This directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

### **Principal activity**

The Company's principal activity continues to be property development, which is carried out through a share in The Ashford Great Park Partnership. The Directors expect the general level of activity to continue.

### **Results and dividends**

The Company's results are set out in the Profit and Loss Account on page 5 and the Balance Sheet on page 6.

The Directors do not recommend the payment of a dividend for the year (2012: £nil). The profit of £4,851,189 (2012: £6,430) has been transferred to reserves.

### **Going concern**

After making enquiries, the directors have reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

### **Directors**

### **Directors' responsibilities statement**

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

**DIRECTORS' REPORT****Directors' responsibilities statement (continued)**

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Auditors**

Deloitte LLP were, by a resolution of the directors, re-appointed on 4 February 2011 for a five year period with effect from the year ended 31 December 2010.

**Information to auditors**

Each director at the date of approval of this report confirms that:

- so far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware; and
- the directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

## **INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF CEDARVALE**

We have audited the financial statements of Cedarvale for the year ended 31 December 2013 which comprise the Profit and Loss Account, the Balance Sheet, and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

As explained more fully in the Directors' Responsibility Statement, the directors are responsible for preparing the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the directors' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2013 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

## INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF CEDARVALE

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from preparing a Strategic Report or in preparing the Directors' Report.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013

1. **Accounting policies****Basis of preparation**

The financial statements have been prepared on the historical cost basis of accounting and in accordance with applicable United Kingdom law and accounting standards. The accounting policies set out below have been applied consistently throughout the year and preceding year.

The financial statements contain information about Cedarvale as an individual company and do not contain consolidated financial information as the parent of a group. The Company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare and deliver consolidated financial statements as it and its partnership interest are included by full consolidation in the consolidated financial statements of the Church Commissioners for England, a statutory body established by the Church Commissioners Measure 1947 (as amended). Consequently, the Company has taken advantage of the exemption conferred by Regulation 7 of the Partnerships (Accounts) Regulations 2008 from the requirement to publish the financial statements of The Ashford Great Park Partnership.

**Going concern**

After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

**Investment in partnership**

The investment in The Ashford Great Park Partnership is such that the Company enjoys joint ownership of the partnership's assets and has joint and several liability in respect of all liabilities incurred by the partnership. The partners have agreed to share the profits and losses of the partnership in accordance with the terms of the partnership agreement. The investment in the partnership is accounted for using the equity method. The profit and loss includes the Company's share of the partnership profits while the Company's share of the net assets or liabilities of the partnership is shown in the balance sheet.

The Company recognises its share of the partnership's profits or losses on the basis of the profit-sharing and distribution arrangements agreed between the partners.

**Taxation**

Current UK corporation tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements. A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

**Provision**

A provision is recognised where the company has a present legal or constructive obligation of uncertain timing or amount; for which it is probable that there will be a future outflow of cash or other resources; and a reliable estimate can be made of the amount. The amount recognised in the Balance Sheet is the best estimate of the resources required to settle the obligation.

**Cash flow statement**

The Company's ultimate holding body is the Church Commissioners for England who publish consolidated financial statements that include a consolidated cash flow statement. The cash flows of the Company are included in the consolidated group cash flow statement. Consequently the Company is exempt under the terms of Financial Reporting Standard No 1 (Revised) from publishing a cash flow statement.
