DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2016

The Directors present their annual report and financial statements for the year ended 31 December 2016.

The Directors' Report has been prepared in accordance with the special provision relating to small companies under section 415a of the Companies Act 2006.

The Company has also taken advantage of the small companies' exemption from preparing a Strategic Report.

Principal activities

The principal activity of the Company continued to be that of investment in commercial property.

On 30 November 2016, the Company disposed of its freehold interest in Crosspoint House, 28 Stafford Road, Wallington, Surrey, SM6 9AA.

The Directors are actively seeking opportunities for investment and expect the principal activities of the Company to remain unchanged for the unforeseeable future.

Results and dividends

The results for the year are set out on page 6.

The Company paid dividends totalling £2,000,000 in the year ended 31 December 2016 (2015: nil).

Directors

The Directors who held office during the year and up to the date of signature of the financial statements were as follows:

Mr Henry Klotz (Resigned 5 December 2016)

Mr Alain Millet

Mr John Whiteley

Mr Fredrik Widlund (Resigned 5 December 2016)

Mr Simon Wigzell (Resigned 5 December 2016)

Directors' insurance

Qualifying third-party indemnity provisions (as defined in section 234 of the Companies Act 2006) are in force for the benefit of the Directors who held office in 2016.

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2016

Statement of Directors' responsibilities

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including Financial Reporting Standard 101 Reduced Disclosure Framework. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company at the balance sheet date and of the profit or loss of the Company for the period ending on that date. In preparing these financial statements, the Directors are required to:

- · select suitable accounting policies and apply them consistently;
- · make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

In accordance with the Company's articles, a resolution proposing that Deloitte LLP be reappointed as auditor of the Company will be put at a General Meeting.

Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the Company's auditor is unaware. Additionally, the Directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the Company's auditor is aware of that information. This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2016

Principal risks and uncertainties

The Directors consider there are a number of potential risks and uncertainties which could have a material impact on the Company's performance and could cause the actual results to differ materially from expected or historical results; the management and mitigation of these risks are the responsibility of the Directors of the Company. The Company is a wholly-owned subsidiary of the CLS Holdings plc Group (the "Group") and is managed on a day-to-day basis by employees of the Group. The principal risks and uncertainties facing the Company are broadly grouped as property investment risk, funding risk and political and economic risk.

Property Investment Risk

A cyclical downturn in the property market, changes in the supply of space and/or occupier demand or overall poor asset management could have a negative impact on the cash flows, profitability and net assets of the Company. To mitigate this risk, senior management of the Group has detailed knowledge of the market in which the Company operates through years of experience within the industry. Furthermore the Group has property managers who actively monitor the performance of the investment properties on a daily basis and report to the Directors:

Funding Risk

The unavailability of financing at acceptable prices, adverse interest rate movements or a breach in borrowing covenants may have a detrimental effect on the ability of the Company to meet its financial obligations. In order to mitigate this risk, the Group's treasury function closely monitors the performance of the Company and looks to limit its exposure through various financial hedging instruments.

Political and Economic Risk

The exit of the United Kingdom from the European Union remains an adverse risk to the overall economy, which may impact the value of net assets and profitability. It is the Directors' view that the United Kingdom's economy remains sufficiently robust to weather any immediate adverse economic effects.

Further discussion of these risks and uncertainties, in the context of the Group as a whole, is provided in the Group's annual report which does not form part of this report and can be found on www.clsholdings.com.

Going concern

At the time of approving the financial statements, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future and therefore continue to adopt the going concern basis in preparing the financial statements.

By order of the board

Secretary

22 June 2017

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF CROSSPOINT HOUSE LIMITED

We have audited the financial statements of Crosspoint House Limited for the year ended 31 December 2016 which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and the related notes 1 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 "Reduced Disclosure Framework".

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and auditor

As explained more fully in the Statement of Directors' Responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF CROSSPOINT HOUSE LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to take advantage of the small companies exemption in preparing the Directors' Report or from the requirement to prepare a Strategic Report.

Mark Beddy FCA (Senior statutory auditor)

for and on behalf of Deloitte LLP

Statutory Auditor

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

1 Accounting policies

Company information

Crosspoint House Limited is a private company limited by shares and incorporated in Great Britain under the Companies Act 2006, and is registered in England. The registered office is 86 Bondway, London, SW8 1SF

1.1 Accounting convention

The Company meets the definition of a qualifying entity under Financial Reporting Standard 100 (FRS 100) issued by the Financial Reporting Council. These financial statements were prepared in accordance with FRS 101 Reduced Disclosure Framework as issued by the Financial Reporting Council.

The financial statements have been prepared on the historical cost basis. The principal accounting policies adopted are set out below.

These financial statements are presented in pounds sterling because that is the currency of the primary economic environment in which the Company operates.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions in relation to share based payments, financial instruments, capital management, presentation of a cash flow statement, presentation of comparative information in respect of certain assets, standards not yet effective, impairment of assets, business combinations, discontinued operations and related party transactions.

Where required, equivalent disclosures are given in the group accounts of CLS Holdings plc. The group accounts of CLS Holdings plc are available to the public and can be obtained as set out in note 15.

1.2 Going concern

At the time of approving the financial statements, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future at 31 December 2016. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Revenue

Revenue comprises the total value of rents from operating leases and is recognised on a straight-line basis over the lease term. The cost of incentives is recognised over the lease term, on a straight-line basis, as a reduction of rental income. Rents received in advance are shown as deferred income.

