DIRECTORS' REPORT

The Directors present their annual report and financial statements for the year ended 31 December 2011

Principal activities

The Company's principal activities during the year continued to be the leasing and subletting of a building. It will continue with these activities for the foreseeable future.

Business review

The loss for the year, before taxation, amounted to £5,133 (2010: £59,252 profit) and after taxation, amounted to £2,408 profit (2010: £59,550 profit). No dividends were paid in the year (2010: £nil).

The EDF Energy Holdings Limited group (the "Group") manages its operations on a business segment basis. For this reason, the Company's Directors believe that further key performance indicators for the Company are not necessary or appropriate for an understanding of the development, performance or position of the business. The performance of the Group, which includes the Company, is discussed in the *Electricité de France S.A. ("EDF") Group's Annual Report*, which does not form part of this Report.

Going concern

After making enquiries and reviewing cash flow forecasts for at least the next 12 months, the Directors have formed a judgement, at the time of approving the financial statements, that there is a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. This judgement has been formed taking into account the principal risks and uncertainties that the Company faced and which have been outlined in more detail elsewhere in the Directors' report. For this reason, the Directors continue to adopt the going concern basis in preparing the financial statements.

Risk management

The Company is not exposed to any significant currency or interest rate risk.

The Company's exposure to credit and liquidity risk is reduced as it is a 100% subsidiary of the EDF Energy Group of Companies. Credit risk is mitigated by the nature of the debtor balances owed, with these due from other Group companies who are able to repay these if required, and liquidity risk is mitigated by the cash balance held which exceeds the Company's liabilities and commitments.

Directors

Directors who held office during the year and subsequently were as follows:

Thomas Kusterer	(resigned 29 March 2011)
Simone Rossi	(appointed 1 April 2011, resigned 1 June 2012)
Joe Souto	(resigned 11 June 2012)
David Tomblin	(appointed 1 June 2012)
Vakis Ramany	(appointed 1 June 2012)

None of the Directors had a service contract with the Company in the current or prior year. They are all employed by associated companies within the EDF group.

The Company has made qualifying third-party indemnity provisions for the benefit of its Directors which were made during the year and remain in force at the date of this report.

DIRECTORS' REPORT continued

Disclosure of information to Auditor

Each of the persons who is a director at the date of approval of this annual report confirms that

- so far as the Director is aware, there is no relevant audit information of which the Company's Auditor is unaware, and
- the Director has taken all the steps that they ought to have taken as a Director in order to make themselves aware of any relevant audit information and to establish that the Company's Auditor is aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s 418 of the Companies Act 2006

Auditor

It is noted that under the provisions of the Companies Act 1985, the members have previously dispensed with the requirement to appoint auditors annually and that under the provisions of Section 487 of the Companies Act 2006, the current auditors are deemed to re-appointed until such time that the directors or the members of the Company resolve otherwise. It is further noted that the Directors have been authorised to fix the remuneration of the auditors

DIRECTORS' RESPONSIBILITIES STATEMENT

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ASSOCIATED ELECTRICITY SUPPLIES LIMITED

We have audited the financial statements of Associated Electricity Supplies Limited for the year ended 31 December 2011 which comprise the Profit and Loss account, the Balance Sheet and the related notes numbered 1 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and Auditor

As explained more fully in the Directors' Responsibilities Statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the Directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2011 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of Directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS

1. Accounting policies

The principal accounting policies are set out below. They have all been applied consistently throughout the year and the preceding year.

Basis of accounting

These financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom law and accounting standards.

Going concern

After making enquiries and reviewing cash flow forecasts and available facilities for at least the next 12 months, the Directors have formed a judgement, at the time of approving the financial statements, that there is a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. This judgement has been formed taking into account the principal risks and uncertainties that the Company faced and which have been outlined in more detail elsewhere in the Directors' report. For this reason the Directors continue to adopt the going concern basis in preparing the financial statements.

Cash flow statement

The Company is exempt from preparing a cash flow statement under the terms of FRS 1 'Cash flow statements (revised 1996)' as it is a member of a group, headed by EDF Energy Holdings Limited, whose consolidated accounts include a cash flow statement and are publicly available.

