Report of the Trustees for the Year Ended 31st August 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st August 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal object of the company in the period under review was that of a registered charity engaged in the promotion and provision of music education, and in nurturing a comprehensively inclusive community through live music opportunities. The objects were achieved by the provision of music lessons and musical activities.

Public benefit

The trustees confirm that they have complied with the duty in Section 17(5) of the 2011 Charities Act to have due regard to guidance on public benefit published by the Charity Commission when reviewing the charity's objectives and in planning future activities.

ACHIEVEMENT AND PERFORMANCE

September 2020-September 2021

For the majority of the year, the restrictions put in place to tackle COVID continued to apply, with lessons on-line only and little if no group activity. Our staff were furloughed.

Things began to move back towards normal in the Summer of 2021, and the mix of on-line and face-to-face lessons starting to tend strongly towards the latter. Our COVID procedures continued to be strictly enforced, providing a safe environment for teaching; as a result we were one of the few centres in the Midlands to be chosen to host ABRSM exams throughout the year.

These procedures meant that our recital room could only be used for groups of 8 people or less, but our burgeoning relationship with Worcester Theatres and Worcester City Council enabled us to hire without charge larger spaces in the Guildhall and The Swan Theatre for groups such as our Community Choir and String Orchestra.

All the staff deserve great credit for managing to keep our show on the road in very, very challenging circumstances.

Plans for the Future

The past 18 months have been catastrophic for the performing arts and we have felt more acutely aware than ever before of how crucial what we offer is - involvement in live music-making enables individual growth and nurtures community in ways that are uniquely valuable. We shall therefore continue to develop relationships with local city governance, groups and county arts organisations (who suffered in much the same way that we did).

We will continue to offer online learning for those who wish for it but the majority of lessons will now be face to face. Sessions with our special needs Virtuosi have been suspended due to COVID but during the new year we hope to be able to re-start them in some form.

The back-log of administrative tasks occasioned by furlough will present a major challenge for the new academic year 2021-22, but our intention to automate these as much as possible will proceed apace now that funding has been approved for the upgrading of our wi-fi environment.

FINANCIAL REVIEW

The net result for the year was a surplus of £65,760 (2020: deficit £6,214). This comprised of a surplus on unrestricted funds of £61,780 (2020: deficit £5,365) and a surplus on restricted funds of £3,980 (2020: deficit £849). Unrestricted reserves, excluding fixed assets, held at 31 August 2021 were £58,024 (2020: deficit £3,754).

Total reserves as at 31 August 2021 were £86,988 (2020: £21,228).

The trustees consider that an appropriate minimum level of free reserves should be four months of the charity support costs which represents a figure of £20,000. Whilst the current level of reserves satisfy this policy, the trustees are aware that the charity was in receipt of government assistance this year in order to ease the burden of Covid. The trustees are aiming to increase reserves to approximately four month's support cost expenditure in the short term and then to six months to support cost expenditure (£31,000) in the medium term.

Report of the Trustees for the Year Ended 31st August 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charitable company is controlled by its governing document, the Memorandum & Articles of Association dated 21 March 1988, as amended by special resolution 27 February 1989, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

None of the trustees have any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

Recruitment and appointment of new trustees

Trustees are appointed, by the members in general meeting. New trustees are provided with copies of the most recent annual report and accounts, a role description of the responsibilities of a trustee, a copy of the Memorandum and Articles of Association of Elgar School of Music Limited, copies of recent minutes of meetings and a copy of the Charity Commission publication, "Responsibilities of Charity Trustees". New trustees also have an induction session with the Chair

Risk management

The school's management and governing body are continually monitoring and assessing potential risk. The main areas of focus are Health and Safety and Child Protection. All policies are reviewed and updated annually and made available to all members of staff, self employed tutors and users of the school. There have been no incidents to report and the school continues to ensure safe and legal practices.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by order of the board of trustees on $\frac{27}{5} = \frac{5}{22}$ and signed on its behalf by:

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31st August 2021

1. STATUTORY INFORMATION

The charity is a company limited by guarantee. The members of the company are the trustees named in the Trustees' Report. In the event of the company being wound up, the liability in respect of the guarantee is limited to £1.

2. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The charity is exempt from preparing a cashflow statement on the grounds that it is not a large charity.

INCOME

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Grant income, including government grant income, is recognised on a performance basis.

Income from charitable activities for services provided is recognised in line with the provision of those services.

EXPENDITURE

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

TANGIBLE FIXED ASSETS

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Musical instruments, equipment

- 10% on reducing balance

Assets costing less than £100 are not capitalised.

TAXATION

The charity is exempt from corporation tax on its charitable activities.

FUND ACCOUNTING

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

LEASING COMMITMENTS

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

PENSION COSTS

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Notes to the Financial Statements - continued for the Year Ended 31st August 2021

2. ACCOUNTING POLICIES - continued

DONATED GOODS AND SERVICES

Donated goods and services are measured at fair value when control over the economic benefit has passed to the charity.

FINANCIAL INSTRUMENTS

The charity has elected to apply the provisions of Section 11' Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. Financial instruments are recognised when the charity becomes party to contractual provisions of the instrument.

Financial assets are offset, with the net amounts presented in the accounts where there is a legally Enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic Financial Assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Basic Financial Liabilities

Basic financial liabilities, including trade and other payables, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of future receipts, discounted at a market rate of interest. Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of the operations from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction cost.

3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The most critical accounting judgement is in setting the depreciation rates for tangible fixed assets. Details for these rates can be found in the accounting policies in note 2. The carrying value of tangible fixed assets can be found in note 14.

Another critical accounting judgement is in identifying accrued income where invoices had not been raised to customers during the current financial year. The value of accrued income can be found in note 15.

PURPOSE OF FUNDS

UNRESTRICTED FUND

The unrestricted general fund can be used for any charitable purpose within the charity's objects and approved by the Trustees. It is the policy of the charity to build a reserve of four months' operating costs in this fund. The fund balance as at 31 August 2020 was £14,218 (2019: £19,583), which represents about two and a half months of operating expenditure, therefore this does not cover the charity's reserves policy.

RESTRICTED FUNDS