Service charge income is recognised on a gross basis in the accounting period in which the services are rendered.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2016

1 Accounting policies

(Continued)

1.4 Investment properties

Investment properties are those properties held for long-term rental yields or for capital appreciation or both. Investment properties are measured initially at cost, including related transaction costs. Additions to investment properties comprise costs of a capital nature; in the case of investment properties under development, these include capitalised interest and certain staff costs directly attributable to the management of the development. Capitalised interest is calculated at the rate on associated borrowings applied to direct expenditure between the date of gaining planning consent and the date of practical completion. The acquisition of an investment property is recognised when the risks and rewards of ownership have been transferred to the Company, typically on unconditional exchange of contracts or when legal title passes. Investment properties are carried at fair value, based on market value as determined by professional external valuers at the balance sheet date. Changes in fair values are recognised in profit before tax.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

1.5 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, demand deposits and other short-term highly liquid investments which are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

1.6 Financial assets

Financial assets are recognised in the Company's balance sheet when the Company becomes party to the contractual provisions of the instrument.

Financial assets are classified into specified categories. The classification depends on the nature and purpose of the financial assets and is determined at the time of recognition.

Financial assets are initially measured at fair value plus transaction costs, other than those classified as fair value through profit and loss, which are measured at fair value.

Loans and receivables

Trade and other receivables are recognised initially at fair value. An impairment provision is created where there is objective evidence that the Company will not be able to collect the receivable in full.

Impairment of financial assets

Financial assets, other than those at fair value through profit and loss, are assessed for indicators of impairment at each balance sheet date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership to another entity.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2016

1 Accounting policies

(Continued)

1.7 Financial liabilities

Financial liabilities are classified as either financial liabilities at fair value through profit or loss or other financial liabilities. Trade and other payables are stated at cost, which equates to fair value.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs. They are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the net carrying amount on initial recognition.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Company's obligations are discharged or cancelled, or when they expire.

1.8 Equity instruments

Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the Company.

1.9 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

Current tax is based on taxable profit for the year and is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, and is calculated using rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in arriving at profit after tax, except when it relates to items recognised in other comprehensive income, in which case the deferred tax is recognised in other comprehensive income.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the assets can be used. The deferred tax assets and liabilities are only offset if there is a legally enforceable right of set-off and the Company intends to settle its current tax assets and liabilities on a net basis.

1.10 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Rental income from operating leases is recognised on a straight line basis over the term of the relevant lease.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2016

2 Critical accounting estimates and judgements

The Directors have considered the judgements that have been made in the process of applying the Company's accounting policies, which are described in note 1, and which of those judgements have the most significant effect on amounts recognised in the financial statements.

In the Directors' opinion for the year ended 31 December 2016 there are no accounting judgements that are material to the financial statements.

3 Revenue

An analysis of the Company's revenue is as follows:

						2016	2015
			•	•	•	£	£
			. •				
Rental income				•	•	309,072	329,720
Other property rel	ated income	•		•		1,637	6,347
	• •		•			· ·	. ———
	· .			. ,		310,709	336,067
							·· <u></u>

Geographical market

Revenue arose wholly within the United Kingdom.

Certain comparative amounts have been reclassified to conform to the current year's presentation. A reclassification was undertaken to reallocate direct service charge income received from revenue to the net service charge expenditure in the statement of comprehensive income. This reclassification has a nil impact to the net rental income in the statement of comprehensive income.

4 Administrative expenses

Certain comparative amounts have been reclassified to conform to the current year's presentation. A reclassification was undertaken to reallocate direct operating expenses to ensure that they are included within net rental income line in the statement of comprehensive income. This reclassification has a nil impact to the operating [profit]/[loss] in the statement of comprehensive income.

5 Auditor's remuneration

Fees payable to the Company's auditor and a	ssociates:		2016 £	2015 £
For audit services			·.	
Audit of the Company's financial statements		•	4,000	4,000

No fees were payable to Deloitte LLP and its associates for non-audit services to the Company during the current or preceding year.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2016

6 Employees

The Company did not have any employees in the current or preceding year.

No fees or other emoluments were paid to the Directors of the Company during either the current or preceding year in respect of their services to the Company. The Directors were paid by another entity within the Group.

7	Interest payable and similar expenses	•	
		2016 £	· 2015
	Interest on financial liabilities measured at amortised cost:	-	
	Interest payable to group undertakings	44,669	58,943
8	Income tax expense		•
٠		2016 £	2015 £
	Current tax		
-	Current year taxation	24,067	66,457
	Deferred tax		
	Origination and reversal of temporary differences	(392,981)	12,662
	Total to Constitution	(200,044)	70.440
	Total tax (credit)/charge	(368,914)	79,119

The rate of corporation tax for the financial years beginning 1 April 2015 and 1 April 2016 was 20.00%. This fell to 19.00% on 1 April 2017 and will reduce to 17.00% on 1 April 2020 under legislation substantively enacted at the balance sheet date. The weighted average corporation tax rate for the year ended 31 December 2016 was 20.00% (2015: 20.25%). Deferred tax has been calculated at a rate of 17.00% (2015: 18.00%), being the rate expected to apply in the period when the liability is settled or the asset is realised.

The tax (credit)/charge for the year can be reconciled to the (loss)/profit on ordinary activities as follows:

	2016 £	2015 £
(Loss)/profit before taxation	(71,222)	565,447
		
Expected tax (credit)/charge based on a corporation tax rate of 20.00%		
(2015: 20.25%)	(14,244)	114,503
Expenses not deductible in determining taxable profit	39,106	8,505

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2016

15 Controlling party

The Directors consider that the immediate and ultimate parent undertaking and ultimate controlling party is CLS Holdings plc, which is incorporated in Great Britain. The financial statements of the Company are consolidated into the CLS Holdings plc group accounts for the year ended 31 December 2016, being the largest and only Group into which the Company's financial statements are consolidated. Copies of the Group financial statements are publicly available and may be obtained from The Secretary, CLS Holdings plc, 86 Bondway, London, SW8 1SF.
