheet date. No provision is made for the tax which would become payable on the distribution of retained profits by foreign subsidiaries, associates or joint ventures, unless there is an intention to distribute such retained earnings giving rise to a charge.

Provision on timing differences arising when an asset is continuously revalued to fair value is only made where changes in fair value are recognised in the profit and loss account. Deferred tax assets are only recognised to the extent that the directors consider there to be suitable taxable profits from which the underlying timing differences can be deducted.

Revenue recognition

Revenue is recognised to the extent that the company obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales taxes or duty. Revenue is recognised at the point that the service is delivered.

Foreign currency translation

Assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated at the rate ruling at the date of the transaction or at the contracted rate if the transaction is covered by a forward exchange contract. Foreign exchange differences arising on translation are taken to the profit or loss account.

NOTES TO THE FINANCIAL STATEMENTS at 31 December 2014

2 TURNOVER

Turnover, which excludes value added tax, has been derived from the principal activity.

All activities relate to continuing operations.
