#### REPORT OF THE AUDITORS TO THE DIRECTORS OF

#### SHADOWGRADE DEVELOPMENTS LIMITED

#### UNDER PARAGRAPH 24 OF SCHEDULE 8 TO THE COMPANIES ACT 1985

We have examined the abbreviated accounts set out on pages 2 to 5 together with the full statutory accounts of the company. The scope of our work for the purpose of this report was limited to confirming the opinion as set out in the following paragraph.

In our opinion the company is entitled to the exemptions as set out in the directors' statement on page 2 and the abbreviated statutory accounts have been properly prepared in accordance with schedule 8 to the Companies Act 1985.

On 28 August 1998 we reported to the members on the full statutory accounts of the company prepared under Section 226 of the Companies Act 1985 for the period ended 31 December 1997. Our report under Section 235 of the Companies Act 1985 was as follows:

We have audited the financial statements on pages 4 to 12 which have been prepared under the historical cost convention and the accounting policies on page 7.

Respective responsibilities of directors and auditors

As described on page 2 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

#### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements. No depreciation has been provided on freehold property as the property was professionaly revalued in May 1998 and this value has been incorporated into these accounts. Our opinion is not qualified in this respect.

#### Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 1997 and of its profit for the period then ended and have been properly prepared in accordance with the Companies Act 1985 applicable to small companies.

#### 1 ACCOUNTING POLICIES

The principal accounting policies which are adopted in the preparation of the financial statements are set out below.

### Basis of accounting

The financial statements have been prepared in accordance with applicable Accounting Standards under the historical cost convention (as modified by the revaluation of certain assets) and incorporate the results of the principal activity which is described in the directors report and which is continuing.

The company has taken advantage of the exemption in FRS 1 from the requirement to prepare a cash flow statement on the grounds that it is a small company.

#### Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

#### Tangible fixed assets
