STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors are required to prepare financial statements which give a true and fair view of the state of affairs of the Company as at the end of the financial year and of the profit or loss of the Company for the period to that date. The requirements are specified in the Companies Act 1985 and in applicable accounting standards. It is also the Directors' responsibility to:

Maintain adequate accounting records;

Safeguard the assets of the Company;

Prevent and detect fraud and other irregularities;

Prepare financial statements on the going concern basis, unless it is inappropriate.

The Directors confirm that suitable accounting policies consistently applied and supported by reasonable and prudent judgements and estimates have been used in the preparation of the financial statements and that applicable accounting standards have been followed.

FINANCIAL OPTIONS SERVICES LIMITED

AUDITORS' REPORT

Independent auditors' report to the members of Financial Options Services Limited

We have audited the financial statements on pages 4 to 10, which have been prepared under the historical cost convention and the accounting policies set out on page 6.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities on page 2.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 May 2002 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

1. ACCOUNTING POLICIES

Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards. The Company has adopted Financial Reporting Standard 18 "Accounting Policies" and Financial Reporting Standard 19 "Deferred Tax" during the year. FRS 18 and FRS 19 had no effect on the financial statements.

Turnover

Turnover represents the amounts (excluding value added tax) derived from the provision of services which fall within the companies ordinary activities and is all derived in the UK.

Deferred taxation

Deferred tax is provided using the full provision method following the Company's adoption of FRS 19 "Deferred Tax". Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less tax in the future. Resultant deferred tax assets are recognised only to the extent that it is considered more likely than not that there will be suitable taxable profits from which the underlying timing differences can be deducted. Previously, deferred tax was provided on the liability method to the extent that it was probable that an asset or liability will crystallise in the foreseeable future. Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

2. OPERATING PROFIT (LOSS)

The auditors' remuneration is borne by Misys IFA Services plc, a fellow group subsidiary, which acts as a service Company. Depreciation on owned assets was £nil (2001 : £33,000).
