Where employees become disabled in the course of their employment the company will endeavour to continue to provide employment.

### **EQUAL OPPORTUNITIES**

The company's objective is to treat all its employees fairly and to avoid any form of discrimination in employment. Its policy is to provide equal opportunities for men and women in the areas of recruitment, selection for promotion and training and it requires that its employees observe this policy and avoid any form of discrimination on any grounds.

### **AUDITORS**

A resolution to re-appoint Ernst & Young as auditors will be put to the members at the Annual General Meeting.

ON/REHALF OF THE BOARD

D.R.FLYNN
DIRECTOR

1 May 1996

### STATEMENT OF DIRECTORS' RESPONSIBILITIES

### IN RESPECT OF THE ACCOUNTS

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those accounts the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors confirm that the accounts comply with the above requirements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# REPORT OF THE AUDITORS, ERNST & YOUNG,

### TO THE MEMBERS OF

### CAIRD ENVIRONMENTAL LIMITED

We have audited the accounts on pages 5 to 21 which have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets, and on the basis of the accounting policies set out on pages 8 to 10.

# Respective responsibilities of directors and auditors

As decribed on page 3 the company's directors are responsible for the preparation of the accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our opinion to you.

# Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

### Opinion

In our opinion the accounts give a true and fair view of the state of affairs of the company as at 31 December 1995 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

### NOTES TO THE ACCOUNTS

# FOR THE YEAR ENDED 31 DECEMBER 1995

### 1. ACCOUNTING POLICIES

# **Accounting Convention**

The accounts have been prepared under the historical cost convention, modified to include the revaluation of certain freehold land and buildings, and in accordance with Applicable Accounting Standards. Group accounts have not been prepared as the company is a wholly owned subsidiary of Caird Group PLC.

The principal accounting policies, which are applied consistently throughout the Caird Group are as follows:

# (a) Depreciation

The cost of tangible fixed assets except freehold land is depreciated to estimated residual value by equal annual instalments over the following estimated useful lives:

Freehold buildings Leasehold land and buildings Plant and equipment 25 or 50 years Period of lease 3 - 15 years

Landfill sites are stated at cost or valuation less amounts written off. Depreciation is provided to the extent that the net capacity of each site is utilised in the period. Costs incurred on the development of sites prior to their becoming operational are capitalised. Such expenditure is amortised over the life of the asset to which it relates, commencing when the asset becomes operational.

Interest payable on funds borrowed to finance the purchase of certain major fixed assets is added to the cost of those assets prior to their being brought into use and depreciated over their estimated useful lives.

# (b) Investments in subsidiaries

Investments in subsidiaries are stated at cost less provisions for any permanent diminution in value.

### NOTES TO THE ACCOUNTS

# FOR THE YEAR ENDED 31 DECEMBER 1995

### (continued)

# (c) Advance Corporation Tax

Advance corporation tax on dividends paid and proposed is carried forward to the extent that it can be recovered. Advance corporation tax in excess of this is written off as part of the taxation charge for the year.

# (d) Goodwill

Goodwill representing the excess cost of acquiring businesses and assets over their fair value is written off as a movement on reserves.

# (e) Deferred taxation

Deferred taxation is provided using the liability method in respect of all timing differences to the extent that it is probable that liabilities will crystallise in the foreseeable future.

# (f) Pensions

Pension contributions are charged to the Profit and Loss Account in the period in which they become payable in respect of defined contibution schemes.

# (g) Turnover

Turnover, all of which occurred in the United Kingdom, represents external charges for waste management services and sales of materials extracted or recycled from landfill sites during the course of development or operation.

Direct costs incurred in relation to sales of materials are charged to the Profit and Loss Account.

# (h) Stocks

Stocks are stated at the lower of cost and net realisable value. Cost comprises material, labour and attributable overheads.

# (i) Leases

Assets acquired under finance leases are capitalised and depreciated in the same manner as owned tangible fixed assets. Obligations under finance leases are included in creditors. Rentals payable under finance leases are allocated between capital, which reduces the outstanding obligation, and interest, which is charged to Profit and Loss Account on a basis which produces a constant periodic rate of charge on the outstanding obligation.

Rentals payable under operating leases are charged to the Profit and Loss Account in the period in which they become payable.

# 10. DISPOSAL ASSETS

Arising from the strategic review undertaken during 1993 and a further review in 1995 certain fixed assets have been designated surplus to requirements in view of their non income producing status or lack of development. These assets are held for disposal and on such designation are transferred to the category of Disposal Assets on the balance sheet.

Bank loans are secured by fixed and floating charges over the group's assets and bear interest at market rates. Repayment is due to be made in monthly instalments from June 1996 to December 2003.

# Bank Borrowings - Post Reconstruction

As detailed in the financial reconstruction proposals, total group bank borrowings were reduced by £12m on 13 March 1996. The bank loans at 31 December 1995 have been replaced by a new facility for the holding company, repayable by monthly instalments of £100,000 commencing October 1996

Finance leases are secured against items of plant and equipment and bear interest at market rates.

# 15. HOLDING COMPANY LOAN

The holding company, Caird Group PLC, has confirmed that it will not require repayment of amounts due totalling £54,225,901 (1994 - £ 44,464,054) in the foreseeable future and that it will continue to provide funding for acquisitions and for working capital requirements of the company and its subsidiaries to the extent that these are not met by external borrowings. For this reason the balance due to the holding company has been shown separately from amounts due to group companies which are included in creditors falling due within one year.