Taxation

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more or a right to pay less tax in the future have occurred at the balance sheet date, with the following exceptions:

- provision is made for gains on disposal of fixed assets that have been rolled over into replacement assets only where, at the balance sheet date, there is a commitment to dispose of the replacement assets with no likely subsequent rollover or available capital losses,
- provision is made for gains on re-valued fixed assets only where there is a commitment to dispose of the re-valued assets and the attributable gain can neither be rolled over nor eliminated by capital losses, and
- deferred tax assets are recognised only to the extent that the Directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted.

Deferred tax is measured on an undiscounted basis.

Deferred tax is measured at the average tax rate that is expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS

1. Accounting policies continued

Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

Leases

Rentals payable under operating leases are charged to the profit and loss account on a straight-line basis over the lease term, even if payments are not made on such a basis.

2 Turnover

Turnover derives from rentals receivable under operating leases in the UK. The income is credited to the profit and loss account on an accruals basis over the lease term.

Rental income under operating leases for the year amounts to £81,032 (2010: £80,118) which is included in turnover.

In 2011 an amount of £11,000 (2010: £15,000) was paid to Deloitte LLP for audit services. This charge was borne by another Group company in both the current and prior year. In 2011, amounts payable to Deloitte LLP by the Company in respect of other assurance services was £nil (2010: £nil).

The Company had no employees in 2011 (2010: None).

4 Directors' emoluments

All Directors are employees of associated EDF group companies. The Directors did not receive any remuneration for services to the Company during the current year or previous year.

No Director (2009: none) held any interests in the shares or debentures of the Company or the Group required to be disclosed under the Companies Act 2006.

The Finance Bill 2011 was published on 31 March 2011 and included a reduction in the main rate of corporation tax for the financial year beginning 1 April 2012 from 26% to 25%

This tax law was substantively enacted in the House of Commons on 5 July and received Royal Assent on 19 July 2011 and has therefore been reflected where appropriate in these financial statements

The Finance Bill 2012 announced a further reduction in the main rate of corporation tax for the financial year beginning 1 April 2012 from 25% to 24%. This change was substantively enacted under the Provisional Collection of Taxes Act 1968 on 27 March 2012 and has therefore been disclosed where appropriate

The Finance Act 2012 also announced a further reduction in the main rate of corporation tax for the financial year beginning 1 April 2013 from 24% to 23%

(b) Factors affecting tax charge for the year

The tax assessed for the period is lower (2010 lower) than the standard rate of corporation tax in the UK

The differences are explained below

13 Other financial commitments

At 31 December 2011, the Company had annual commitments under non-cancellable operating leases as set out below

Land and buildings

	2011 £	2010 £
Operating leases which expire In over five years	96,000	96,000

The lease is in respect of the property formerly occupied by Associated Electricity Supplies Limited. EDF Energy plc manages this property and sublets it to third parties on behalf of the Company. EDF Energy plc therefore makes payment of the operating lease rentals on behalf of the Company. However, there is still a legal commitment on the Company to meet these operating lease rentals as they fall due.

14 Related parties

In accordance with FRS 8 'Related party disclosures', the Company is exempt from disclosing transactions with entities that are part of the Group or investees of the Group qualifying as related parties, as it is a wholly-owned subsidiary of a parent, which prepares consolidated accounts which are publicly available.

15 Parent undertaking and controlling party

Deletpicnic Limited holds a 100% interest in Associated Electricity Supplies Limited and is considered to be the immediate parent company. EDF Energy plc heads the smallest group for which consolidated accounts are prepared which include the results of the Company. Copies of the Company's consolidated financial statements may be obtained from 40 Grosvenor Place, Victoria, London, SW1X 7EN.

At 31 December 2011, Electricité de France S A, a company incorporated in France, is regarded by the Directors as the Company's ultimate parent company and controlling party. This is the largest group for which consolidated financial statements are prepared. Copies of that company's consolidated financial statements may be obtained from Electricité de France S A, 22-30 Avenue de Wagram, 75382, Paris, Cedex 08, France.
